

112TH CONGRESS  
1ST SESSION

# H. R. 2405

---

## AN ACT

To reauthorize certain provisions of the Public Health Service Act and the Federal Food, Drug, and Cosmetic Act relating to public health preparedness and countermeasure development, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

2 (a) SHORT TITLE.—This Act may be cited as the  
3 “Pandemic and All-Hazards Preparedness Reauthoriza-  
4 tion Act of 2011”.

5 (b) TABLE OF CONTENTS.—The table of contents for  
6 this Act is as follows:

- Sec. 1. Short title; table of contents.
- Sec. 2. Reauthorization of certain provisions relating to public health preparedness.
- Sec. 3. Temporary redeployment of personnel during a public health emergency.
- Sec. 4. Coordination by Assistant Secretary for Preparedness and Response.
- Sec. 5. Eliminating duplicative Project Bioshield reports.
- Sec. 6. Authorization for medical products for use in emergencies.
- Sec. 7. Additional provisions related to medical products for emergency use.
- Sec. 8. Products held for emergency use.
- Sec. 9. Accelerate countermeasure development by strengthening FDA’s role in reviewing products for national security priorities.

7 **SEC. 2. REAUTHORIZATION OF CERTAIN PROVISIONS RE-**  
8 **LATING TO PUBLIC HEALTH PREPAREDNESS.**

9 (a) VACCINE TRACKING AND DISTRIBUTION.—Sub-  
10 section (e) of section 319A of the Public Health Service  
11 Act (42 U.S.C. 247d–1) is amended by striking “such  
12 sums for each of fiscal years 2007 through 2011” and  
13 inserting “\$30,800,000 for each of fiscal years 2012  
14 through 2016”.

15 (b) IMPROVING STATE AND LOCAL PUBLIC HEALTH  
16 SECURITY.—Effective on October 1, 2011, section 319C–  
17 1 of the Public Health Service Act (42 U.S.C. 247d–3a)  
18 is amended—

19 (1) in subsection (b)(2)(A)—

1 (A) in clause (iv), by striking “and” at the  
2 end;

3 (B) in clause (v), by adding “and” at the  
4 end; and

5 (C) by adding at the end the following:

6 “(vi) a description of any activities  
7 that such entity will use to analyze real-  
8 time clinical specimens for pathogens of  
9 public health or bioterrorism significance,  
10 including any utilization of poison control  
11 centers;”;

12 (2) in subsection (f)—

13 (A) in paragraph (2), by inserting “and”  
14 at the end;

15 (B) in paragraph (3), by striking “; and”  
16 and inserting a period; and

17 (C) by striking paragraph (4);

18 (3) by striking subsection (h); and

19 (4) in subsection (i)—

20 (A) in paragraph (1)—

21 (i) by amending subparagraph (A) to  
22 read as follows:

23 “(A) IN GENERAL.—For the purpose of  
24 carrying out this section, there is authorized to

1 be appropriated \$632,900,000 for each of fiscal  
2 years 2012 through 2016.”; and

3 (ii) by striking subparagraph (B); and

4 (B) in subparagraphs (C) and (D) of para-  
5 graph (3), by striking “(1)(A)(i)(I)” each place  
6 it appears and inserting “(1)(A)”.

7 (c) PARTNERSHIPS FOR STATE AND REGIONAL HOS-  
8 PITAL PREPAREDNESS TO IMPROVE SURGE CAPACITY.—  
9 Section 319C–2 of the Public Health Service Act (42  
10 U.S.C. 247d–3b) is amended—

11 (1) in subsection (a), by inserting “, including  
12 capacity and preparedness to address the needs of  
13 pediatric and other at-risk populations” before the  
14 period at the end;

15 (2) in subsection (i)—

16 (A) by striking “The requirements of” and  
17 inserting the following:

18 “(1) IN GENERAL.—The requirements of”; and

19 (B) by adding at the end the following:

20 “(2) MEETING GOALS OF NATIONAL HEALTH  
21 SECURITY STRATEGY.—The Secretary shall imple-  
22 ment objective, evidence-based metrics to ensure that  
23 entities receiving awards under this section are  
24 meeting, to the extent practicable, the goals of the

1 National Health Security Strategy under section  
2 2802.”; and

3 (3) by amending subsection (j)(1) to read as  
4 follows:

5 “(1) IN GENERAL.—For purposes of carrying  
6 out this section, there is authorized to be appro-  
7 priated \$378,000,000 for each of fiscal years 2012  
8 through 2016.”.

9 (d) CDC PROGRAMS FOR COMBATING PUBLIC  
10 HEALTH THREATS.—Section 319D of the Public Health  
11 Service Act (42 U.S.C. 247d–4) is amended—

12 (1) by striking subsection (e); and

13 (2) in subsection (g), by striking “such sums as  
14 may be necessary in each of fiscal years 2007  
15 through 2011” and inserting “\$160,121,000 for  
16 each of fiscal years 2012 through 2016”.

17 (e) DENTAL EMERGENCY RESPONDERS: PUBLIC  
18 HEALTH AND MEDICAL RESPONSE.—

19 (1) ALL-HAZARDS PUBLIC HEALTH AND MED-  
20 ICAL RESPONSE CURRICULA AND TRAINING.—Sec-  
21 tion 319F(a)(5)(B) of the Public Health Service Act  
22 (42 U.S.C. 247d–6(a)(5)(B)) is amended by striking  
23 “public health or medical” and inserting “public  
24 health, medical, or dental”.

1           (2) NATIONAL HEALTH SECURITY STRATEGY.—  
2           Section 2802(b)(3) of the Public Health Service Act  
3           (42 U.S.C. 300hh–1(b)(3)) is amended—

4                   (A) in the matter preceding subparagraph  
5                   (A), by inserting “and which may include den-  
6                   tal health facilities” after “mental health facili-  
7                   ties”; and

8                   (B) in subparagraph (D), by inserting  
9                   “(which may include dental health assets)”  
10                  after “medical assets”.

11          (f) PROCUREMENT OF COUNTERMEASURES.—

12                  (1) CONTRACT TERMS.—Subclause (IX) of sec-  
13                  tion 319F–2(c)(7)(C)(ii) of the Public Health Serv-  
14                  ice Act (42 U.S.C. 247d–6b(c)(7)(C)(ii)) is amended  
15                  to read as follows:

16                                  “(IX) CONTRACT TERMS.—The  
17                                  Secretary, in any contract for procure-  
18                                  ment under this section—

19    “(aa) may specify—

20    “(AA) the dosing and  
21    administration requirements  
22    for countermeasures to be  
23    developed and procured;

24    “(BB) the amount of  
25    funding that will be dedi-

1 cated by the Secretary for  
2 development and acquisition  
3 of the countermeasure; and

4 “(CC) the specifications  
5 the countermeasure must  
6 meet to qualify for procure-  
7 ment under a contract under  
8 this section; and

9 “(bb) shall provide a clear  
10 statement of defined Government  
11 purpose limited to uses related to  
12 a security countermeasure, as de-  
13 fined in paragraph (1)(B).”.

