A N A C T

RELATING TO MOTOR AND OTHER VEHICLES -- MOTOR VEHICLE OFFENSES

Introduced By: Senators Sosnowski, and Tikoian

Date Introduced: March 28, 2024

Referred To: Senate Judiciary

(Attorney General)

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 31-27-2 and 31-27-2.1 of the General Laws in Chapter 31-27 entitled
2 "Motor Vehicle Offenses" are hereby amended to read as follows:

3 **31-27-2. Driving under influence of liquor or drugs.**

4 (a) Whoever drives or otherwise operates any vehicle in the state while under the influence
5 of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of
6 title 21, or any combination of these, shall be guilty of a misdemeanor, except as provided in
7 subsection (d)(3), and shall be punished as provided in subsection (d) of this section.

8 (b)(1) Any person charged under subsection (a), whose blood alcohol concentration is eight
9 one-hundredths of one percent (.08%) or more by weight, as shown by a chemical analysis of a
10 blood, breath, or urine sample, shall be guilty of violating subsection (a). This provision shall not
11 preclude a conviction based on other admissible evidence, including the testimony of a drug
12 recognition expert or evaluator, certified pursuant to training approved by the Rhode Island
13 department of transportation office on highway safety. Proof of guilt under this section may also
14 be based on evidence that the person charged was under the influence of intoxicating liquor, drugs,
15 toluene, or any controlled substance defined in chapter 28 of title 21, or any combination of these,
16 to a degree that rendered the person incapable of safely operating a vehicle. The fact that any person
17 charged with violating this section is, or has been, legally entitled to use alcohol or a drug shall not
18 constitute a defense against any charge of violating this section.

19 (2) [Deleted by P.L. 2021, ch. 170, § 1 and P.L. 2021, ch. 171, § 1.]

1 (c) In any criminal prosecution for a violation of subsection (a), evidence as to the amount
2 of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of title 21, or
3 any combination of these, in the defendant's blood at the time alleged as shown by a chemical
4 analysis of the defendant's breath, blood, saliva or urine or other bodily substance, shall be
5 admissible and competent, provided that evidence is presented that the following conditions have
6 been complied with:

7 (1) The defendant has consented to the taking of the test upon which the analysis is made.
8 Evidence that the defendant had refused to submit to the test shall not be admissible unless the
9 defendant elects to testify.

10 (2) A true copy of the report of the test result was hand delivered at the location of the test
11 or mailed within seventy-two (72) hours of the taking of the test to the person submitting to a breath
12 test.

13 (3) Any person submitting to a chemical test of blood, urine, saliva or other body fluids
14 shall have a true copy of the report of the test result mailed to him or her within thirty (30) days
15 following the taking of the test.

16 (4) The test was performed according to methods and with equipment approved by the
17 director of the department of health of the state of Rhode Island and by an authorized individual.

18 (5) Equipment used for the conduct of the tests by means of breath analysis had been tested
19 for accuracy within thirty (30) days preceding the test by personnel qualified as hereinbefore
20 provided, and breathalyzer operators shall be qualified and certified by the department of health
21 within three hundred sixty-five (365) days of the test.

22 (6) The person arrested and charged with operating a motor vehicle while under the
23 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
24 title 21 or any combination of these in violation of subsection (a), was afforded the opportunity to
25 have an additional chemical test. The officer arresting or so charging the person shall have informed
26 the person of this right and afforded him or her a reasonable opportunity to exercise this right, and
27 a notation to this effect is made in the official records of the case in the police department. Refusal
28 to permit an additional chemical test shall render incompetent and inadmissible in evidence the
29 original report.

