8	
9	[health insurance - coverage - exclusions -
10	codification - effective date]
11	
12	BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:
13	SECTION 1. NEW LAW A new section of law to be codified
14	in the Oklahoma Statutes as Section 6060.5b of Title 36, unless
15	there is created a duplication in numbering, reads as follows:
16	A. For the purposes of this section:
17	1. "Clinical utility" means the test result provides
18	information that is used in the formulation of a treatment or
19	monitoring strategy that informs a patient's outcome and impacts the
20	clinical decision. The most appropriate test may include both
21	information that is actionable and some information that cannot be
22	immediately used in the formulation of a clinical decision;
23	2. "Evidence-based cancer imaging" means evidence-based cancer
24	imaging modalities in accordance with the most recent version of the

- National Comprehensive Cancer Network (NCCN) clinical practice quidelines;
 - 3. "Genetic testing for an inherited mutation" means germline multi-gene testing for an inherited mutation associated with an increased risk of cancer in accordance with NCCN clinical practice guidelines;
 - 4. "Health benefit plan" means a health benefit plan as defined pursuant to Section 6060.4 of Title 36 of the Oklahoma Statutes; and
 - 5. "Health care provider" means any physician, hospital, or other entity or person that is licensed or otherwise authorized in this state to furnish health care services.
 - B. Any health benefit plan including the Oklahoma Employees
 Insurance Plan that is offered, issued, or renewed in this state on
 or after the effective date of this act shall provide coverage for:
 - 1. Clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer that is recommended by a health care provider in accordance with NCCN clinical practice guideline, when such test provides clinical utility as demonstrated by medical and scientific evidence including, but not limited to:
 - a. labeled indications for tests that are approved or cleared by the United States Food and Drug

 Administration,

- b. Centers for Medicare and Medicaid Services national coverage determinations or Medicare administrative contractor local coverage determinations, or
 - c. nationally recognized clinical practice guidelines; and
- 2. Evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by the NCCN clinical practice guidelines.
- C. Coverage under this section shall not be subject to any annual deductibles, copayments, or coinsurance limits as established for all covered benefits under the health benefit plan.
- D. If application of this section would result in health savings account ineligibility under Section 223 of the federal Internal Revenue Code, as amended, the provisions of this section shall only apply to health savings accounts with qualified high deductible health plans with respect to the deductible of such a plan after the enrollee has satisfied the minimum deductible. Provided, however, the provisions of this section shall apply to items or services that are preventive care pursuant to Section 223(c)(2)(C) of the federal Internal Revenue Code, as amended, regardless of whether the minimum deductible has been satisfied.

 SECTION 2. This act shall become effective November 1, 2024.
