AS REPORTED FROM COMMITTEE ON HUMAN SERVICES, HOUSE OF REPRESENTATIVES, AS AMENDED, NOVEMBER 18, 2019

A RESOLUTION

1 Directing the Legislative Budget and Finance Committee to
2 conduct a comprehensive study of changes in access to <--
3 AVAILABILITY OF county-managed community health services <--
4 between fiscal years 2010 through 2018, and establishing an <--
5 advisory committee.

6 WHEREAS, One in five individuals in the United States needs
7 treatment for mental illness during his or her lifetime; and

8 WHEREAS, Fifty percent of mental health cases in our nation
9 begin by 14 years of age; and

10 WHEREAS, Seventy-five percent of these cases begin by 24
11 years of age; and

12 WHEREAS, Delayed treatment of mental illness increases
13 severity of symptoms and difficulty of treatment; and

14 WHEREAS, Each year, tens of thousands of families in this
15 Commonwealth struggle to gain timely access to services and
16 support for family members with serious mental illness; and

17 WHEREAS, Since 1966, county-managed community mental health
18 agencies have established community-based residential

1 rehabilitation and a range of other support and treatment
2 services in response to the reduction of beds in the State
3 mental hospital system; and

4 WHEREAS, The cost of providing treatment and services in
5 community-based settings is significantly less than the cost of
6 treatment in State mental hospitals or private psychiatric
7 hospitals; and

8 WHEREAS, Without sufficient residential rehabilitation and
9 mental health treatment services in our communities, individuals
10 with serious mental illness all too often become homeless or
11 become inmates in county jails; and

12 WHEREAS, Some county mental health programs have reported a
13 reduction in school-based mental health services since 2010; and

14 WHEREAS, Some county mental health programs have reported a
15 reduction in residential and treatment services for the
16 seriously mentally ill since 2010; therefore be it
