3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Medicaid Primary Care

6 SEC. 2. FINDINGS.

7 Congress finds as follows:

8 (1) Primary care services are able to reduce

10 pitalizations.

1 (2) Primary care creates increased patient sat-
2 isfaction, physician engagement, and better patient
3 outcomes.

4 (3) The model of direct primary care can
5 change patient usage patterns, with more personal-
6 ized preventative care versus high-acuity episodic
7 care.

8 **SEC. 3. CLARIFYING THAT CERTAIN PAYMENT ARRANGE-
9 MENTS ARE ALLOWABLE UNDER THE MED-
10 ICAID PROGRAM.**

11 (a) IN GENERAL.—Nothing in title XIX of the Social

13 as prohibiting a State, under its State plan (or waiver of
14 such plan) under such title (including through a medicaid
15 managed care organization (as defined in section 1903(m)
16 of such Act)), from providing medical assistance consisting
17 of primary care services through a direct primary care ar-
18 rangement with a health care provider, including as part
19 of a value-based care arrangement established by the State
20 (or such organization). For purposes of the preceding sen-
21 tence, the term “direct primary care arrangement” means,
22 with respect to any individual, an arrangement under

24 sisting solely of primary care services provided by primary
25 care practitioners (as defined in section 1833(x)(2)(A) of

1 the Social Security Act, determined without regard to
2 clause (ii) thereof), if the sole compensation for such care
3 is a fixed periodic fee.

4 (b) GUIDANCE.—The Secretary of Health and
5 Human Services shall issue guidance to States on how a
6 State may implement direct primary care arrangements
7 (as defined in subsection (a)) under title XIX of the Social
8 Security Act (42 U.S.C. 1396 et seq.).

9 (c) REPORT.—Not later than 1 year after the date
10 of the enactment of this Act, the Secretary of Health and
11 Human Services shall submit to Congress a report con-
12 taining—

13 (1) an analysis of the extent to which States
14 are contracting with independent physicians, inde-
15 pendent physician practices, and primary care prac-
16 tices for purposes of furnishing medical assistance
17 under State plans (or waivers of such plans) under
18 title XIX of the Social Security Act (42 U.S.C. 1396
19 et seq.); and

20 (2) an analysis of quality of care and cost of
21 care furnished to individuals enrolled under such
22 title where such care is paid for under a direct pri-
23 mary care arrangement (as defined in subsection
24 (a)) through a medicaid managed care organization
25 (as so defined).

2 tion shall be construed to alter statutory limits on Med-
3 icaid enrollee cost-sharing or be construed to limit Med-
4 icaid services solely to those provided under a direct pri-
5 mary care arrangement.
