1 WHEREAS, First observed one hundred and fifty-four years ago, Juneteenth National
2 Freedom Day is the oldest and only African-American holiday observance in the United States;
3 and

4 WHEREAS, Also known as Emancipation Day, Emancipation Celebration, Freedom
5 Day, Jun-Jun, and Juneteenth, Juneteenth National Freedom Day commemorates the strong
6 survival instinct of African-Americans who were first brought to this country stacked in the
7 bottom of slave ships in a month-long journey across the Atlantic Ocean known as the Middle
8 Passage; and

9 WHEREAS, Approximately eleven and one-half million African-Americans survived the
10 voyage to the New World, with the number that died likely greater, and those who did survive
11 were subjected to whipping, castration, branding, and rape, and were forced to submit to slavery
12 for more than two hundred years after their arrival in the United States; and

13 WHEREAS, Events in the history of the United States that led to the Civil War of 1861
14 centered around sectional differences between the North and South that were based on the
15 economic and social divergence caused by the existence of slavery; and

16 WHEREAS, Abraham Lincoln was inaugurated as President of the United States in 1861,
17 and as President, Lincoln believed and stated that the paramount object of the Civil War was to
18 save the Union rather than to save or destroy slavery; and

19 WHEREAS, But Lincoln also stated his belief that all men everywhere should be free,
20 thus adding to the growing anticipation of slaves that their ultimate liberation was at hand; and

1 WHEREAS, In 1862, the first clear sign that the end of slavery was imminent came when
2 laws abolishing slavery in the territories of Oklahoma, Nebraska, Colorado, and New Mexico
3 were passed; and

4 WHEREAS, In September of that same year, President Lincoln warned the eleven
5 rebellious Confederate States that if they did not return to the Union by January 1, 1863, he
6 would declare their slaves forever free via the celebrated Emancipated Proclamation; and

7 WHEREAS, Enforcement of the Emancipation Proclamation, however, only occurred in
8 Confederate States once they were under Union Army control and Congress subsequently passed
9 the Thirteenth Amendment to the Constitution on January 31, 1865, abolishing slavery
10 throughout the United States and its territories; and

11 WHEREAS, News of this action reached the states at different times, and it was not until
12 June 19th of 1865, that the message of freedom reached the slaves in Texas, Oklahoma,
13 Louisiana, Arkansas, and California; and

14 WHEREAS, Spontaneous celebrations erupted throughout the country when African-
15 Americans learned of their freedom; and

16 WHEREAS, Juneteenth National Freedom Day celebrates the abolishment of slavery
17 with excitement and great joy and is a reminder to all Americans of the status and importance that
18 Americans of African descent hold as American citizens; now, therefore be it

19 RESOLVED, That this Senate of the State of Rhode Island and Providence Plantations
20 hereby urges the citizens of the State of Rhode Island to recognize the historical significance of
