To respond to the extreme fire hazard and unsafe conditions resulting from pine beetle infestation, drought, disease, or storm damage by declaring a state of emergency and directing the Secretary of Agriculture to immediately implement hazardous fuels reduction projects in the manner provided in title I of the Healthy Forests Restoration Act of 2003, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “National Forest Emer-
3 gency Response Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that—

6 (1) forest health and human safety in certain
7 national forests have deteriorated dangerously due to
8 pine beetle infestation, disease, storm damage, and
9 drought; and

10 (2) the resulting fire hazard in those national
11 forests endangers adjacent communities, ranches,
12 State parks, and several units of the National Park
13 System and poses a significant threat to the eco-
14 nomic stability of surrounding areas and the health,
15 safety, and well-being of residents and visitors to
16 those areas.

17 **SEC. 3. DEFINITIONS.**

18 In this Act:

19 (1) **DESIGNATED NATIONAL FOREST.**—The

10 of devastating wildfire that poses a significant threat to
11 the economic stability of surrounding areas and the health,
12 safety, and well-being of residents, firefighters, and visi-
13 tors to the areas, Congress declares that the fire hazard
14 and human endangerment in those national forests des-
15 ignated by the Secretary under subsection (b) constitute
16 emergency circumstances.

17 (b) DESIGNATIONS.—

18 (1) IN GENERAL.—Not later than 60 days after
19 the date of enactment of this Act, the Secretary
20 shall designate not less than 1 national forest in
21 each applicable State that is experiencing conditions
22 that constitute emergency circumstances due to pine
23 beetle infestation, drought, disease, or storm damage
24 and the resulting imminent risk of devastating wild-

1 stability of surrounding areas and the health, safety,
2 and well-being of residents, firefighters, and visitors
3 to the areas.
