6. At the discretion of the Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, medical practitioners and their staff, including those employed by the federal government in this state.

- B. This section shall not prevent access, at the discretion of the Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, to investigative information by peace officers and investigative agents of federal, state, county or municipal law enforcement agencies, district attorneys and the Attorney General in furtherance of criminal, civil or administrative investigations or prosecutions within their respective jurisdictions, designated legal, communications, program administrator and analytical employees of the Bureau, and to registrants in furtherance of efforts to guard against the diversion of controlled dangerous substances.
- C. This section shall not prevent the disclosure, at the discretion of the Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, of statistical information gathered from the central repository to the general public which shall be limited to types and quantities of controlled substances dispensed and the county where dispensed.
- D. This section shall not prevent the disclosure, at the discretion of the Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, of prescription-monitoring-program

information to prescription-monitoring programs of other states provided a reciprocal data-sharing agreement is in place.

- E. The Department of Mental Health and Substance Abuse Services and the State Department of Health may utilize the information in the central repository for statistical, research, substance abuse prevention, or educational purposes, provided that consumer confidentiality is not compromised.
- F. An agent or designated employee of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control may utilize information in the central repository where such use is appropriate to the proper performance of his or her official duties, including the prevention of the misuse and abuse of controlled dangerous substances.
- <u>G.</u> Any unauthorized disclosure of any information collected at the central repository provided by the Anti-Drug Diversion Act shall be a misdemeanor. Violation of the provisions of this section shall be deemed willful neglect of duty and shall be grounds for removal from office.
- G. H. 1. Registrants shall have access to the central repository for the purposes of patient treatment and for determination in prescribing or screening new patients. The patient's history may be disclosed to the patient for the purposes of treatment of information at the discretion of the physician.
 - 2. a. Prior to prescribing or authorizing for refill, if one hundred eighty (180) days have elapsed prior to the

1		previous access and check, of opiates, synthetic
2		opiates, semisynthetic opiates, benzodiazepine or
3		carisoprodol to a patient of record, registrants or
4		members of their medical or administrative staff shall
5		be required until October 31, 2020, to access the
6		information in the central repository to assess
7		medical necessity and the possibility that the patient
8		may be unlawfully obtaining prescription drugs in
9		violation of the Uniform Controlled Dangerous
10		Substances Act. The duty to access and check shall
11		not alter or otherwise amend appropriate medical
12		standards of care. The registrant or medical provider
13		shall note in the patient file that the central
14		repository has been checked and may maintain a copy of
15		the information.
16	b.	The requirements set forth in subparagraph a of this
17		paragraph shall not apply:
18		(1) to medical practitioners who prescribe the
19		controlled substances set forth in subparagraph a
20		of this paragraph for hospice or end-of-life
21		care, or
22		(2) for a prescription of a controlled substance set
23		forth in subparagraph a of this paragraph that is
24		issued by a practitioner for a patient residing

in a nursing facility as defined by Section 11902 of this title, provided that the
prescription is issued to a resident of such
facility.

- 3. Registrants shall not be liable to any person for any claim of damages as a result of accessing or failing to access the information in the central repository and no lawsuit may be predicated thereon.
- H- I. The State Board of Podiatric Examiners, the State Board of Dentistry, the State Board of Medical Licensure and Supervision, the State Board of Examiners in Optometry, the State Board of Nursing, the State Board of Osteopathic Examiners and the State Board of Veterinary Medical Examiners shall have the sole responsibility for enforcement of the provisions of subsection G of this section. Nothing in this section shall be construed so as to permit the Director of the State Bureau of Narcotics and Dangerous Drugs Control to assess administrative fines provided for in Section 2-304 of this title.
- 1. J. The Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, or a designee thereof, shall provide a monthly list to the Directors of the State Board of Podiatric Examiners, the State Board of Dentistry, the State Board of Medical Licensure and Supervision, the State Board of Examiners in Optometry, the State Oklahoma Board of Nursing, the State Board of

Osteopathic Examiners and the State Board of Veterinary Medical

Examiners of the top twenty prescribers of controlled dangerous

substances within their respective areas of jurisdiction. Upon

discovering that a registrant is prescribing outside the limitations

of his or her licensure or outside of drug registration rules or

applicable state laws, the respective licensing board shall be

notified by the Bureau in writing. Such notifications may be

considered complaints for the purpose of investigations or other

actions by the respective licensing board. Licensing boards shall

have exclusive jurisdiction to take action against a licensee for a

violation of subsection & H of this section.

J. K. Information regarding fatal and nonfatal overdoses, other than statistical information as required by Section 2-106 of this title, shall be completely confidential. Access to this information shall be strictly limited to the Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control or designee, the Chief Medical Examiner, state agencies and boards provided in subsection A of this section, and the registrant that enters the information. Registrants shall not be liable to any person for a claim of damages for information reported pursuant to the provisions of Section 2-105 of this title.

 $\overline{\text{K.}}$ L. The Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control shall provide adequate means and

1 procedures allowing access to central repository information for registrants lacking direct computer access. 3 4. M. Upon completion of an investigation in which it is 4 determined that a death was caused by an overdose, either 5 intentionally or unintentionally, of a controlled dangerous substance, the medical examiner shall be required to report the 6 decedent's name and date of birth to the Oklahoma State Bureau of 7 Narcotics and Dangerous Drugs Control. The Oklahoma State Bureau of 9 Narcotics and Dangerous Drugs Control shall be required to maintain 10 a database containing the classification of medical practitioners 11 who prescribed or authorized controlled dangerous substances 12 pursuant to this subsection. 13 SECTION 2. This act shall become effective November 1, 2017. COMMITTEE REPORT BY: COMMITTEE ON HEALTH AND HUMAN SERVICES 14 February 20, 2017 - DO PASS 15 16 17 18 19 20 21 22 23 24
