IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 28, 2019

Mr. MCNERNEY (for himself, Ms. BARRAGÁN, Ms. JUDY CHU of California, Mr. RUSH, and Mr. YOUNG) introduced the following bill; which was referred to the Committee on Financial Services, and in addition to the Committee on Small Business, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To establish a Minority Business Development Administration in the Department of Commerce, to clarify the relationship between such Administration and the Small Business Administration, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Minority Business De-
5 velopment Act of 2019”.

1 **SEC. 2. FINDINGS AND PURPOSE.**

2 (a) FINDINGS.—The Congress finds that—

3 (1) the opportunity for full participation in our
4 free enterprise system by socially and economically
5 disadvantaged individuals is essential if we are to
6 obtain social and economic equality for such individ-
7 uals and improve the functioning of our national
8 economy;

9 (2) many such individuals are socially disadvan-
10 taged because of their identification as members of
11 certain groups that have suffered the effects of dis-
12 criminatory practices or similar invidious cir-
13 cumstances over which they have no control;

14 (3) such groups include, but are not limited to,
15 African Americans, Hispanic Americans, Native
16 Americans, Asian Pacific Americans, Asian Indian
17 Americans, and other minorities;

18 (4) it is in the national interest to expeditiously
19 ameliorate the conditions of socially and economi-
20 cally disadvantaged groups;

21 (5) such conditions can be improved by pro-
22 viding the maximum practicable opportunity for the
23 development of business concerns owned by members
24 of socially and economically disadvantaged groups;

25 (6) such opportunity cannot be fully realized
26 unless the Federal Government secures the partici-

1 pation and cooperation of the private sector in a
2 joint effort to promote the development of business
3 owned by disadvantaged individuals;

4 (7) such effort will result in a more equitable
5 share of productive resources being devoted to busi-
6 ness owned by the disadvantaged and will promote
7 a balanced economy and increased competition;

8 (8) while other Federal agencies focus on
9 broader demographic and emerging businesses,
10 MBDA focuses exclusively on the unique needs of
11 minority-owned businesses and enhancing the capac-
12 ity and reach of medium and large scale minority-
13 owned firms; and

14 (9) MBDA's national network of business cen-
15 ters is critical to assisting minority-owned businesses
16 gain access to capital, contracts, and new markets
17 through public-private engagement. Therefore, Con-
18 gress must continue to invest in the MBDA business
19 centers, as they provide direct services to minority-
20 owned businesses.

21 (b) PURPOSE.—It is, therefore, the purpose of this
22 Act to—

23 (1) establish an Administration within the De-
24 partment of Commerce which will promote and ad-
25 minister programs in the private and public sectors

1 to assist the development of business owned by the
2 disadvantaged; and

3 (2) achieve such development through the con-
4 duct of programs which will result in increased ac-
5 cess to skilled labor, capital, management, and tech-
6 nology by such business.