14 (2) REAUTHORIZATION OF THE SPECIAL RE-  
15 SERVE FUND.—Section 319F–2 of the Public Health  
16 Service Act (42 U.S.C. 247d–6b) is amended—

17 (A) in subsection (c)—

18 (i) by striking “special reserve fund  
19 under paragraph (10)” each place it ap-  
20 pears and inserting “special reserve fund  
21 as defined in subsection (g)(5)”; and

22 (ii) by striking paragraphs (9) and  
23 (10); and

24 (B) by adding at the end the following:

25 “(g) SPECIAL RESERVE FUND.—

1           “(1) AUTHORIZATION OF APPROPRIATIONS.—In  
2           addition to amounts appropriated to the special re-  
3           serve fund prior to the date of the enactment of this  
4           subsection, there is authorized to be appropriated,  
5           for the procurement of security countermeasures  
6           under subsection (c) and for carrying out section  
7           319L (relating to the Biomedical Advanced Research  
8           and Development Authority), \$2,800,000,000 for the  
9           period of fiscal years 2014 through 2018. Amounts  
10          appropriated pursuant to the preceding sentence are  
11          authorized to remain available until September 30,  
12          2019.

13          “(2) NOTICE OF INSUFFICIENT FUNDS.—Not  
14          later than 15 days after any date on which the Sec-  
15          retary determines that the amount of funds in the  
16          special reserve fund available for procurement is less  
17          than \$1,500,000,000, the Secretary shall submit to  
18          the Committee on Energy and Commerce of the  
19          House of Representatives and the Committee on  
20          Health, Education, Labor, and Pensions of the Sen-  
21          ate a report detailing the amount of such funds  
22          available for procurement and the impact such fund-  
23          ing will have—

24                  “(A) in meeting the security counter-  
25                  measure needs identified under this section; and

1           “(B) on the annual Countermeasure Imple-  
2           mentation Plan under section 2811(d).

3           “(3) USE OF SPECIAL RESERVE FUND FOR AD-  
4           VANCED RESEARCH AND DEVELOPMENT.—The Sec-  
5           retary may utilize not more than 30 percent of the  
6           amounts authorized to be appropriated under para-  
7           graph (1) to carry out section 319L (related to the  
8           Biomedical Advanced Research and Development  
9           Authority). Amounts authorized to be appropriated  
10          under this subsection to carry out section 319L are  
11          in addition to amounts otherwise authorized to be  
12          appropriated to carry out such section.

13          “(4) RESTRICTIONS ON USE OF FUNDS.—  
14          Amounts in the special reserve fund shall not be  
15          used to pay—

16                 “(A) costs other than payments made by  
17                 the Secretary to a vendor for advanced develop-  
18                 ment (under section 319L) or for procurement  
19                 of a security countermeasure under subsection  
20                 (c)(7); and

21                 “(B) any administrative expenses, includ-  
22                 ing salaries.

23          “(5) DEFINITION.—In this section, the term  
24          ‘special reserve fund’ means the ‘Biodefense Coun-  
25          termeasures’ appropriations account, any appropria-

1       tion made available pursuant to section 521(a) of  
2       the Homeland Security Act of 2002, and any appro-  
3       priation made available pursuant to paragraph (1) of  
4       this paragraph.”.

5       (g) EMERGENCY SYSTEM FOR ADVANCE REGISTRA-  
6       TION OF VOLUNTEER HEALTH PROFESSIONALS.—Section  
7       319I(k) of the Public Health Service Act (42 U.S.C.  
8       247d–7b(k)) is amended by striking “are authorized to be  
9       appropriated \$2,000,000 for fiscal year 2002, and such  
10      sums as may be necessary for each of the fiscal years 2003  
11      through 2011” and inserting “is authorized to be appro-  
12      priated \$5,900,000 for each of fiscal years 2012 through  
13      2016”.

14      (h) BIOMEDICAL ADVANCED RESEARCH AND DEVEL-  
15      OPMENT AUTHORITY.—

16           (1) TRANSACTION AUTHORITIES.—Section  
17      319L(c)(5) of the Public Health Service Act (42  
18      U.S.C. 247d–7e(c)(5)) is amended by adding at the  
19      end the following:

20                   “(G) GOVERNMENT PURPOSE.—In award-  
21      ing contracts, grants, and cooperative agree-  
22      ments under this section, the Secretary shall  
23      provide a clear statement of defined Govern-  
24      ment purpose related to activities included in  
25      subsection (a)(6)(B) for a qualified counter-

1 measure or qualified pandemic or epidemic  
2 product.”.

3 (2) BIODEFENSE MEDICAL COUNTERMEASURE  
4 DEVELOPMENT FUND.—Paragraph (2) of section  
5 319L(d) of the Public Health Service Act (42 U.S.C.  
6 247d–7e(d)) is amended to read as follows:

7 “(2) FUNDING.—To carry out the purposes of  
8 this section, there is authorized to be appropriated  
9 to the Fund \$415,000,000 for each of fiscal years  
10 2012 through 2016, the amounts to remain available  
11 until expended.”.

12 (3) CONTINUED INAPPLICABILITY OF CERTAIN  
13 PROVISIONS.—Section 319L(e)(1)(C) of the Public  
14 Health Service Act (42 U.S.C. 247d–7e(e)(1)(C)) is  
15 amended by striking “the date that is 7 years after  
16 the date of enactment of the Pandemic and All-Haz-  
17 ards Preparedness Act” and inserting “September  
18 30, 2016”.

19 (i) NATIONAL DISASTER MEDICAL SYSTEM.—Section  
20 2812 of the Public Health Service Act (42 U.S.C. 300hh–  
21 11) is amended—

22 (1) in subsection (a)(3), by adding at the end  
23 the following:

24 “(D) ADMINISTRATION.—The Secretary  
25 may determine and pay claims for reimburse-

1           ment for services under subparagraph (A) di-  
2           rectly or by contract providing for payment in  
3           advance or by way of reimbursement.”; and

4           (2) in subsection (g), by striking “such sums as  
5           may be necessary for each of the fiscal years 2007  
6           through 2011” and inserting “\$56,000,000 for each  
7           of fiscal years 2012 through 2016”.

