SENATE BILL

No. 239 Session of
2013

INTRODUCED BY SMITH, KASUNIC, FONTANA, YUDICHAK, BREWSTER,
WASHINGTON, FERLO, TARTAGLIONE, FARNESE AND COSTA,
FEBRUARY 7, 2013

REFERRED TO FINANCE, FEBRUARY 7, 2013

AN ACT

1 Amending the act of March 4, 1971 (P.L.6, No.2), entitled "An
2 act relating to tax reform and State taxation by codifying
3 and enumerating certain subjects of taxation and imposing
4 taxes thereon; providing procedures for the payment,
5 collection, administration and enforcement thereof; providing
6 for tax credits in certain cases; conferring powers and
7 imposing duties upon the Department of Revenue, certain
8 employers, fiduciaries, individuals, persons, corporations
9 and other entities; prescribing crimes, offenses and
10 penalties," authorizing the green roof tax credit.

11 The General Assembly of the Commonwealth of Pennsylvania
12 hereby enacts as follows:

13 Section 1. The act of March 4, 1971 (P.L.6, No.2), known as
14 the Tax Reform Code of 1971, is amended by adding an article to
15 read:

16 ARTICLE XIX-B

17 GREEN ROOF TAX CREDIT

18 Section 1901-B. Scope of article.

19 This article relates to green roof tax credits.

20 Section 1902-B. Definitions.

21 The following words and phrases when used in this article

1 shall have the meanings given to them in this section unless the
2 context clearly indicates otherwise:

3 "Department." The Department of Revenue of the Commonwealth.

4 "Eligible rooftop space." The total space available to
5 support a green roof, as certified by a structural engineer.

6 "Green roof." An addition to a roof that supports living
7 vegetation and includes a synthetic, high-quality waterproof
8 membrane, drainage layer, soil layer and lightweight medium
9 plants.

10 "Tax credit." The green roof tax credit.

11 "Tax liability." For a taxpayer who is an individual, taxes
12 imposed under Article III and for all other taxpayers, taxes
13 imposed under Articles III, IV and VI.

14 Section 1903-B. Application.

15 A business or individual seeking a tax credit must file an
16 application with the department that includes the following:

17 (1) The address location of the proposed green roof.

18 (2) The total square footage of the rooftop.

19 (3) The total square footage of the eligible rooftop
20 space.

21 (4) The total square footage of the proposed green roof.

22 (5) The total projected costs to construct the green
23 roof.

24 (6) Proof that the applicant has received all required
25 permits and approvals to construct the green roof, after
26 first submitting to the local building code official the
27 plans for the green roof and a written analysis conducted by
28 a roof engineer that confirms and certifies the following:

29 (i) The condition of the roof is satisfactory for
30 green roof construction.

1 (ii) The structural capacity of the roof would
2 support the proposed green roof.

3 (iii) There is appropriate and safe access to the
4 roof for maintenance purposes.

5 (iv) The weight of the proposed green roof is
6 appropriate for the roof.

7 (v) The plans include appropriate irrigation and
8 drainage measures.

9 Section 1904-B. Commitment agreement.

10 The department shall approve an application for a tax credit
11 if it contains all of the required information. After approval,
12 the applicant must execute a commitment agreement with the
13 department setting forth the following:

14 (1) The plans for the green roof, as approved by the
15 local building code official, which plans must provide for a
16 green roof covering at least 50% of the building's rooftop or
17 75% of eligible rooftop space.

18 (2) The total projected costs for the construction of
19 the green roof.

20 (3) The maximum tax credit the applicant may claim.

21 (4) The applicant's commitment to maintain the green
22 roof for a period of five years after the date of its
23 completion and the applicant's acknowledgment that if the
24 taxpayer claims a tax credit and fails to incur the amount of
25 qualified construction or maintenance costs for a green roof
26 in that taxable year, the taxpayer shall repay to the
27 Commonwealth the amount of the tax credit claimed under this
28 article for the green roof.

29 Section 1905-B. Certification and credit.

30 (a) General rule.--After the applicant and the department

1 have executed a commitment agreement, and upon certifying to the
2 department the total costs actually incurred and proof of
3 completion of the green roof in accordance with the plans set
4 forth in the commitment agreement, the applicant may claim a
5 credit against the tax liability of the applicant equal to 25%
6 of all costs initially incurred to construct the green roof and
7 for maintenance in the years after.

8 (b) Limitations.--

9 (1) The amount of tax credits awarded to an individual
10 or business may not exceed \$100,000 in any fiscal year.

11 (2) The tax credit shall be applied against the
12 applicant's total tax liability subject to the tax credit for
13 the fiscal year during which the applicant certifies the
14 completion of the green roof.

15 (3) Any unused credits may be carried forward until
16 fully used.

17 (4) The credit is not a refundable credit.

18 (5) The credit is nontransferable.

19 (c) Availability of tax credits.--Each fiscal year,
20 \$10,000,000 in tax credits shall be made available to the
21 department and may be awarded by the department in accordance
22 with this article.

23 Section 1906-B. Repayment of tax credits.

24 A business or individual that has received and taken the
25 credit must repay the credit to the Commonwealth if it fails to
26 maintain the green roof in accordance with the provisions of the
27 commitment agreement.

28 Section 2. This act shall take effect in 60 days.
