"(a) IN GENERAL.—Notwithstanding any other provision of this title, no predispute arbitration agreement or predispute joint-action waiver shall be valid or enforceable with respect to a dispute relating to disputes arising under chapter 43 of title 38 or the Servicemembers Civil Relief Act.

### 20 "(b) Applicability.—

"(1) IN GENERAL.—An issue as to whether this chapter applies with respect to a dispute shall be determined under Federal law. The applicability of this chapter to an agreement to arbitrate and the validity and enforceability of an agreement to which this

chapter applies shall be determined by a court, rather than an arbitrator, irrespective of whether the party resisting arbitration challenges the arbitration agreement specifically or in conjunction with other terms of the contract containing such agreement, and irrespective of whether the agreement purports to delegate such determinations to an arbitrator.

"(2) Collective Bargaining agreements.—
Nothing in this chapter shall apply to any arbitration provision in a contract between an employer and a labor organization or between labor organizations, except that no such arbitration provision shall have the effect of waiving the right of a worker to seek judicial enforcement of a right arising under a provision of the Constitution of the United States, a State constitution, or a Federal or State statute, or public policy arising therefrom."
