1           (1) the Arab League boycott of Israel, and the  
2           secondary boycott of American firms that have com-  
3           mercial ties with Israel, is an impediment to peace  
4           in the region and to United States investment and  
5           trade in the Middle East and North Africa;

6           (2) the Arab League boycott, which was regret-

15          demonstrate that opposition by, for example, taking  
16          into consideration the participation of any recipient  
17          country in the boycott when determining to sell  
18          weapons to said country; and

19          (5) the President should report to Congress an-  
20          nually on specific steps being taken by the United  
21          States to encourage Arab League states to normalize  
22          their relations with Israel to bring about the termi-  
23          nation of the Arab League boycott of Israel, includ-  
24          ing those to encourage allies and trading partners of  
25          the United States to enact laws prohibiting busi-