30 (d)(1)(i) Every person found to have violated subsection (b)(1) shall be sentenced as
31 follows: for a first violation whose blood alcohol concentration is eight one-hundredths of one
32 percent (.08%), but less than one-tenth of one percent (.1%), by weight, or who has a blood presence
33 of any scheduled controlled substance as defined in chapter 28 of title 21, shall be subject to a fine
34 of not less than one hundred dollars (\$100), nor more than three hundred dollars (\$300); shall be

1 required to perform ten (10) to sixty (60) hours of public community restitution, and/or shall be
2 imprisoned for up to one year. The sentence may be served in any unit of the adult correctional
3 institutions in the discretion of the sentencing judge and/or shall be required to attend a special
4 course on driving while intoxicated or under the influence of a controlled substance; provided,
5 however, that the court may permit a servicemember or veteran to complete any court-approved
6 counseling program administered or approved by the Veterans' Administration, and his or her
7 driver's license shall be suspended for thirty (30) days up to one hundred eighty (180) days. The
8 sentencing judge or magistrate may prohibit that person from operating a motor vehicle, pursuant
9 to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition interlock system
10 and/or blood and urine testing as provided in § 31-27-2.8.

11 (ii) Every person convicted of a first violation whose blood alcohol concentration is one-
12 tenth of one percent (.1%) by weight or above, but less than fifteen hundredths of one percent
13 (.15%), or whose blood alcohol concentration is unknown, shall be subject to a fine of not less than
14 one hundred (\$100) dollars, nor more than four hundred dollars (\$400), and shall be required to
15 perform ten (10) to sixty (60) hours of public community restitution and/or shall be imprisoned for
16 up to one year. The sentence may be served in any unit of the adult correctional institutions in the
17 discretion of the sentencing judge. The person's driving license shall be suspended for a period of
18 three (3) months to twelve (12) months. The sentencing judge shall require attendance at a special
19 course on driving while intoxicated or under the influence of a controlled substance and/or
20 alcoholic or drug treatment for the individual; provided, however, that the court may permit a
21 servicemember or veteran to complete any court-approved counseling program administered or
22 approved by the Veterans' Administration. The sentencing judge or magistrate may prohibit that
23 person from operating a motor vehicle that is not equipped with an ignition interlock system as
24 provided in § 31-27-2.8.

26 hundredths of one percent (.15%) or above, or who is under the influence of a drug, toluene, or any
27 controlled substance as defined in subsection (b)(1), shall be subject to a fine of five hundred dollars
28 (\$500) and shall be required to perform twenty (20) to sixty (60) hours of public community
29 restitution and/or shall be imprisoned for up to one year. The sentence may be served in any unit
30 of the adult correctional institutions in the discretion of the sentencing judge. The person's driving
31 license shall be suspended for a period of three (3) months to eighteen (18) months. The sentencing
32 judge shall require attendance at a special course on driving while intoxicated or under the influence
33 of a controlled substance and/or alcohol or drug treatment for the individual; provided, however,
34 that the court may permit a servicemember or veteran to complete any court-approved counseling

1 program administered or approved by the Veterans' Administration. The sentencing judge or
2 magistrate shall prohibit that person from operating a motor vehicle, pursuant to subsection (d)(9)
3 or (d)(10) of this section, that is not equipped with an ignition interlock system and/or blood and
4 urine testing as provided in § 31-27-2.8.

5 (2)(i) Every person convicted of a second violation within a ~~five-year (5)~~ ten-year (10)
6 period with a blood alcohol concentration of eight one-hundredths of one percent (.08%) or above,

8 unknown, or who has a blood presence of any controlled substance as defined in chapter 28 of title
9 21, and every person convicted of a second violation within a ~~five-year (5)~~ ten-year (10) period,
10 regardless of whether the prior violation and subsequent conviction was a violation and subsequent

12 any other state, shall be subject to a mandatory fine of four hundred dollars (\$400). The person's
13 driving license shall be suspended for a period of one year to two (2) years, and the individual shall
14 be sentenced to not less than ten (10) days, nor more than one year, in jail. The sentence may be
15 served in any unit of the adult correctional institutions in the discretion of the sentencing judge;
16 however, not less than forty-eight (48) hours of imprisonment shall be served consecutively. The
17 sentencing judge shall require alcohol or drug treatment for the individual; provided, however, that
18 the court may permit a servicemember or veteran to complete any court-approved counseling
19 program administered or approved by the Veterans' Administration and shall prohibit that person
20 from operating a motor vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not
21 equipped with an ignition interlock system and/or blood and urine testing as provided in § 31-27-
22 2.8.