8           (j) NATIONAL HEALTH SECURITY STRATEGY  
9           TIMELINE.—Section 2802(a)(1) of the Public Health  
10          Service Act (42 U.S.C. 300hh–1(a)(1)) is amended by  
11          striking “2009” and inserting “2014”.

12          (k) ENHANCING SURGE CAPACITY.—Section 2802(b)  
13          of the Public Health Service Act (42 U.S.C. 300hh–  
14          1(b)(3)) is amended—

15                 (1) in paragraph (1)(A), by inserting “, includ-  
16                 ing drills and exercises to ensure medical surge ca-  
17                 pacity for events without notice” after “exercises”;  
18                 and

19                 (2) in paragraph (3)—

20                         (A) in the matter preceding subparagraph  
21                         (A), as amended by subsection (e)(2) of this  
22                         section—

23                                 (i) by inserting “availability, coordina-  
24                                 tion, accessibility,” after “response capa-  
25                                 bilities,”;

1 (ii) by striking “including mental  
2 health facilities” and inserting “including  
3 mental health and ambulatory care facili-  
4 ties”; and

5 (iii) by striking “trauma care and  
6 emergency medical service systems” and  
7 inserting “trauma care, critical care, and  
8 emergency medical service systems”; and

9 (B) in subparagraph (B), by striking  
10 “Medical evacuation and fatality management”  
11 and inserting “Fatality management, and co-  
12 ordinated medical triage and evacuation to the  
13 appropriate medical institution based on patient  
14 medical need as part of regional systems”.

15 (l) VOLUNTEER MEDICAL RESERVE CORPS.—Section  
16 2813(i) of the Public Health Service Act (42 U.S.C.  
17 300hh–15(i)) is amended by striking “\$22,000,000 for fis-  
18 cal year 2007, and such sums as may be necessary for  
19 each of fiscal years 2008 through 2011” and inserting  
20 “\$11,900,000 for each of fiscal years 2012 through  
21 2016”.

22 (m) EXTENSION OF LIMITED ANTITRUST EXEMP-  
23 TION.—Section 405(b) of the Pandemic and All-Hazard  
24 Preparedness Act (42 U.S.C. 247d–6a note) is amended  
25 by striking “at the end of the 6-year period that begins

1 on the date of enactment of this Act” and inserting “on  
2 September 30, 2016”.

3 **SEC. 3. TEMPORARY REDEPLOYMENT OF PERSONNEL DUR-**  
4 **ING A PUBLIC HEALTH EMERGENCY.**

5 Section 319 of the Public Health Service Act (42  
6 U.S.C. 247d) is amended by adding at the end the fol-  
7 lowing:

8 “(e) TEMPORARY REDEPLOYMENT OF PERSONNEL  
9 DURING A PUBLIC HEALTH EMERGENCY.—

10 “(1) EMERGENCY REDEPLOYMENT OF FEDER-  
11 ALLY FUNDED PERSONNEL.—Notwithstanding any  
12 other provision of law, and subject to paragraph (2),  
13 upon a request that is from a State, locality, terri-  
14 tory, tribe, or the Freely Associated States and that  
15 includes such information and assurances as the  
16 Secretary may require, the Secretary may authorize  
17 the requesting entity to temporarily redeploy to im-  
18 mediately address a public health emergency non-  
19 Federal personnel funded in whole or in part  
20 through—

21 “(A) any program under this Act; or

22 “(B) at the discretion of the Secretary,  
23 any other program funded in whole or in part  
24 by the Department of Health and Human Serv-  
25 ices.

1           “(2) ACTIVATION OF EMERGENCY REDEPLOY-  
2           MENT.—

3           “(A) PUBLIC HEALTH EMERGENCY.—The  
4           Secretary may exercise the authority vested by  
5           paragraph (1) only during the period of a pub-  
6           lic health emergency determined pursuant to  
7           subsection (a).

8           “(B) CONSIDERATIONS.—In authorizing a  
9           temporary redeployment under paragraph (1),  
10          the Secretary shall consider each of the fol-  
11          lowing:

12           “(i) The degree to which the emer-  
13           gency cannot be adequately and appro-  
14           priately addressed by the public health  
15           workforce.

16           “(ii) The degree to which the emer-  
17           gency requires or would otherwise benefit  
18           from supplemental staffing from those  
19           funded through nonpreparedness Federal  
20           programs.

21           “(iii) The degree to which such pro-  
22           grams would be adversely affected by the  
23           redeployment.

24           “(iv) Such other factors as the Sec-  
25           retary may deem appropriate.

1 “(C) TERMINATION AND EXTENSION.—

2 “(i) TERMINATION.—The authority to  
3 authorize a temporary redeployment of  
4 personnel under paragraph (1) shall termi-  
5 nate upon the earlier of the following:

6 “(I) The Secretary’s determina-  
7 tion that the public health emergency  
8 no longer exists.

9 “(II) Subject to clause (ii), 30  
10 days after the activation of the Sec-  
11 retary’s authority pursuant to sub-  
12 paragraph (A).

13 “(ii) EXTENSION AUTHORITY.—The  
14 Secretary may extend the authority to au-  
15 thorize a temporary redeployment of per-  
16 sonnel under paragraph (1) beyond the  
17 date otherwise applicable under clause  
18 (i)(II) if the public health emergency still  
19 exists, but only if—

20 “(I) the extension is requested by  
21 the entity that requested authority to  
22 authorize a temporary redeployment;  
23 and

1                   “(II) the Secretary gives notice  
2                   to the Congress in conjunction with  
3                   the extension.”.

4 **SEC. 4. COORDINATION BY ASSISTANT SECRETARY FOR**  
5 **PREPAREDNESS AND RESPONSE.**

6           (a) IN GENERAL.—Section 2811 of the Public Health  
7 Service Act (42 U.S.C. 300hh–10) is amended—

8           (1) in subsection (b)(3)—

9                   (A) by inserting “stockpiling, distribution,”  
10                   before “and procurement”; and

11                   (B) by inserting “, security measures (as  
12                   defined in section 319F–2,” after “qualified  
13                   countermeasures (as defined in section 319F–  
14                   1)”;

15           (2) in subsection (b)(4), by adding at the end  
16           the following:

17                   “(D) IDENTIFICATION OF INEFFICIEN-  
18                   CIES.—Identify gaps, duplication, and other in-  
19                   efficiencies in public health preparedness activi-  
20                   ties and the actions necessary to overcome these  
21                   obstacles.

22                   “(E) DEVELOPMENT OF COUNTER-  
23                   MEASURE IMPLEMENTATION PLAN.—Lead the  
24                   development of a coordinated Countermeasure  
25                   Implementation Plan under subsection (d).

