11 companies, the Treasurer shall remove the financial company from the  
12 list maintained under paragraph 1 of subsection A of this section,  
13 and this subsection will no longer apply to the financial company  
14 unless it resumes boycotting energy companies.

15 4. If, after the time provided by paragraph 2 of this  
16 subsection expires, the financial company continues to boycott  
17 energy companies, the state governmental entity shall sell, redeem,  
18 divest, or withdraw all publicly traded securities of the financial  
19 company, except securities described by subsection E of this

1 a. at least fifty percent (50%) of those assets shall be  
2 removed from the state governmental entity's assets  
3 under management not later than the one-hundred-

6 C of this section unless the state governmental entity  
7 determines, based on a good-faith exercise of its  
8 fiduciary discretion and subject to subparagraph b of  
9 this subsection, that a later date is more prudent,  
10 and

11 b. one hundred percent (100%) of those assets shall be  
12 removed from the state governmental entity's assets  
13 under management not later than the three-hundred-

17 2. If a financial company that ceased boycotting energy  
18 companies after receiving notice pursuant to paragraph 1 of

1           3. Except as provided by paragraph 1 of ~~subsection D~~ of this  
2 ~~section~~ subsection, a state governmental entity may delay the  
3 schedule for divestment under that subsection only to the extent  
4 that the state governmental entity determines, in the state  
5 governmental entity's good-faith judgment, and consistent with the  
6 entity's fiduciary duty, that divestment from listed financial  
7 companies will likely result in a loss in value or a benchmark  
8 deviation described by paragraph 1 of subsection F of this section.

9           4. If a state governmental entity delays the schedule for  
10 divestment, the state governmental entity shall submit ~~a~~ an  
11 electronic report to the Treasurer, the presiding officer of each  
12 house of the Legislature, and the Attorney General stating the  
13 reasons and justification for the delay in divestment by the state  
14 governmental entity from listed financial companies. The report  
15 shall include documentation supporting its determination that the  
16 divestment would result in a loss in value or a benchmark deviation  
17 described by paragraph 1 of subsection F of this section including  
18 objective numerical estimates. The state governmental entity shall  
19 update the report every six (6) months.

20           E. A state governmental entity is not required to divest from  
21 any indirect holdings in actively or passively managed investment  
22 funds or private equity funds. The state governmental entity shall  
23 submit letters to the managers of each investment fund containing  
24 listed financial companies requesting that they remove those

1 financial companies from the fund or create a similar actively or  
2 passively managed fund with indirect holdings devoid of listed  
3 financial companies. If a manager creates a similar fund with  
4 substantially the same management fees and same level of investment  
5 risk and anticipated return, the state governmental entity may  
6 replace all applicable investments with investments in the similar  
7 fund in a time frame consistent with prudent fiduciary standards but  
8 not later than the four-hundred-fiftieth day after the date the fund  
9 is created.

10 F. 1. A state governmental entity may cease divesting from one  
11 or more listed financial companies only if clear and convincing  
12 evidence shows that:

13 a. the state governmental entity has suffered or will  
14 suffer a loss in the value of assets under management  
15 by the state governmental entity as a result of having  
16 to divest from listed financial companies under this  
17 subsection, or

18 b. an individual portfolio that uses a benchmark-aware  
19 strategy would be subject to an aggregate expected  
20 deviation from its benchmark as a result of having to  
21 divest from listed financial companies under this  
22 subsection.

23 2. A state governmental entity may cease divesting from a  
24 listed financial company as provided by this section only to the

1 extent necessary to ensure that the state governmental entity does  
2 not suffer a loss in value or deviate from its benchmark as  
3 described by paragraph 1 of this subsection.

4 3. Before a state governmental entity may cease divesting from  
5 a listed financial company under this section, the state  
6 governmental entity shall provide a written report to the Treasurer,  
7 the presiding officer of each house of the Legislature, and the  
8 Attorney General setting forth the reason and justification,  
9 supported by clear and convincing evidence, for deciding to cease  
10 divestment or to remain invested in a listed financial company. The  
11 state governmental entity shall update the report required by this  
12 subsection semiannually, as applicable.

13 4. This section does not apply to reinvestment in a financial  
14 company that is no longer a listed financial company.

15 G. In the event that the Treasurer disagrees with the  
16 determination made by a state governmental entity under subsections  
17 E and F of this section, the Treasurer shall seek an Attorney  
18 General opinion ruling whether the determination is in compliance  
19 with state laws binding the state governmental entity.

20 H. Except as provided in subsection F of this section, a state  
21 governmental entity shall not acquire securities of a listed  
22 financial company.
