2024 South Dakota Legislature

House Bill 1236

Introduced by: Representative Jensen (Kevin)

An Act to recognize students as Rushmore State Athletes upon demonstrating prescribed levels of physical fitness.

- 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:
- 4 Section 1. That chapter 13-33 be amended with a NEW SECTION:

Each school district, in implementing the physical education standards applicable to students in kindergarten through grade twelve, must make available to students a recognition program under which a student may request an annual evaluation of the student's fitness level.

If a student demonstrates an outstanding level of fitness, by scoring at or above eighty-five percent on at least five fitness tests, appropriate to the student's grade level and physical ability, and administered by the student's school, the student must be named a Rushmore State Athlete and receive a fitness award consisting of a year-specific commemorative pin or certificate.

The Department of Education shall, by rule promulgated in accordance with chapter 1-26, set forth:

- (1) The fitness tests to be administered;
- (2) The time, place, and manner in which the tests must be administered; and
- 18 (3) The level of fitness to be demonstrated in order for a student to receive a fitness
 19 award.

<u>Each school district shall designate the staff member responsible for administering the Rushmore State Athlete award within each school.</u>

The department may accept and distribute privately donated commemorative pins for purposes of this Act or provide certificates to students.
