AN ACT to amend Tennessee Code Annotated, Title 55, Chapter 4, relative to registration of boat trailers.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-4-201(8), is amended by adding the language "boat dealer," between the language "special event," and "United States house of representatives,".

SECTION 2. Tennessee Code Annotated, Section 55-4-226, is amended by adding the following as a new subsection (f) and redesignating existing subsection (f) accordingly:

(f)(1) Registration plates issued under this subsection (f) may only be issued to manufacturers and dealers of boats as provided for in this subsection (f).

(2) A person may operate a boat trailer for hire upon any highway within this state without registering the boat trailer, if the boat trailer is operated solely for the purpose of delivery of a boat to a customer of a manufacturer or dealer of boats and the boat trailer displays a special purpose boat dealer plate issued to the manufacturer or dealer as prescribed in this subsection (f).

(3) Any dealer or manufacturer of boats who hires individuals who own or operate boat trailers to deliver boats to the dealer's or manufacturer's customers may make, either in person or through a duly authorized agent, employee, or lessee, application to any county clerk within the state, upon appropriate forms for a certificate and for one (1) or more special purpose boat dealer plates.

(4) The boat dealer plates must be of a different color than the auto dealer and special event plates issued in the state for the particular year in question and must have the legend "TENN" at the top of the plate and must have "boat dealer" at the bottom of the plate. The legend must contain the letters "BD" and five (5) numbers.

(5) The fee for the first plate is forty-seven dollars and thirty cents (\$47.30), and the fee for any plates in addition to the first plate is twenty-three dollars and sixty-five cents (\$23.65) for each additional plate. A dealer or manufacturer of boats shall not purchase more than two hundred twenty-five (225) boat dealer plates during a twelve-month period.

(6) The county clerk, upon granting an application, shall issue to the applicant, upon the payment of the appropriate fee, a certificate containing the applicant's name and address.

(7) The special purpose boat dealer plates issued under this subsection (f) expire on May 31 of each year, and a new plate or plates for the ensuing year may be obtained by the person to whom the expired plate or plates were issued upon application to the registrar of motor vehicles, or the registrar's deputy as provided by law. Issuance of the plates begins May 1 of each year, upon payment of the fee provided by law, and proof by the applicant that the applicant is still engaged in business as a manufacturer or dealer of boats.

SECTION 3. This act shall take effect July 1, 2020, the public welfare requiring it.
