the entity's office, and shall notify each person making a	266
payment by such a device, about the surcharge or fee. Notice to	267

charge or fee expressed as a percentage of the total amount of	275
the transaction, whichever is applicable;	276
(3) A clear statement that the surcharge or convenience	277
fee is nonrefundable.	278
(F) If a person elects to make a payment by a financial	279
transaction device and a surcharge or convenience fee is	280
imposed, the payment of the surcharge or convenience fee is not	281
refundable.	282
(G) If a person makes payment by a financial transaction	283
device and the payment is returned or dishonored for any reason,	284
the person is liable to the state for the state expense and any	285

reimbursable costs for collection, including banking charges, 286
legal fees, or other expenses incurred by the state in 287
collecting the returned or dishonored payment. The remedies and 288
procedures provided in this section are in addition to any other 289
available civil or criminal remedies provided by law. 290

(H) No person making any payment by a financial 291
transaction device to a state office shall be relieved from 292
liability for the underlying obligation, except to the extent 293
that the state realizes final payment of the underlying 294
obligation in cash or its equivalent. If final payment is not 295
made by the financial transaction device issuer or other 296
guarantor of payment in the transaction, the underlying 297
obligation survives and the state shall retain all remedies for 298
enforcement that would have applied if the transaction had not 299
occurred. 300

(I) A state entity or employee who accepts a financial 301
transaction device payment in accordance with this section and 302
any applicable state or local policies or rules is immune from 303
personal liability for the final collection of such payments as 304
specified in section 9.87 of the Revised Code. 305

(J) If the board of deposit determines that it is 306
necessary and in the state's best interest to contract with an 307
additional entity subsequent to the contract award made under 308
division (C) of this section, the board may meet and choose to 309
contract with one or more additional entities for the remainder 310

federal funds; and subjects minority banks to certain 758
limitations of Chapter 135. of the Revised Code, including the 759
requirement that, as in the case of every financial institution 760

release eligible securities deposited with the qualified trustee 1372
pursuant to this section, provided that such substitution, 1373
exchange, or release is effectuated pursuant to written 1374
authorization from the treasurer of state, and such action does 1375
not reduce the total market value of the securities to an amount 1376
that is less than the amount established pursuant to division 1377
(B) of this section. 1378

(H) Notwithstanding the fact that a public depository is 1379
required to pledge eligible securities in certain amounts to 1380

secure public deposits, a qualified trustee has no duty or 1381
obligation to determine the eligibility, market value, or face 1382
value of any securities deposited with the trustee by a public 1383
depository. This applies in all situations including, but not 1384
limited to, a substitution or exchange of securities, but 1385