1           “(F) COUNTERMEASURES BUDGET ANAL-  
2           YSIS.—Oversee the development of a com-  
3           prehensive, cross-cutting 5-year budget analysis  
4           with respect to activities described in paragraph  
5           (3)—

6                   “(i) to inform prioritization of re-  
7                   sources; and

8                   “(ii) to ensure that challenges to such  
9                   activities are adequately addressed.

10           “(G) GRANT PROGRAMS FOR MEDICAL AND  
11           PUBLIC HEALTH PREPAREDNESS CAPABILI-  
12           TIES.—Coordinate, in consultation with the  
13           Secretary of Homeland Security, grant pro-  
14           grams of the Department of Health and  
15           Human Services relating to medical and public  
16           health preparedness capabilities and the activi-  
17           ties of local communities to respond to public  
18           health emergencies, including the—

19                   “(i) coordination of relevant program  
20                   requirements, timelines, and measurable  
21                   goals of such grant programs; and

22                   “(ii) establishment of a system for  
23                   gathering and disseminating best practices  
24                   among grant recipients.”;

1           (3) by amending subsection (c) to read as fol-  
2       lows:

3           “(c) FUNCTIONS.—The Assistant Secretary for Pre-  
4       paredness and Response shall—

5           “(1) have lead responsibility within the Depart-  
6       ment of Health and Human Services for emergency  
7       preparedness and response policy and coordination;

8           “(2) have authority over and responsibility  
9       for—

10           “(A) the National Disaster Medical System  
11       (in accordance with section 301 of the Pan-  
12       demic and All-Hazards Preparedness Act);

13           “(B) the Hospital Preparedness Coopera-  
14       tive Agreement Program pursuant to section  
15       319C-2;

16           “(C) the Biomedical Advanced Research  
17       and Development Authority under section  
18       319L; and

19           “(D) the Emergency System for Advance  
20       Registration of Volunteer Health Professionals  
21       pursuant to section 319I;

22           “(3) provide policy coordination and oversight  
23       of—

24           “(A) the Strategic National Stockpile  
25       under section 319F-2;

1 “(B) the Cities Readiness Initiative; and

2 “(C) the Medical Reserve Corps pursuant  
3 to section 2813; and

4 “(4) assume other duties as determined appro-  
5 priate by the Secretary.”; and

6 (4) by adding at the end the following:

7 “(d) COUNTERMEASURE IMPLEMENTATION PLAN.—  
8 Not later than 6 months after the date of enactment of  
9 this subsection, and annually thereafter, the Assistant  
10 Secretary for Preparedness and Response shall submit  
11 through the Secretary to the Committee on Energy and  
12 Commerce of the House of Representatives and the Com-  
13 mittee on Health, Education, Labor, and Pensions of the  
14 Senate a Countermeasure Implementation Plan that—

15 “(1) describes the chemical, biological, radio-  
16 logical, and nuclear threats facing the Nation and  
17 the corresponding efforts to develop qualified coun-  
18 termeasures (as defined in section 319F–1), security  
19 countermeasures (as defined in section 319F–2), or  
20 qualified pandemic or epidemic products (as defined  
21 in section 319F–3) for each threat;

22 “(2) evaluates the progress of all activities with  
23 respect to such countermeasures or products, includ-  
24 ing research, advanced research, development, pro-  
25 curement, stockpiling, deployment, and utilization;

1           “(3) identifies and prioritizes near-, mid-, and  
2 long-term needs with respect to such counter-  
3 measures or products to address chemical, biological,  
4 radiological, and nuclear threats;

5           “(4) identifies, with respect to each category of  
6 threat, a summary of all advanced development and  
7 procurement awards, including—

8                   “(A) the time elapsed from the issuance of  
9 the initial solicitation or request for a proposal  
10 to the adjudication (such as the award, denial  
11 of award, or solicitation termination);

12                   “(B) projected timelines for development  
13 and procurement of such countermeasures or  
14 products;

15                   “(C) clearly defined goals, benchmarks,  
16 and milestones for each such countermeasure or  
17 product, including information on the number  
18 of doses required, the intended use of the coun-  
19 termeasure or product, and the required coun-  
20 termeasure or product characteristics; and

21                   “(D) projected needs with regard to the re-  
22 plenishment of the Strategic National Stockpile;

23           “(5) evaluates progress made in meeting the  
24 goals, benchmarks, and milestones identified under  
25 paragraph (4)(C);

1           “(6) reports on the amount of funds available  
2 for procurement in the special reserve fund as de-  
3 fined in section 319F-2(g)(5) and the impact this  
4 funding will have on meeting the requirements under  
5 section 319F-2;

6           “(7) incorporates input from Federal, State,  
7 local, and tribal stakeholders; and

8           “(8) addresses the needs of pediatric popu-  
9 lations with respect to such countermeasures and  
10 products in the Strategic National Stockpile and in-  
11 cludes—

12           “(A) a list of such countermeasures and  
13 products necessary to address the needs of pedi-  
14 atric populations;

15           “(B) a description of measures taken to  
16 coordinate with Office of Pediatric Therapeutics  
17 of the Food and Drug Administration to maxi-  
18 mize the labeling, dosages, and formulations of  
19 such countermeasures and products for pedi-  
20 atric populations;

21           “(C) a description of existing gaps in the  
22 Strategic National Stockpile and the develop-  
23 ment of such countermeasures and products to  
24 address the needs of pediatric populations; and

1                   “(D) an evaluation of the progress made in  
2                   addressing gaps identified pursuant to subpara-  
3                   graph (C).

4 Notwithstanding any other provision of this subsection,  
5 the Plan shall not include any confidential commercial in-  
6 formation, proprietary information, or information that  
7 could reveal vulnerabilities of the Nation in the prepara-  
8 tion for or ability to respond to chemical, biological, radio-  
9 logical, or nuclear threats.”.

10           (b) CONSULTATION IN AUTHORIZING MEDICAL  
11 PRODUCTS FOR USE IN EMERGENCIES.—Subsection (c)  
12 of section 564 of the Federal Food, Drug, and Cosmetic  
13 Act (21 U.S.C. 360bbb–3) is amended by striking “con-  
14 sultation with the Director of the National Institutes of  
15 Health” and inserting “consultation with the Assistant  
16 Secretary for Preparedness and Response, the Director of  
17 the National Institutes of Health,”.

18           (c) BIOSURVEILLANCE PLAN.—Not later than one  
19 year after the date of the enactment of this Act, the Sec-  
20 retary of Health and Human Services shall prepare and  
21 submit to the Committee on Energy and Commerce of the  
22 House of Representatives and the Committee on Health,  
23 Education, Labor, and Pensions of the Senate a plan to  
24 improve information sharing, coordination, and commu-

1 nications among disparate biosurveillance systems sup-  
2 ported by the Department of Health and Human Services.