23 (ii) Every person convicted of a second violation within a ~~five-year (5)~~ ten-year (10) period
24 whose blood alcohol concentration is fifteen hundredths of one percent (.15%) or above, by weight

27 mandatory imprisonment of not less than six (6) months, nor more than one year; a mandatory fine
28 of not less than one thousand dollars (\$1,000); and a mandatory license suspension for a period of
29 two (2) years from the date of completion of the sentence imposed under this subsection. The
30 sentencing judge shall require alcohol or drug treatment for the individual; provided, however, that
31 the court may permit a servicemember or veteran to complete any court approved counseling
32 program administered or approved by the Veterans' Administration. The sentencing judge or
33 magistrate shall prohibit that person from operating a motor vehicle, pursuant to subsection (d)(9)
34 or (d)(10) of this section, that is not equipped with an ignition interlock system and/or blood and

1 urine testing as provided in § 31-27-2.8.

2 (3)(i) Every person convicted of a third or subsequent violation within a ~~five-year (5)~~ ten-
3 year (10) period with a blood alcohol concentration of eight one-hundredths of one percent (.08%)
4 or above, but less than fifteen hundredths of one percent (.15%), or whose blood alcohol
5 concentration is unknown or who has a blood presence of any scheduled controlled substance as
6 defined in chapter 28 of title 21, regardless of whether any prior violation and subsequent
7 conviction was a violation and subsequent conviction under this statute or under the driving under
8 the influence of liquor or drugs statute of any other state, shall be guilty of a felony and be subject
9 to a mandatory fine of four hundred (\$400) dollars. The person's driving license shall be suspended
10 for a period of two (2) years to three (3) years, and the individual shall be sentenced to not less than
11 one year and not more than three (3) years in jail. The sentence may be served in any unit of the
12 adult correctional institutions in the discretion of the sentencing judge; however, not less than forty-
13 eight (48) hours of imprisonment shall be served consecutively. The sentencing judge shall require
14 alcohol or drug treatment for the individual; provided, however, that the court may permit a
15 servicemember or veteran to complete any court-approved counseling program administered or
16 approved by the Veterans' Administration, and shall prohibit that person from operating a motor
17 vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition
18 interlock system and/or blood and urine testing as provided in § 31-27-2.8.

19 (ii) Every person convicted of a third or subsequent violation within a ten-year (10) period
20 whose blood alcohol concentration is fifteen hundredths of one percent (.15%) above by weight as
21 shown by a chemical analysis of a blood, breath, or urine sample, or who is under the influence of

27 treatment for the individual. The sentencing judge or magistrate shall prohibit that person from
28 operating a motor vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not

30 2.8.

31 (iii) In addition to the foregoing penalties, every person convicted of a third or subsequent
32 violation within a ~~five-year (5)~~ ten-year (10) period, regardless of whether any prior violation and
33 subsequent conviction was a violation and subsequent conviction under this statute or under the
34 driving under the influence of liquor or drugs statute of any other state, shall be subject, in the

1 discretion of the sentencing judge, to having the vehicle owned and operated by the violator seized
2 and sold by the state of Rhode Island, with all funds obtained by the sale to be transferred to the
3 general fund.

4 (4) Whoever drives or otherwise operates any vehicle in the state while under the influence
5 of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of
6 title 21, or any combination of these, when his or her license to operate is suspended, revoked, or
7 cancelled for operating under the influence of a narcotic drug or intoxicating liquor, shall be guilty
8 of a felony punishable by imprisonment for not more than three (3) years and by a fine of not more
9 than three thousand dollars (\$3,000). The court shall require alcohol and/or drug treatment for the
10 individual; provided, the penalties provided for in this subsection (d)(4) shall not apply to an
11 individual who has surrendered his or her license and served the court-ordered period of suspension,
12 but who, for any reason, has not had his or her license reinstated after the period of suspension,
13 revocation, or suspension has expired; provided, further, the individual shall be subject to the
14 provisions of subsection (d)(2)(i), (d)(2)(ii), (d)(3)(i), (d)(3)(ii), or (d)(3)(iii) regarding subsequent
15 offenses, and any other applicable provision of this section.

16 (5)(i) For purposes of determining the period of license suspension, a prior violation shall
17 constitute any charge brought and sustained under the provisions of this section or § 31-27-2.1.

