24 person has obtained a valid applicator's license issued by the State

1 Board of Agriculture for the category of pesticide application in
2 which the person is engaged.

3 2. A license may be issued by the Board in any category of
4 pesticide application if the applicant qualifies and the applicant
5 is limited to the category of pesticide application named on the
6 license. The Board may establish categories of pesticide
7 application as necessary. Licenses shall be issued upon application
8 to the Board on a form prescribed by the Board. The application
9 shall contain information regarding the applicant's qualifications,
10 proposed operations, and other information as specified by the

18 aerial license and pilots working under a license may
19 be subject to a complete and thorough background
20 examination.

18 applicator. The Board shall deny the application for certification,
19 recertification, issuance, or renewal of a certificate or license
20 for a failure to show proper qualification under the rules or for
21 violations of any provisions of this section. A certificate in any
22 category shall be valid for five (5) years unless suspended,
23 canceled, or revoked by the Board or until recertification is

3 on the 31st day of December following issuance or renewal, and may
4 be renewed for the ensuing calendar year, without penalty or
5 reexamination, if a properly completed application is filed with the
6 Board not later than the 1st day of January of each year. If
7 application is not received by January 1, a penalty of twice the
8 amount of the renewal fee shall be charged for renewal of the
9 license. If the application is not received by February 1, an
10 additional one-hundred-dollar penalty shall be paid prior to license
11 renewal.

12 All private applicator licenses are in effect for five (5) years

14 education program or written exam approved by the Board.

15 C. The following fees shall be paid to the Board:

16 1. A fee of One Hundred Dollars (\$100.00) for each category of
17 pesticide application shall be paid to the Board for the issuance or

7 location of an applicator;

2 commercial applicator's license until the applicant has furnished
3 evidence of an insurance policy or certificate by an insurer or
4 broker authorized to do business in this state insuring the
5 commercial applicator and any agents against liability resulting
6 from the operations of the commercial applicator. The insurance
7 shall not be applied to damage or injury to agricultural crops,
8 plants, or land being worked upon by the commercial applicator.

9 2. The amount of liability shall not be less than that set by
10 the Board for each property damage arising out of actual use of any
11 pesticide. The liability shall be maintained at not less than that
12 sum at all times during the licensing period. The Board shall be
13 notified fifteen (15) days prior to any reduction in liability.

14 3. If the furnished liability becomes unsatisfactory, the
15 applicant shall immediately execute new liability upon notice from
16 the Board. If new liability is not immediately obtained, the Board
17 shall, upon notice, cancel the license. It shall be unlawful for
18 the person to engage in the business of applying pesticides until
19 the liability is brought into compliance and the license reinstated.

21 applicator for damages to growing crops or plants, any person
22 alleging damages to growing crops or plants shall:

23 a. within ninety (90) calendar days of the date that the
24 alleged damages occurred or prior to the time that

1 twenty-five percent (25%) of the allegedly damaged
2 crops or plants are harvested, whichever occurs first,
3 file a written complaint statement with the Department
4 regarding the alleged damages, and

5 b. between the date of filing of the written complaint
6 pursuant to subparagraph a of this paragraph and the
7 date harvesting or destruction of the allegedly
8 damaged crops or plants occurs, allow the applicator
9 and the representatives of the applicator reasonable
10 access to the property to inspect and take samples of
11 the allegedly damaged crops or plants during
12 reasonable hours. The representatives of the
13 applicator may include, but not be limited to, crop
14 consultants, bondsmen, and insurers. Nothing in this
15 subparagraph shall limit in any way the harvesting or
16 destruction of the allegedly damaged crops or plants
17 in the ordinary course of business and practice.

18 2. Any person failing to comply with paragraph 1 of this
19 subsection shall be barred from filing an action for damages against
20 the applicator.

21 I. PERMIT REQUIRED - 1. It shall be unlawful for any person to
22 sell, offer for sale, or distribute within this state any restricted
23 use pesticide without first obtaining a restricted use pesticide
24 dealer's permit issued by the Board.

1 2. A permit may be issued by the Board in any category of
2 pesticide sales if the applicant qualifies under the provisions of
3 this section and the applicant is limited to the category of
4 pesticide sales named on the permit. The Board may establish
5 categories of pesticide sales as necessary.

6 3. The permit shall be issued only upon application on a form
7 prescribed by the Board and the application shall contain
8 information regarding the applicant's proposed operation and other
9 information as specified by the Board.

10 4. Each business location engaged in the sale or distribution
11 of restricted use pesticides shall require a separate permit.

12 5. The annual permit fee for a restricted use pesticide dealer
13 permit shall be Fifty Dollars (\$50.00) for each location.

14 6. The Board may require a certified applicator to be present
15 at any location where designated restricted use pesticide sales
16 occur.

17 J. PESTICIDE REGISTRATION REQUIRED - 1. Every pesticide or

21 2. The registrant shall file with the Board a statement
22 including, but not limited to:

2 and address of the person whose name shall appear on
3 the label, if other than the registrant,
4 b. the name of the pesticide or device,
5 c. a complete copy of the labeling accompanying the
6 pesticide or device and a statement of all claims to
7 be made for it, and directions for use, and

9 tests made and the results upon which the claims are
10 based. In renewing a registration, a statement shall
11 be required only with respect to information which is
12 different from the information furnished when the
13 pesticide or device was last registered.

14 3. Each registrant shall pay to the Board an annual
15 registration fee of Two Hundred Ten Dollars (\$210.00) for each
16 pesticide or device label registered. These fees shall be used by
17 the Oklahoma Department of Agriculture, Food, and Forestry for
18 purposes of administering pesticide management programs. A portion
19 of these fees, in the amount of Three Hundred Thousand Dollars
20 (\$300,000.00) annually, shall be dedicated for conducting programs
21 for unwanted pesticide disposal. This amount shall be deposited

23 Fund and shall be dedicated for this use only.

1 4. The Board may require the submission of the complete formula
2 of any pesticide. Trade secrets and formulations submitted by the
3 registrant may be kept confidential. If it appears to the Board
4 that the composition of the pesticide is adequate to warrant the
5 proposed claims and if the pesticide, its labeling, and other
6 material required to be submitted comply with the requirements of
7 this section, then the pesticide shall be registered.

8 5. If it does not appear to the Board that the pesticide or
9 device is adequate to warrant the proposed claims for it or if the
10 pesticide or device, its labeling, and other material required to be
11 submitted do not comply with the provisions of this section, it
12 shall notify the applicant of the deficiencies in the pesticide,
13 device, labeling, or other material required and afford the
14 applicant an opportunity to make the necessary corrections. If the
15 applicant claims, in writing, that the corrections are not necessary
16 and requests in writing a hearing regarding the registration of the
17 pesticide or device, the Board shall provide an opportunity for a
18 hearing before refusing to issue the registration. In order to
19 protect the public, the Board may at any time cancel the
20 registration of a product or device. In no event, shall
21 registration of a pesticide or device be considered as a defense or
22 excuse for the commission of any offense prohibited under this
23 section.

1 6. The Board may require that pesticides be distinctively
2 colored or discolored to protect the public health.

3 7. Registration shall not be required in the case of a
