AN ACT relating to the Governor Guinn Millennium Scholarship Program; increasing the grade point average required during the first year of enrollment to retain eligibility for a scholarship; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

During the first year of enrollment in the Governor Guinn Millennium Scholarship Program, existing law requires a recipient to maintain at least a 2.60 grade point average during each semester and then to maintain a 2.75 grade point average during each semester in the second and each subsequent year of enrollment. (NRS 396.934) **Section 1** of this bill raises the required grade point average to 2.75 for each semester of enrollment in the Program, which means the required grade point average is increased from 2.60 to 2.75 for each semester of the first year of enrollment in the Program.