18 (ii) Any person over the age of eighteen (18) who is convicted under this section for
19 operating a motor vehicle while under the influence of alcohol, other drugs, or a combination of
20 these, while a child under the age of thirteen (13) years was present as a passenger in the motor
21 vehicle when the offense was committed shall be subject to immediate license suspension pending
22 prosecution. Any person convicted of violating this section shall be guilty of a misdemeanor for a
23 first offense and may be sentenced to a term of imprisonment of not more than one year and a fine
24 not to exceed one thousand dollars (\$1,000). Any person convicted of a second or subsequent
25 offense shall be guilty of a felony offense and may be sentenced to a term of imprisonment of not
26 more than five (5) years and a fine not to exceed five thousand dollars (\$5,000). The sentencing
27 judge shall also order a license suspension of up to two (2) years, require attendance at a special
28 course on driving while intoxicated or under the influence of a controlled substance, and alcohol
29 or drug education and/or treatment. The individual may also be required to pay a highway
30 assessment fee of no more than five hundred dollars (\$500) and the assessment shall be deposited
31 in the general fund.

32 (6)(i) Any person convicted of a violation under this section shall pay a highway
33 assessment fine of five hundred dollars (\$500) that shall be deposited into the general fund. The
34 assessment provided for by this subsection shall be collected from a violator before any other fines

1 authorized by this section.

2 (ii) Any person convicted of a violation under this section shall be assessed a fee of eighty-
3 six dollars (\$86).

4 (7)(i) If the person convicted of violating this section is under the age of eighteen (18)
5 years, for the first violation he or she shall be required to perform ten (10) to sixty (60) hours of
6 public community restitution and the juvenile's driving license shall be suspended for a period of
7 six (6) months, and may be suspended for a period up to eighteen (18) months. The sentencing
8 judge shall also require attendance at a special course on driving while intoxicated or under the
9 influence of a controlled substance and alcohol or drug education and/or treatment for the juvenile.
10 The juvenile may also be required to pay a highway assessment fine of no more than five hundred
11 dollars (\$500) and the assessment imposed shall be deposited into the general fund.

12 (ii) If the person convicted of violating this section is under the age of eighteen (18) years,
13 for a second or subsequent violation regardless of whether any prior violation and subsequent
14 conviction was a violation and subsequent conviction under this statute or under the driving under
15 the influence of liquor or drugs statute of any other state, he or she shall be subject to a mandatory
16 suspension of his or her driving license until such time as he or she is twenty-one (21) years of age
17 and may, in the discretion of the sentencing judge, also be sentenced to the Rhode Island training
18 school for a period of not more than one year and/or a fine of not more than five hundred dollars
19 (\$500).

20 (8) Any person convicted of a violation under this section may undergo a clinical
21 assessment at the community college of Rhode Island's center for workforce and community
22 education. Should this clinical assessment determine problems of alcohol, drug abuse, or
23 psychological problems associated with alcoholic or drug abuse, this person shall be referred to an
24 appropriate facility, licensed or approved by the department of behavioral healthcare,
25 developmental disabilities and hospitals, for treatment placement, case management, and
26 monitoring. In the case of a servicemember or veteran, the court may order that the person be
27 evaluated through the Veterans' Administration. Should the clinical assessment determine
28 problems of alcohol, drug abuse, or psychological problems associated with alcohol or drug abuse,
29 the person may have their treatment, case management, and monitoring administered or approved
30 by the Veterans' Administration.

31 (9) Notwithstanding any other sentencing and disposition provisions contained in this
32 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
33 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
34 substance as evidenced by the presence of controlled substances on or about the person or vehicle,

1 or other reliable indicia or articulable conditions thereof, but not intoxicating liquor based on a
2 preliminary breath test, results from a breathalyzer that indicates no blood alcohol concentration,
3 or both, the judge or magistrate may exercise his or her discretion and eliminate the requirement of
4 an ignition interlock system; provided, that blood and/or urine testing is mandated as a condition
5 to operating a motor vehicle as provided in § 31-27-2.8.