3 **SEC. 5. ELIMINATING DUPLICATIVE PROJECT BIOSHIELD**  
4 **REPORTS.**

5 Section 5 of the Project Bioshield Act of 2004 (42  
6 U.S.C. 247d–6c) is repealed.

7 **SEC. 6. AUTHORIZATION FOR MEDICAL PRODUCTS FOR**  
8 **USE IN EMERGENCIES.**

9 Section 564 of the Federal Food, Drug, and Cosmetic  
10 Act (21 U.S.C. 360bbb–3) is amended—

11 (1) in subsection (a)—

12 (A) in paragraph (1), by striking “sections  
13 505, 510(k), and 515 of this Act” and inserting  
14 “any provision of this Act”;

15 (B) in paragraph (2)(A), by striking  
16 “under a provision of law referred to in such  
17 paragraph” and inserting “under a provision of  
18 law in section 505, 510(k), or 515 of this Act  
19 or section 351 of the Public Health Service  
20 Act”; and

21 (C) in paragraph (3), by striking “a provi-  
22 sion of law referred to in such paragraph” and  
23 inserting “a provision of law referred to in  
24 paragraph (2)(A)”;

25 (2) in subsection (b)—

1 (A) in the subsection heading, by striking  
2 “DECLARATION OF EMERGENCY” and inserting  
3 “DECLARATION SUPPORTING EMERGENCY USE  
4 AUTHORIZATION”;

5 (B) in paragraph (1)—

6 (i) in the matter preceding subpara-  
7 graph (A), by striking “an emergency jus-  
8 tifying” and inserting “that circumstances  
9 exist justifying”;

10 (ii) in subparagraph (A), by striking  
11 “specified”;

12 (iii) in subparagraph (B), by striking  
13 “specified”; and

14 (iv) by amending subparagraph (C) to  
15 read as follows:

16 “(C) a determination by the Secretary that  
17 there is a public health emergency, or a signifi-  
18 cant potential for a public health emergency, in-  
19 volving a heightened risk to national security or  
20 the health and security of United States citi-  
21 zens abroad, and involving a biological, chem-  
22 ical, radiological, or nuclear agent or agents, or  
23 a disease or condition that may be attributable  
24 to such agent or agents.”;

25 (C) in paragraph (2)—

1 (i) by amending subparagraph (A) to  
2 read as follows:

3 “(A) IN GENERAL.—A declaration under  
4 this subsection shall terminate upon a deter-  
5 mination by the Secretary, in consultation with,  
6 as appropriate, the Secretary of Homeland Se-  
7 curity or the Secretary of Defense, that the cir-  
8 cumstances described in paragraph (1) have  
9 ceased to exist.”;

10 (ii) by striking subparagraph (B); and

11 (iii) by redesignating subparagraph  
12 (C) as subparagraph (B); and

13 (D) in paragraph (4), by striking “advance  
14 notice of termination, and renewal” and insert-  
15 ing “and advance notice of termination”;

16 (3) in subsection (c)(1), by striking “specified  
17 in” and insert “covered by”;

18 (4) in subsection (d)(3), by inserting “, to the  
19 extent practicable given the circumstances of the  
20 emergency,” after “including”;

21 (5) in subsection (e)—

22 (A) in paragraph (1)(B), by amending  
23 clause (iii) to read as follows:

24 “(iii) Appropriate conditions with re-  
25 spect to the collection and analysis of in-

1           formation concerning the safety and effec-  
2           tiveness of the product with respect to the  
3           actual use of such product pursuant to an  
4           authorization under this section.”;

5           (B) in paragraph (2)—

6                 (i) in subparagraph (A)—

7                         (I) by striking “manufacturer of  
8                         the product” and inserting “person”;  
9                         and

10                        (II) by inserting “or in para-  
11                        graph (1)(B)” before the period at the  
12                        end;

13                 (ii) in subparagraph (B)(i), by insert-  
14                 ing “, with the exception of extensions of  
15                 a product’s expiration date authorized  
16                 under section 564A(b)” before the period  
17                 at the end; and

18                 (iii) by amending subparagraph (C) to  
19                 read as follows:

20                        “(C) In establishing conditions under this  
21                        paragraph with respect to the distribution and  
22                        administration of a product, the Secretary shall  
23                        not impose conditions that would restrict dis-  
24                        tribution or administration of the product that  
25                        is solely for the approved uses.”;

1 (C) by amending paragraph (3) to read as  
2 follows:

3 “(3) GOOD MANUFACTURING PRACTICE; PRE-  
4 SCRIPTION; PRACTITIONER’S AUTHORIZATION.—With  
5 respect to the emergency use of a product for which  
6 an authorization under this section is issued (wheth-  
7 er for an unapproved product or an unapproved use  
8 of an approved product), the Secretary may waive or  
9 limit, to the extent appropriate given the cir-  
10 cumstances of the emergency—

11 “(A) requirements regarding current good  
12 manufacturing practice otherwise applicable to  
13 the manufacture, processing, packing, or hold-  
14 ing of products subject to regulation under this  
15 Act, including such requirements established  
16 under section 501 or 520(f)(1), and including  
17 relevant conditions prescribed with respect to  
18 the product by an order under section  
19 520(f)(2);

20 “(B) requirements established under sec-  
21 tion 503(b); and

22 “(C) requirements established under sec-  
23 tion 520(e).”; and

24 (D) by adding at the end the following:

1           “(5) EXISTING AUTHORITIES.—Nothing in this  
2 section restricts any authority vested in the Sec-  
3 retary by any other provision of this Act or the Pub-  
4 lic Health Service Act for establishing conditions of  
5 authorization for a product.”; and

6           (6) in subsection (g)—

7           (A) in the heading, by striking “REVOCA-  
8 TION OF AUTHORIZATION” and inserting “RE-  
9 VIEW, MODIFICATION, AND REVOCATION OF  
10 AUTHORIZATION”;

11           (B) in paragraph (1), by striking “periodi-  
12 cally review” and inserting “review not less  
13 than every three years”; and

14           (C) by adding at the end the following:

15           “(3) MODIFICATION.—The Secretary may mod-  
16 ify an authorization under this section or the condi-  
17 tions of such an authorization, at any time, based on  
18 a review of the authorization or new information  
19 that is otherwise obtained, including information ob-  
20 tained during an emergency.”.

