13 Section 3. Sections 5.1(a), (e) and (j.2) and 7(d) of the  
14 act, amended December 6, 2002 (P.L.1227, No.148), are amended to  
15 read:

16 Section 5.1. Final-form regulations and final-omitted  
17 regulations; procedures for review.

18 (a) The agency shall review and consider public comments and  
19 the comments of the committees and commission pursuant to this  
20 section. Within five business days of receipt of a public  
21 comment, the agency shall notify the commentator of the agency's  
22 address and telephone number where the commentator may submit a  
23 request for the information concerning the final-form regulation  
24 under subsection (b). Upon completion of the agency's review of  
25 comments, the agency shall submit to the commission and the  
26 [committees] committee chairpersons a copy of its response to  
27 the comments received, the names and addresses of commentators  
28 who have requested additional information relating to the final-  
29 form regulation and the text of the final-form regulation which  
30 the agency intends to adopt. A committee chairperson must,

1 within five business days of receipt, distribute the information  
2 required under this subsection to the committee members of the  
3 committee chairperson's caucus. If an agency does not submit or  
4 withdraws and does not resubmit the final-form regulation within  
5 two years of the close of the public comment period but still  
6 desires to promulgate the final-form regulation, the agency  
7 shall republish the regulation as a proposed regulation with a  
8 new public comment period in accordance with the Commonwealth  
9 Documents Law. If the agency is prevented from delivering its  
10 final-form regulation to the commission and the committees  
11 within the time period provided for in this subsection because  
12 of the adjournment sine die or expiration of the legislative  
13 session in an even-numbered year, the agency shall deliver its  
14 final-form regulation in accordance with subsection (f).

15 \* \* \*

16 (e) The commission may have until its next scheduled meeting  
17 which occurs no less than 30 days after receipt of the final-  
18 form or final-omitted regulation to approve or disapprove the  
19 final-form or final-omitted regulation. Notwithstanding  
20 subsections (j.1) and (j.2), at any time prior to 24 hours  
21 before the commission's meeting to consider a regulation, a  
22 committee may notify the commission and the agency that the  
23 committee disapproves or intends to further review the final-  
24 form regulation. If notified by a committee that it disapproves  
25 of a regulation, the commission may not approve or disapprove  
26 the regulation for a period of 30 days or 9 legislative days,  
27 whichever is longer. If notified by a committee that the  
28 committee intends to further review a final-form regulation, the  
29 commission may not approve or disapprove the regulation for a  
30 period of 14 days or 6 legislative days, whichever is longer.

1 The commission shall notify the agency and the committees of its  
2 approval or disapproval. If the commission does not disapprove  
3 the final-form or final-omitted regulation within the time  
4 allotted in this subsection, the commission shall be deemed to  
5 have approved the final-form or final-omitted regulation.

6 \* \* \*

7 (j.2) At any time during the commission's review period up  
8 to 24 hours prior to the opening of the commission's public  
9 meeting, a committee may notify the commission and the agency  
10 that it has approved or disapproved a final-form or final-  
11 omitted regulation or that it intends to review the regulation.  
12 [If the commission approves a regulation and a committee has not  
13 notified the commission and the agency that it has disapproved  
14 the regulation or that it intends to review the regulation, the  
15 agency may promulgate the regulation.] If the commission  
16 approves a regulation and a committee has notified the  
17 commission and the agency that it has disapproved the regulation  
18 or that it intends to review the regulation, the agency may not  
19 promulgate the regulation for 14 days or 6 legislative days,  
20 whichever is longer, after the committee has received the  
21 commission's approval order. During this 14-day period, the  
22 committee may take action on the regulation pursuant to section  
23 7(d). If at the expiration of the 14-day period the committee  
24 has not taken action on the regulation pursuant to section 7(d),  
25 the agency may promulgate the regulation.

26 \* \* \*

27 Section 7. Procedures for subsequent review of disapproved  
28 final-form or final-omitted regulations.

29 \* \* \*

30 (d) Upon receipt of the commission's order pursuant to

1 subsection (c.1) or at the expiration of the commission's review  
2 period if the commission does not act on the regulation or does  
3 not deliver its order pursuant to subsection (c.1), one or both  
4 of the committees may, within 14 calendar days or 6 legislative  
5 days, whichever is longer, report to the House of  
6 Representatives or Senate a concurrent resolution and notify the  
7 agency. During the 14-calendar-day or 6-legislative-day period,  
8 the agency may not promulgate the final-form or final-omitted  
9 regulation. If, by the expiration of the 14-calendar-day or 6-  
10 legislative-day period, neither committee reports a concurrent  
11 resolution, the committees shall be deemed to have approved the  
12 final-form or final-omitted regulation, and the agency may  
13 promulgate that regulation. If either committee reports a  
14 concurrent resolution before the expiration of the [14-day] 14-  
15 calendar-day or 6-legislative-day period, the Senate [and] or  
16 the House of Representatives shall each have 30 calendar days or  
17 ten legislative days, whichever is longer, from the date on  
18 which the concurrent resolution has been reported, to adopt the  
19 concurrent resolution. If the General Assembly adopts the  
20 concurrent resolution by majority vote in both the Senate and  
21 the House of Representatives within 60 calendar days or 15  
22 legislative days, whichever is longer, from the date on which a  
23 concurrent resolution has been reported out by a committee, the  
24 concurrent resolution shall be presented to the Governor in  
25 accordance with section 9 of Article III of the Constitution of  
26 Pennsylvania. If the Governor does not return the concurrent  
27 resolution to the General Assembly within ten calendar days  
28 after it is presented, the Governor shall be deemed to have  
29 approved the concurrent resolution. If the Governor vetoes the  
30 concurrent resolution, the General Assembly may override that

1 veto by a two-thirds vote in each house. The Senate and the  
2 House of Representatives shall each have 30 calendar days or ten  
3 legislative days, whichever is longer, to override the veto. If  
4 the General Assembly does not adopt the concurrent resolution or  
5 override the veto in the time prescribed in this subsection, it  
6 shall be deemed to have approved the final-form or final-omitted  
7 regulation. Notice as to any final disposition of a concurrent  
8 resolution considered in accordance with this section shall be  
9 published in the Pennsylvania Bulletin. The bar on promulgation  
10 of the final-form or final-omitted regulation shall continue  
11 until that regulation has been approved or deemed approved in  
12 accordance with this subsection. If the General Assembly adopts  
13 the concurrent resolution and the Governor approves or is deemed  
14 to have approved the concurrent resolution or if the General  
15 Assembly overrides the Governor's veto of the concurrent  
16 resolution, the agency shall be barred from promulgating the  
17 final-form or final-omitted regulation. If the General Assembly  
18 does not adopt the concurrent resolution or if the Governor  
19 vetoes the concurrent resolution and the General Assembly does  
20 not override the Governor's veto, the agency may promulgate the  
21 final-form or final-omitted regulation. The General Assembly  
22 may, at its discretion, adopt a concurrent resolution  
23 disapproving the final-form or final-omitted regulation to  
24 indicate the intent of the General Assembly but permit the  
25 agency to promulgate that regulation.

26 Section 4. This act shall take effect in 60 days.
