A BILL

To restore the natural resources, ecosystems, fisheries, marine and wildlife habitats, beaches, and coastal wetlands of Gulf Coast States, to create jobs and revive the economic health of communities adversely affected by the explosion on, and sinking of, the mobile offshore drilling unit Deepwater Horizon, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Resources and Eco-
5 systems Sustainability, Tourist Opportunities, and Re-
6 vived Economies of the Gulf Coast States Act of 2011”.

7 **SEC. 2. FINDINGS.**

8 Congress finds that—

9 (1) as a result of decades of oil and gas devel-
10 opment in the Gulf of Mexico, producing and non-
11 producing States in the Gulf Coast region have
12 borne substantial risks of environmental damage and
13 economic harm, all of which culminated with the ex-
14 plosion on, and sinking of, the mobile offshore drill-
15 ing unit Deepwater Horizon;

16 (2) the discharge of oil in the Gulf of Mexico
17 that began following the explosion on, and sinking
18 of, the mobile offshore drilling unit Deepwater Hori-
19 zon has caused substantial environmental destruc-
20 tion and economic harm to the people and commu-
21 nities of the Gulf Coast region;

22 (3)(A) in the report entitled “America’s Gulf
23 Coast—A Long Term Recovery Plan after the Deep-
24 water Horizon Oil Spill”, the Secretary of the Navy
25 stated, “Together, the Gulf’s tourism and commer-

1 cial and recreational fishing industries contribute
2 tens of billions of dollars to the [United States]
3 economy. More than 90 percent of the [N]ation’s
4 offshore crude oil and natural gas is produced in the
5 Gulf, and the [F]ederal treasury receives roughly
6 \$4.5 billion dollars every year from offshore leases
7 and royalties. And it is in the Gulf of Mexico that
8 nearly one third of seafood production in the conti-
9 nental [United States] is harvested. America needs
10 a healthy and resilient Gulf Coast, one that can sup-
11 port the diverse economies, communities, and cul-
12 tures of the region.”;

13 (B) to address the needs of the Gulf Coast re-
14 gion, the Secretary of the Navy stated, “It is rec-
15 ommended that the President urge Congress to pass
16 legislation that would dedicate a significant amount
17 of any civil penalties recovered under the [Federal
18 Water Pollution Control Act] from parties respon-
19 sible for the Deepwater Horizon oil spill to those di-
20 rectly impacted by that spill.”; and

21 (C) to mitigate local challenges and help restore
22 the resiliency of communities adversely affected by
23 the spill, the Secretary of the Navy stated that the
24 legislation described in subparagraph (B) should
25 “[b]uild economic development strategies around

1 community needs, and take particular efforts to ad-
2 dress the needs of disadvantaged, underserved, and
3 resource constrained communities”;

4 (4) in a final report to the President, the Na-
5 tional Commission on the BP Deepwater Horizon
6 Oil Spill and Offshore Drilling—

7 (A) stated, “Estimates of the cost of Gulf
8 restoration, including but not limited to the
9 Mississippi Delta, vary widely, but according to
10 testimony before the Commission, full restora-
11 tion of the Gulf will require \$15 billion to \$20
12 billion: a minimum of \$500 million annually for
13 30 years.”; and

14 (B) like the Secretary of the Navy, rec-
15 ommended that, to meet the needs described in
16 subparagraph (A), a substantial portion of ap-
17 plicable penalties under the Federal Water Pol-
18 lution Control Act (33 U.S.C. 1251 et seq.) be
19 dedicated to long-term restoration of the Gulf
20 of Mexico;

21 (5) taking into account the risks borne by Gulf
22 Coast States for decades of oil and gas development
23 and the environmental degradation suffered by the
24 Gulf Coast region, the amounts received by the
25 United States as payment of administrative, civil, or

1 criminal penalties in connection with the explosion
2 on, and sinking of, the mobile offshore drilling unit
3 Deepwater Horizon should be expended—

4 (A) to restore the natural resources, eco-
5 systems, fisheries, marine and wildlife habitats,
6 beaches, barrier islands, dunes, coastal wet-
7 lands, and economy of the Gulf Coast; and

8 (B) to address the associated economic
9 harm suffered by the people and communities
10 of the region;

11 (6) the projects and programs authorized by
12 this Act and the amendments made by this Act
13 should be carried out pursuant to contracts awarded
14 in a manner that provides a preference to individuals
15 and entities that reside in, are headquartered in, or
16 are principally engaged in business in a Gulf Coast
17 State; and

18 (7) Federal, State, and local officials should
19 seek—

20 (A) to leverage the financial resources
21 made available under this Act; and

22 (B) to the maximum extent practicable, to
23 ensure that projects funded pursuant to this
24 Act complement efforts planned or in operation

1 to revitalize the natural resources and economic
2 health of the Gulf Coast region.

3 **SEC. 3. GULF COAST RESTORATION TRUST FUND.**

4 (a) **ESTABLISHMENT.**—There is established in the
5 Treasury of the United States a trust fund to be known
6 as the “Gulf Coast Restoration Trust Fund” (referred to
7 in this section as the “Trust Fund”), consisting of such
8 amounts as are deposited in the Trust Fund under this
9 Act or any other provision of law.

10 (b) **TRANSFERS.**—The Secretary of the Treasury
11 shall deposit in the Trust Fund an amount equal to 80

15 mobile offshore drilling unit Deepwater Horizon pursuant
16 to a court order, negotiated settlement, or other instru-
17 ment in accordance with section 311 of the Federal Water
18 Pollution Control Act (33 U.S.C. 1321).

20 including interest earned on advances to the Trust Fund
21 and proceeds from investment under subsection (d),
22 shall—

23 (1) be available for expenditure, without further
24 appropriation, solely for the purpose and eligible ac-

4 cal year limitation.

5 (d) INVESTMENT.—Amounts in the Trust Fund shall
6 be invested in accordance with section 9702 of title 31,
7 United States Code, and any interest on, and proceeds
8 from, any such investment shall be available for expendi-
9 ture in accordance with this Act and the amendments
10 made by this Act.

11 (e) ADMINISTRATION.—Not later than 180 days after
12 the date of enactment of this Act, after providing notice
13 and an opportunity for public comment, the Secretary of
14 the Treasury, in consultation with the Secretary of the In-
15 terior and the Secretary of Commerce, shall establish such
16 procedures as the Secretary determines to be necessary
17 to deposit amounts in, and expend amounts from, the
18 Trust Fund pursuant to this Act, including—

19 (1) procedures to assess whether the programs
20 and activities carried out under this Act and the
21 amendments made by this Act achieve compliance
22 with applicable requirements, including procedures
23 by which the Secretary of the Treasury may deter-
24 mine whether an expenditure by a Gulf Coast State
25 or coastal political subdivision (as those terms are

1 defined in section 311 of the Federal Water Pollu-
2 tion Control Act (33 U.S.C. 1321)) pursuant to such
3 a program or activity achieves compliance;

4 (2) auditing requirements to ensure that
5 amounts in the Trust Fund are expended as in-
6 tended; and

7 (3) procedures for identification and allocation
8 of funds available to the Secretary under other pro-
9 visions of law that may be necessary to pay the ad-
10 ministrative expenses directly attributable to the
11 management of the Trust Fund.