21 **SEC. 7. ADDITIONAL PROVISIONS RELATED TO MEDICAL**  
22 **PRODUCTS FOR EMERGENCY USE.**

23           (a) IN GENERAL.—The Federal Food, Drug, and  
24 Cosmetic Act is amended by inserting after section 564  
25 (21 U.S.C. 360bbb–3) the following:

1 **“SEC. 564A. ADDITIONAL PROVISIONS RELATED TO MED-**  
2 **ICAL PRODUCTS FOR EMERGENCY USE.**

3 “(a) DEFINITIONS.—For purposes of this section:

4 “(1) The term ‘product’ means a drug, device,  
5 or biological product.

6 “(2) The term ‘eligible product’ means a prod-  
7 uct that is—

8 “(A) approved or cleared under this chap-  
9 ter or licensed under section 351 of the Public  
10 Health Service Act; and

11 “(B) intended to be used to diagnose, pre-  
12 vent, or treat a disease or condition involving a  
13 biological, chemical, radiological, or nuclear  
14 agent or agents during—

15 “(i) a domestic emergency or military  
16 emergency involving heightened risk of at-  
17 tack with such an agent or agents; or

18 “(ii) a public health emergency affect-  
19 ing national security or the health and se-  
20 curity of United States citizens abroad.

21 “(b) EXPIRATION DATING.—

22 “(1) IN GENERAL.—The Secretary may extend  
23 the expiration date and authorize the introduction or  
24 delivery for introduction into interstate commerce of  
25 an eligible product after the expiration date provided  
26 by the manufacturer if—

1           “(A) the eligible product is intended to be  
2 held for use for a domestic, military, or public  
3 health emergency described in subsection  
4 (a)(2)(B);

5           “(B) the expiration date extension is in-  
6 tended to support the United States’ ability to  
7 protect—

8                   “(i) the public health; or

9                   “(ii) military preparedness and effec-  
10 tiveness; and

11           “(C) the expiration date extension is sup-  
12 ported by an appropriate scientific evaluation  
13 that is conducted or accepted by the Secretary.

14           “(2) REQUIREMENTS AND CONDITIONS.—Any  
15 extension of an expiration date under paragraph (1)  
16 shall, as part of the extension, identify—

17                   “(A) each specific lot, batch, or other unit  
18 of the product for which extended expiration is  
19 authorized;

20                   “(B) the duration of the extension; and

21                   “(C) any other requirements or conditions  
22 as the Secretary may deem appropriate for the  
23 protection of the public health, which may in-  
24 clude requirements for, or conditions on, prod-  
25 uct sampling, storage, packaging or repack-

1           aging, transport, labeling, notice to product re-  
2           ipients, recordkeeping, periodic testing or re-  
3           testing, or product disposition.

4           “(3) EFFECT.—Notwithstanding any other pro-  
5           vision of this Act or the Public Health Service Act,  
6           an eligible product shall not be considered an unap-  
7           proved product (as defined in section 564(a)(2)(A))  
8           and shall not be deemed adulterated or misbranded  
9           under this Act because, with respect to such prod-  
10          uct, the Secretary has, under paragraph (1), ex-  
11          tended the expiration date and authorized the intro-  
12          duction or delivery for introduction into interstate  
13          commerce of such product after the expiration date  
14          provided by the manufacturer.

15          “(c) CURRENT GOOD MANUFACTURING PRAC-  
16          TICES.—

17                 “(1) IN GENERAL.—The Secretary may, when  
18                 the circumstances of a domestic, military, or public  
19                 health emergency described in subsection (a)(2)(B)  
20                 so warrant, authorize, with respect to an eligible  
21                 product, deviations from current good manufac-  
22                 turing practice requirements otherwise applicable to  
23                 the manufacture, processing, packing, or holding of  
24                 products subject to regulation under this Act, in-  
25                 cluding requirements under section 501 or 520(f)(1)

1 or applicable conditions prescribed with respect to  
2 the eligible product by an order under section  
3 520(f)(2).

4 “(2) EFFECT.—Notwithstanding any other pro-  
5 vision of this Act or the Public Health Service Act,  
6 an eligible product shall not be considered an unap-  
7 proved product (as defined in section 564(a)(2)(A))  
8 and shall not be deemed adulterated or misbranded  
9 under this Act because, with respect to such prod-  
10 uct, the Secretary has authorized deviations from  
11 current good manufacturing practices under para-  
12 graph (1).

13 “(d) MASS DISPENSING.—The requirements of sec-  
14 tion 503(b) and 520(e) shall not apply to an eligible prod-  
15 uct, and the product shall not be considered an unap-  
16 proved product (as defined in section 564(a)(2)(A)) and  
17 shall not be deemed adulterated or misbranded under this  
18 Act because it is dispensed without an individual prescrip-  
19 tion, if—

20 “(1) the product is dispensed during an actual  
21 emergency described in subsection (a)(2)(B); and

22 “(2) such dispensing without an individual pre-  
23 scription occurs—

24 “(A) as permitted under the law of the  
25 State in which the product is dispensed; or

1           “(B) in accordance with an order issued by  
2           the Secretary.

3           “(e) EMERGENCY USE INSTRUCTIONS.—

4           “(1) IN GENERAL.—The Secretary, acting  
5           through an appropriate official within the Depart-  
6           ment of Health and Human Services, may create  
7           and issue emergency use instructions to inform  
8           health care providers or individuals to whom an eli-  
9           gible product is to be administered concerning such  
10          product’s approved, licensed, or cleared conditions of  
11          use.

12          “(2) EFFECT.—Notwithstanding any other pro-  
13          visions of this Act or the Public Health Service Act,  
14          a product shall not be considered an unapproved  
15          product (as defined in section 564(a)(2)(A)) and  
16          shall not be deemed adulterated or misbranded  
17          under this Act because of—

18                 “(A) the issuance of emergency use in-  
19                 structions under paragraph (1) with respect to  
20                 such product; or

21                 “(B) the introduction or delivery for intro-  
22                 duction of such product into interstate com-  
23                 merce accompanied by such instructions during  
24                 an emergency response to an actual emergency  
25                 described in subsection (a)(2)(B).”.

1 (b) RISK EVALUATION AND MITIGATION STRATE-  
2 GIES.—Section 505–1 of the Federal Food, Drug, and  
3 Cosmetic Act (21 U.S.C. 355–1), is amended—

4 (1) in subsection (f), by striking paragraph (7);  
5 and

6 (2) by adding at the end the following:

7 “(k) WAIVER IN PUBLIC HEALTH EMERGENCIES.—  
8 The Secretary may waive any requirement of this section  
9 with respect to a qualified countermeasure (as defined in  
10 section 319F–1(a)(2) of the Public Health Service Act)  
11 to which a requirement under this section has been ap-  
12 plied, if the Secretary determines that such waiver is re-  
13 quired to mitigate the effects of, or reduce the severity  
14 of, an actual or potential domestic emergency or military  
15 emergency involving heightened risk of attack with a bio-  
16 logical, chemical, radiological, or nuclear agent, or an ac-  
17 tual or potential public health emergency affecting na-  
18 tional security or the health and security of United States  
19 citizens abroad.”.

