3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Federal Advance Con-

8 aster;

9 (2) the catastrophic hurricanes and wildfires in
10 the United States in 2017 highlighted the impor-
11 tance of these advance contracts in disaster re-
12 sponse;

13 (3) in a report issued by the Government Ac-
14 countability Office entitled “2017 Disaster Con-
15 tracting: Action Needed to Better Ensure More Ef-
16 fective Use and Management of Advance Contracts”,
17 the Government Accountability Office identified a
18 number of challenges with advance contracts and
19 recommended actions to improve management by the
20 Federal Emergency Management Agency of these
21 contracts for future disasters; and

22 (4) section 691 of the Post-Katrina Emergency
23 Management Reform Act of 2006 (6 U.S.C. 791)
24 should be amended to incorporate the recommenda-
25 tions made by the report described in paragraph (3)

1 to ensure more effective use and management of ad-
2 vance contracts.