6 (10) Notwithstanding any other sentencing and disposition provisions contained in this
7 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
8 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
9 substance as evidenced by the presence of controlled substances on or about the person or vehicle,
10 or other reliable indicia or articulable conditions thereof and intoxicating liquor based on a
11 preliminary breath test, results from a breathalyzer that indicates blood alcohol concentration, or
12 both, the judge or magistrate may require an ignition interlock system in addition to blood and/or
13 urine testing as a condition to operating a motor vehicle as provided in § 31-27-2.8.

14 (e) Percent by weight of alcohol in the blood shall be based upon milligrams of alcohol per
15 one hundred cubic centimeters (100 cc) of blood.

16 (f)(1) There is established an alcohol and drug safety unit within the division of motor
17 vehicles to administer an alcohol safety action program. The program shall provide for placement
18 and follow-up for persons who are required to pay the highway safety assessment. The alcohol and
19 drug safety action program will be administered in conjunction with alcohol and drug programs
20 licensed by the department of behavioral healthcare, developmental disabilities and hospitals.

21 (2) Persons convicted under the provisions of this chapter shall be required to attend a
22 special course on driving while intoxicated or under the influence of a controlled substance, and/or
23 participate in an alcohol or drug treatment program, which course and programs must meet the
24 standards established by the Rhode Island department of behavioral healthcare, developmental
25 disabilities and hospitals; provided, however, that the court may permit a servicemember or veteran
26 to complete any court-approved counseling program administered or approved by the Veterans'
27 Administration. The course shall take into consideration any language barrier that may exist as to
28 any person ordered to attend, and shall provide for instruction reasonably calculated to
29 communicate the purposes of the course in accordance with the requirements of the subsection.
30 Any costs reasonably incurred in connection with the provision of this accommodation shall be
31 borne by the person being retrained. A copy of any violation under this section shall be forwarded
32 by the court to the alcohol and drug safety unit. In the event that persons convicted under the
33 provisions of this chapter fail to attend and complete the above course or treatment program, as
34 ordered by the judge, then the person may be brought before the court, and after a hearing as to

1 why the order of the court was not followed, may be sentenced to jail for a period not exceeding
2 one year.

3 (3) The alcohol and drug safety action program within the division of motor vehicles shall
4 be funded by general revenue appropriations.

5 (g) The director of the department of health is empowered to make and file with the
6 secretary of state regulations that prescribe the techniques and methods of chemical analysis of the
7 person's body fluids or breath and the qualifications and certification of individuals authorized to
8 administer this testing and analysis.

9 (h) Jurisdiction for misdemeanor violations of this section shall be with the district court
10 for persons eighteen (18) years of age or older and to the family court for persons under the age of
11 eighteen (18) years. The courts shall have full authority to impose any sentence authorized and to
12 order the suspension of any license for violations of this section. Trials in superior court are not
13 required to be scheduled within thirty (30) days of the arraignment date.

14 (i) No fines, suspensions, assessments, alcohol or drug treatment programs, course on
15 driving while intoxicated or under the influence of a controlled substance, public community
16 restitution, or jail provided for under this section can be suspended.

17 (j) An order to attend a special course on driving while intoxicated, that shall be
18 administered in cooperation with a college or university accredited by the state, shall include a
19 provision to pay a reasonable tuition for the course in an amount not less than twenty-five dollars
20 (\$25.00), and a fee of one hundred seventy-five dollars (\$175), which fee shall be deposited into
21 the general fund.

22 (k) For the purposes of this section, any test of a sample of blood, breath, or urine for the
23 presence of alcohol that relies in whole or in part upon the principle of infrared light absorption is
24 considered a chemical test.

25 (l) If any provision of this section, or the application of any provision, shall for any reason
26 be judged invalid, such a judgment shall not affect, impair, or invalidate the remainder of the
27 section, but shall be confined in this effect to the provision or application directly involved in the
28 controversy giving rise to the judgment.

29 (m) For the purposes of this section, "servicemember" means a person who is presently
30 serving in the armed forces of the United States, including the Coast Guard, a reserve component
31 thereof, or the National Guard. "Veteran" means a person who has served in the armed forces,
32 including the Coast Guard of the United States, a reserve component thereof, or the National Guard,
33 and has been discharged under other than dishonorable conditions.