20 **SEC. 8. PRODUCTS HELD FOR EMERGENCY USE.**

21 The Federal Food, Drug, and Cosmetic Act (21  
22 U.S.C. 301 et seq.) is amended by inserting after section  
23 564A, as added by section 7, the following:

1 **“SEC. 564B. PRODUCTS HELD FOR EMERGENCY USE.**

2 “It is not a violation of any section of this Act or  
3 of the Public Health Service Act for a government entity  
4 (including a Federal, State, local, and tribal government  
5 entity), or a person acting on behalf of such a government  
6 entity, to introduce into interstate commerce a product (as  
7 defined in section 564(a)(4)) intended for emergency use,  
8 if that product—

9 “(1) is intended to be held and not used; and

10 “(2) is held and not used, unless and until that  
11 product—

12 “(A) is approved, cleared, or licensed  
13 under section 505, 510(k), or 515 of this Act  
14 or section 351 of the Public Health Service Act;

15 “(B) is authorized for investigational use  
16 under section 505 or 520 of this Act or section  
17 351 of the Public Health Service Act; or

18 “(C) is authorized for use under section  
19 564.”.

20 **SEC. 9. ACCELERATE COUNTERMEASURE DEVELOPMENT**  
21 **BY STRENGTHENING FDA’S ROLE IN REVIEW-**  
22 **ING PRODUCTS FOR NATIONAL SECURITY**  
23 **PRIORITIES.**

24 (a) IN GENERAL.—Section 565 of the Federal Food,  
25 Drug, and Cosmetic Act (21 U.S.C. 360bbb–4) is amend-  
26 ed to read as follows:

1 **“SEC. 565. COUNTERMEASURE DEVELOPMENT AND RE-**  
2 **VIEW.**

3 “(a) COUNTERMEASURES AND PRODUCTS.—The  
4 countermeasures and products referred to in this sub-  
5 section are—

6 “(1) qualified countermeasures (as defined in  
7 section 319F–1 of the Public Health Service Act);

8 “(2) security countermeasures (as defined in  
9 section 319F–2 of such Act); and

10 “(3) qualified pandemic or epidemic products  
11 (as defined in section 319F–3 of such Act) that the  
12 Secretary determines to be a priority.

13 “(b) IN GENERAL.—

14 “(1) INVOLVEMENT OF FDA PERSONNEL IN  
15 INTERAGENCY ACTIVITIES.—For the purpose of ac-  
16 celerating the development, stockpiling, approval,  
17 clearance, and licensure of countermeasures and  
18 products referred to in subsection (a), the Secretary  
19 shall expand the involvement of Food and Drug Ad-  
20 ministration personnel in interagency activities with  
21 the Assistant Secretary for Preparedness and Re-  
22 sponse (including the Biomedical Advanced Research  
23 and Development Authority), the Centers for Dis-  
24 ease Control and Prevention, the National Institutes  
25 of Health, and the Department of Defense.

1           “(2) TECHNICAL ASSISTANCE.—The Secretary  
2           shall establish within the Food and Drug Adminis-  
3           tration a team of experts on manufacturing and reg-  
4           ulatory activities (including compliance with current  
5           Good Manufacturing Practices) to provide both off-  
6           site and on-site technical assistance to the manufac-  
7           turers of countermeasures and products referred to  
8           in subsection (a). On-site technical assistance shall  
9           be provided upon the request of the manufacturer  
10          and at the discretion of the Secretary if the Sec-  
11          retary determines that the provision of such assist-  
12          ance would accelerate the development, manufac-  
13          turing, or approval, clearance, or licensure of coun-  
14          termeasures and products referred to in subsection  
15          (a).

16          “(c) AGENCY INTERACTION WITH SECURITY COUN-  
17          TERMEASURE SPONSORS.—

18                 “(1) IN GENERAL.—For security counter-  
19                 measures (as defined in section 319F-2 of the Pub-  
20                 lic Health Service Act) that are procured under such  
21                 section 319F-2—

22                         “(A) the Secretary shall establish a process  
23                         for frequent scientific feedback and interactions  
24                         between the Food and Drug Administration and  
25                         the security countermeasure sponsor (referred

1 to in this subsection as the ‘sponsor’), designed  
2 to facilitate the approval, clearance, and licen-  
3 sure of the security countermeasures;

4 “(B) such feedback and interactions shall  
5 include meetings and, in accordance with sub-  
6 section (b)(2), on-site technical assistance; and

7 “(C) at the request of the Secretary, the  
8 process under this paragraph shall include par-  
9 ticipation by the Food and Drug Administration  
10 in meetings between the Biomedical Advanced  
11 Research and Development Authority and spon-  
12 sors on the development of such counter-  
13 measures.

14 “(2) REGULATORY MANAGEMENT PLAN.—

15 “(A) IN GENERAL.—The process estab-  
16 lished under paragraph (1) shall allow for the  
17 development of a written regulatory manage-  
18 ment plan (in this paragraph referred to as the  
19 ‘plan’) for a security countermeasure (as de-  
20 fined in paragraph (1)) in accordance with this  
21 paragraph.

22 “(B) PROPOSAL AND FINALIZATION OF  
23 PLAN.—In carrying out the process under para-  
24 graph (1), the Secretary shall direct the Food  
25 and Drug Administration, upon submission of a

1 written request by the sponsor that includes a  
2 proposed plan and relevant data and future  
3 planning detail to support such a plan, to work  
4 with the sponsor to agree on a final plan within  
5 a reasonable time not to exceed 90 days. The  
6 basis for this agreement shall be the proposed  
7 plan submitted by the sponsor. Notwithstanding  
8 the preceding sentence, the Secretary shall re-  
9 tain full discretion to determine the contents of  
10 the final plan or to determine that no such plan  
11 can be agreed upon. If the Secretary determines  
12 that no final plan can be agreed upon, the Sec-  
13 retary shall provide to the sponsor, in writing,  
14 the scientific or regulatory rationale why such  
15 agreement cannot be reached. If a final plan is  
16 agreed upon, it shall be shared with the sponsor  
17 in writing.

