#### 112TH CONGRESS 1ST SESSION

# H. R. 1931

To authorize the Secretary of the Interior, in consultation with the Groundwork USA national office, to provide grants to certain nonprofit organizations.

#### IN THE HOUSE OF REPRESENTATIVES

May 13, 2011

Ms. Tsongas (for herself, Mr. Frank of Massachusetts, Mr. Payne, Mr. McGovern, and Mr. Olver) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committees on Natural Resources and Financial Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

## A BILL

To authorize the Secretary of the Interior, in consultation with the Groundwork USA national office, to provide grants to certain nonprofit organizations.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Groundwork USA
- 5 Trust Act of 2011".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds that—

- 1 (1) locally organized and controlled entities that
  2 are linked together through a national program of3 fice have the ability to lead cost-effective projects
  4 and programs that are responsive to community
  5 needs and essential to improving the local environ6 ment, economy, and quality of life;
  - (2) local community involvement with how land is being used is an essential component to the economic success of a neighborhood;
  - (3) underutilized and neglected vacant lands significantly erode nearby property values and burden municipal tax bases;
  - (4) landscaping and maintenance, especially when local citizens are involved in the process, decreases negative stigma and generates civic pride, which in turn significantly reduces vandalism and illicit activities typically associated with idle lands;
  - (5) cleaning, landscaping, and tree planting within vacant and abandoned land and brownfields adds economic value to a community through increased occupancy rates, and improved sales appeal of nearby residential and commercial real estate; and
  - (6) the transformation of idle lands and brownfields into cleaner, greener, community assets

1	has been exemplified by a network of federally
2	backed Groundwork USA Trusts for over 8 years.
3	SEC. 3. DEFINITIONS.
4	In this Act:
5	(1) Brownfields.—The term brownfields
6	means real property, the expansion, redevelopment
7	or reuse of which may be complicated by the pres-
8	ence or potential presence of a hazardous substance
9	pollutant, or contaminant.
10	(2) ELIGIBLE ORGANIZATION.—The term eligi-
11	ble organization means a—
12	(A) nonprofit organization that applies for
13	a grant award under section 4(b) to establish a
14	Ground USA Trust; and
15	(B) Groundwork USA Trust.
16	(3) Groundwork usa national office.—
17	The term Groundwork USA national office means
18	the independent, nonprofit, environmental business
19	incorporated under the laws of the State of New
20	York, which overseas and creates a link between
21	local Groundwork USA Trust offices.
22	(4) Groundwork usa trust.—The term
23	Groundwork USA Trust means an independent

nonprofit, environmental organization that works

- with communities to improve their environment, economy, and quality of life through local action.
- 3 (5) Nonprofit organization.—The term 4 nonprofit organization means an organization that is 5 described in section 501(c)(3) of the Internal Rev-6 enue Code of 1986 and is exempt from tax under
- 7 section 501(a) of such Code.
- 8 (6) SECRETARY.—The term Secretary means 9 the Secretary of the Interior.
- 10 SEC. 4. ESTABLISHMENT OF GROUNDWORK USA TRUST
- PROGRAM.
- 12 (a) AUTHORIZATION OF GRANT PROGRAM.—The
- 13 Secretary, in consultation with the Groundwork USA na-
- 14 tional office, is authorized to award grants to eligible orga-
- 15 nizations.
- 16 (b) APPLICATION.—An eligible organization desiring
- 17 a grant under the program shall submit an application to
- 18 the Secretary at such time, in such manner, and con-
- 19 taining such information as the Secretary, in consultation
- 20 with the Groundwork USA national office, may require.
- 21 SEC. 5. CRITERIA FOR SELECTION.
- Each grant award provided under section 4(a) shall
- 23 be made on the basis of the quality of the application sub-
- 24 mitted, taking into consideration such factors as the fol-
- 25 lowing:

- 1 (1) The population and demographics of the 2 community and the environmental, community, or 3 economic development issues which an eligible entity 4 could help address.
  - (2) The level of experience with community and environmental improvement activities of an eligible organization and the role such organization will play in the implementation of Groundwork USA Trust activities.
  - (3) The level in which the community or local government in which the eligible organization is based is a current or past recipient of funding or assistance from the EPA Brownfields Program and demonstrated success in those efforts.
  - (4) The level in which the eligible organization has partnered with the National Park Service and demonstrated success in those efforts.
  - (5) The level of community interest and commitment to learn about, evaluate, and partner with a Groundwork USA Trust.
  - (6) The number and level of opportunities to improve the local environment for conservation, recreation, and economic development, including:
- 24 (A) The potential to facilitate the creation, 25 improvement, and stewardship of parks, green-