34 **31-27-2.1. Refusal to submit to chemical test.**

1 (a) Any person who operates a motor vehicle within this state shall be deemed to have
2 given his or her consent to chemical tests of his or her breath, blood, saliva and/or urine for the
3 purpose of determining the chemical content of his or her body fluids or breath. No more than two
4 (2) complete tests, one for the presence of intoxicating liquor and one for the presence of toluene
5 or any controlled substance, as defined in § 21-28-1.02, shall be administered at the direction of a
6 law enforcement officer having reasonable grounds to believe the person to have been driving a
7 motor vehicle within this state while under the influence of intoxicating liquor, toluene, or any
8 controlled substance, as defined in chapter 28 of title 21, or any combination of these. The director
9 of the department of health is empowered to make and file, with the secretary of state, regulations
10 that prescribe the techniques and methods of chemical analysis of the person's body fluids or breath
11 and the qualifications and certification of individuals authorized to administer the testing and
12 analysis.

13 (b) If a person, for religious or medical reasons, cannot be subjected to blood tests, the
14 person may file an affidavit with the division of motor vehicles stating the reasons why he or she
15 cannot be required to take blood tests and a notation to this effect shall be made on his or her
16 license. If that person is asked to submit to chemical tests as provided under this chapter, the person
17 shall only be required to submit to chemical tests of his or her breath, saliva or urine. When a person
18 is requested to submit to blood tests, only a physician or registered nurse, or a medical technician
19 certified under regulations promulgated by the director of the department of health, may withdraw
20 blood for the purpose of determining the alcoholic content in it. This limitation shall not apply to
21 the taking of breath, saliva or urine specimens. The person tested shall be permitted to have a
22 physician of his or her own choosing, and at his or her own expense, administer chemical tests of
23 his or her breath, blood, saliva and/or urine in addition to the tests administered at the direction of
24 a law enforcement officer. If a person, having been placed under arrest, refuses upon the request of
25 a law enforcement officer to submit to the tests, as provided in § 31-27-2, none shall be given.

26 (1) At the initial traffic tribunal appearance, the magistrate shall review the incident, action,
27 and/or arrest reports submitted by the law enforcement officer to determine if there exists
28 reasonable grounds to believe that the person had been driving a motor vehicle while under the
29 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
30 title 21, or any combination thereof. The magistrate shall also determine if the person had been
31 informed of the penalties incurred as a result of failing to submit to a chemical test as provided in
32 this section and that the person had been informed of the implied consent notice contained in
33 subsection (c)(10) of this section. For the purpose of this subsection only, "driving a motor vehicle
34 while under the influence of any controlled substance as defined in chapter 28 of title 21" shall be

1 indicated by the presence or aroma of a controlled substance on or about the person or vehicle of
2 the individual refusing the chemical test or other reliable indicia or articulable conditions that the
3 person was impaired due to their intake of a controlled substance.

4 (2) If the magistrate determines that subsection (b)(1) of this section has been satisfied they
5 shall promptly order that the person's operator's license or privilege to operate a motor vehicle in
6 this state be immediately suspended. Said suspension shall be subject to the hardship provisions
7 enumerated in § 31-27-2.8.

8 (c) A traffic tribunal judge or magistrate, or a district court judge or magistrate, pursuant
9 to the terms of subsection (d) of this section, shall order as follows:

10 (1) Impose, for the first violation, a fine in the amount of two hundred dollars (\$200) to
11 five hundred dollars (\$500) and shall order the person to perform ten (10) to sixty (60) hours of
12 public community restitution. The person's driving license in this state shall be suspended for a
13 period of six (6) months to one year. The traffic tribunal judge or magistrate shall require attendance
14 at a special course on driving while intoxicated or under the influence of a controlled substance
15 and/or alcohol or drug treatment for the individual. The traffic tribunal judge or magistrate may
16 prohibit that person from operating a motor vehicle that is not equipped with an ignition interlock
17 system and/or blood and urine testing as provided in § 31-27-2.8.

18 (2) Every person convicted of a second violation within a ~~five-year (5)~~ ten-year (10) period,
19 except with respect to cases of refusal to submit to a blood test, shall be guilty of a misdemeanor;