18 “(C) CONTENTS.—The plan shall include  
19 an agreement on the nature of, and timelines  
20 for, feedback and interactions between the  
21 sponsor and the Food and Drug Administra-  
22 tion, shall provide reasonable flexibility in im-  
23 plementing and adjusting the agreement under  
24 this paragraph as warranted during the coun-

1           termeasure development process, and shall iden-  
2           tify—

3                   “(i) the current regulatory status of  
4                   the countermeasure, an assessment of  
5                   known scientific gaps relevant to approval,  
6                   clearance, or licensure of the counter-  
7                   measure, and a proposed pathway to ap-  
8                   proval, clearance, or licensure of the coun-  
9                   termeasure;

10                   “(ii) developmental milestones whose  
11                   completion will result in meetings to be  
12                   scheduled within a reasonable time be-  
13                   tween the applicable review division of the  
14                   Food and Drug Administration and the  
15                   sponsor;

16                   “(iii) sponsor submissions that will re-  
17                   sult in written feedback from the review di-  
18                   vision within a reasonable time;

19                   “(iv) feedback by the Food and Drug  
20                   Administration regarding the data required  
21                   to support delivery of the countermeasure  
22                   to the Strategic National Stockpile under  
23                   section 319F–2 of the Public Health Serv-  
24                   ice Act;

1           “(v) feedback by the Food and Drug  
2           Administration regarding data required to  
3           support submission of a proposed agree-  
4           ment on the design and size of clinical  
5           trials for review under section  
6           505(b)(5)(B); and

7           “(vi) other issues that have the poten-  
8           tial to delay approval, clearance, or licen-  
9           sure.

10          “(D) CHANGES.—Changes to the plan  
11          shall be made by subsequent agreement between  
12          the Secretary and the sponsor. If after reason-  
13          able attempts to negotiate changes to the plan  
14          the Secretary and the sponsor are unable to fi-  
15          nalize such changes, the Secretary shall provide  
16          to the sponsor, in writing, the scientific or regu-  
17          latory rationale why such changes are required  
18          or cannot be included in the plan.

19          “(3) APPLICABILITY TO CERTAIN QUALIFIED  
20          PANDEMIC OR EPIDEMIC PRODUCTS.—The Secretary  
21          may, with respect to qualified pandemic or epidemic  
22          products (as defined in section 319F–3 of the Public  
23          Health Service Act) for which a contract for ad-  
24          vanced research and development is entered into  
25          under section 319L of such Act, choose to apply the

1 provisions of paragraphs (1) and (2) to the same ex-  
2 tent and in the same manner as such provisions  
3 apply with respect to security countermeasures.

4 “(d) FINAL GUIDANCE ON DEVELOPMENT OF ANI-  
5 MAL MODELS.—

6 “(1) IN GENERAL.—Not later than 1 year after  
7 the date of the enactment of the Pandemic and All-  
8 Hazards Preparedness Reauthorization Act of 2011,  
9 the Secretary shall provide final guidance to indus-  
10 try regarding the development of animal models to  
11 support approval, clearance, or licensure of counter-  
12 measures and products referred to in subsection (a)  
13 when human efficacy studies are not ethical or fea-  
14 sible.

15 “(2) AUTHORITY TO EXTEND DEADLINE.—The  
16 Secretary may extend the deadline for providing  
17 final guidance under paragraph (1) by not more  
18 than 6 months upon submission by the Secretary of  
19 a report on the status of such guidance to the Com-  
20 mittee on Energy and Commerce of the House of  
21 Representatives and the Committee on Health, Edu-  
22 cation, Labor, and Pensions of the Senate.

23 “(e) BIENNIAL REPORT.—Not later than January 1,  
24 2013, and every 2 years thereafter, the Secretary shall  
25 submit a report to the Committee on Energy and Com-

1 merce of the House of Representatives and the Committee  
2 on Health, Education, Labor, and Pensions of the Senate,  
3 that, with respect to the preceding 2 fiscal years, in-  
4 cludes—

5           “(1) the number of full-time equivalent employ-  
6 ees of the Food and Drug Administration who di-  
7 rectly support the review of countermeasures and  
8 products referred to in subsection (a);

9           “(2) estimates of funds obligated by the Food  
10 and Drug Administration for review of such counter-  
11 measures and products;

12           “(3) the number of regulatory teams at the  
13 Food and Drug Administration specific to such  
14 countermeasures and products and, for each such  
15 team, the assigned products, classes of products, or  
16 technologies;

17           “(4) the length of time between each request by  
18 the sponsor of such a countermeasure or product for  
19 information and the provision of such information by  
20 the Food and Drug Administration;

21           “(5) the number, type, and frequency of official  
22 interactions between the Food and Drug Adminis-  
23 tration and—

24           “(A) sponsors of a countermeasure or  
25 product referred to in subsection (a); or

1           “(B) another agency engaged in develop-  
2           ment or management of portfolios for such  
3           countermeasures or products, including the  
4           Centers for Disease Control and Prevention, the  
5           Biomedical Advanced Research and Develop-  
6           ment Authority, the National Institutes of  
7           Health, and the appropriate agencies of the De-  
8           partment of Defense;

9           “(6) a description of other measures that, as  
10          determined by the Secretary, are appropriate to de-  
11          termine the efficiency of the regulatory teams de-  
12          scribed in paragraph (3); and

13          “(7) the regulatory science priorities that relate  
14          to countermeasures or products referred to in sub-  
15          section (a) and which the Food and Drug Adminis-  
16          tration is addressing and the progress made on these  
17          priorities.”.

18          (b) SPECIAL PROTOCOL ASSESSMENT.—Subpara-  
19          graph (B) of section 505(b)(5) of the Federal Food, Drug,  
20          and Cosmetic Act (21 U.S.C. 355(b)(5)) is amended to  
21          read as follows:

22          “(B)(i) The Secretary shall meet with a sponsor of  
23          an investigation or an applicant for approval for a drug  
24          under this subsection or section 351 of the Public Health  
25          Service Act if the sponsor or applicant makes a reasonable

1 written request for a meeting for the purpose of reaching  
2 agreement on the design and size of—

3 “(I) clinical trials intended to form the primary  
4 basis of an effectiveness claim; or

5 “(II) animal efficacy trials and any associated  
6 clinical trials that in combination are intended to  
7 form the primary basis of an effectiveness claim for  
8 a countermeasure or product referred to in section  
9 565(a) when human efficacy studies are not ethical  
10 or feasible.

11 “(ii) The sponsor or applicant shall provide informa-  
12 tion necessary for discussion and agreement on the design  
13 and size of the clinical trials. Minutes of any such meeting  
14 shall be prepared by the Secretary and made available to  
15 the sponsor or applicant upon request.”.

Passed the House of Representatives December 6,  
2011.

Attest:

*Clerk.*