1	ways, open space, and nature reserves and in-
2	crease opportunities for recreation, conserva-
3	tion, food security, environmental education,
4	and other environmental improvements in com-
5	munities impacted by brownfields.
6	(B) The potential to stimulate economic
7	and environmental rejuvenation of communities
8	impacted by brownfield issues.
9	(C) The potential to increase the capacity
10	of communities with limited means to improve
11	their environment, economy, and quality of life.
12	(D) The potential to engage the local com-
13	munity in the planning and development of
14	projects and programs to improve its local envi-
15	ronment, including the assessment, cleanup,
16	and reuse of brownfield sites for parks, recre-
17	ation facilities, nature areas, gardens, trails,
18	and other community benefits.
19	(E) The potential to contribute to the use
20	or reuse of existing infrastructure.
21	(7) The ability to address the issue of
22	brownfields in the community or target area, includ-
23	ing:
24	(A) The potential to leverage or stimulate
25	funds from other sources to support the assess-

1	ment and remediation of brownfields and their
2	reuse for parks, recreation facilities, nature
3	areas, and other community benefits.
4	(B) The potential to engage the local com-
5	munity in the planning and implementation or
6	projects and programs to assess, cleanup, and
7	reuse brownfields for parks, recreation facilities
8	nature areas, and other community benefits.
9	(C) The potential to help reduce the
10	threats to human health and the local environ-
11	ment associated with the presence of hazardous
12	substances, pollutants, or contaminants.
13	(D) The potential to help address or facili-
14	tate the identification and reduction of threats
15	to the health and welfare of populations at risk
16	SEC. 6. USE OF FUNDS.
17	A grant award provided under the program may be
18	used to—
19	(1) provide training, research, and technical as-
20	sistance to individuals and organizations, as appro-
21	priate, to facilitate the inventory of brownfield sites
	site assessments, remediation of brownfield sites
22	sice assessments, remediation of browning sites
<ul><li>22</li><li>23</li></ul>	community involvement, or site preparation;

prove and care for their local environment;

1	(3) reclaim vacant and derelict lands for con-
2	servation, recreation, and economic development;
3	(4) clean up and care for neglected areas to sig-
4	nal community pride and rejuvenation;
5	(5) return brownfields to economically produc-
6	tive use while restoring blighted landscapes with
7	healthy environments;
8	(6) integrate environmental education, food se-
9	curity, health and fitness, resource management,
10	and job training;
11	(7) encourage businesses, local governments,
12	nonprofits, and communities to work together for
13	sustainable environmental care and enhancement;
14	(8) support businesses, local governments, non-
15	profits, and communities in efforts to improve their
16	local environment;
17	(9) raise the profile of urban environmental im-
18	provements as part of a comprehensive approach to
19	smart growth strategies and rejuvenation of inner
20	city communities;
21	(10) acquire real property and buildings to re-
22	habilitate and improve upon for the local community
23	and perform maintenance on such property and
24	buildings, including mowing, irrigating, landscaping,

painting, and providing structural repairs;

- 1 (11) expand operations and locations of offices 2 to benefit a larger geographic area, and increase 3 staff;
- 4 (12) develop information systems and utilize 5 such systems for community- and regional-based re-6 search and data dissemination; and
- 7 (13) develop programs that encourage regional 8 and national partnering with other environmental or-9 ganizations.

#### 10 SEC. 7. MAXIMUM GRANT AWARD.

- 11 A grant award under the program shall not exceed
- 12 \$400,000 for any fiscal year.

#### 13 SEC. 8. LIMITATION ON ADMINISTRATIVE COSTS.

- 14 The Secretary may reserve not more than 15 percent
- 15 of the amount made available under this Act to carry out
- 16 the program in a fiscal year for administrative costs, in-
- 17 cluding managing, administering, and assisting with tech-
- 18 nical support of operations for national and local Ground-
- 19 work USA offices.

#### 20 SEC. 9. ANNUAL REPORT.

- 21 Each grant recipient shall submit to the Secretary
- 22 and the national Groundwork USA national office an an-
- 23 nual report at such time, in such manner, and containing
- 24 such information as the Secretary, in consultation with the
- 25 Groundwork USA national office, may require.

### SEC. 10. AUTHORIZATION OF APPROPRIATIONS.

- 2 There are authorized to be appropriated to carry out
- 3 the program  $\$15,\!000,\!000$  for each of the fiscal years 2012

4 through 2017.
