

CHAPTER.....

AN ACT relating to citations; revising provisions relating to the form of certain citations and the notice to appear that results from the acceptance by a person of a citation from a peace officer in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a traffic citation is deemed a lawful complaint for the purposes of prosecution if the form of the citation: (1) includes an attestation charging commission of the offense alleged; or (2) is prepared electronically. (NRS 484A.620) **Section 1** of this bill requires the attestation regardless of whether the citation was prepared electronically or otherwise. Under existing law, if a person refuses to sign a copy of certain citations issued by a peace officer who has halted the person's motor vehicle, the peace officer may deliver the citation to the person, and acceptance of such a copy is deemed personal service of a notice to appear in court to adjudicate the citation. (NRS 62C.070, 484A.630, 484A.720, 484A.760) **Sections 2-5** of this bill revise the language to provide that when a person physically receives a copy of a citation, receipt of the citation shall be deemed personal service of a notice to appear in court to adjudicate the citation.
