## A BILL

To amend title XVIII of the Social Security Act to provide for coverage of certified adult day services under the Medicare program, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2       tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Medicare Adult Day  
5       Services Act of 2019”.

**6 SEC. 2. FINDINGS.**

7       Congress makes the following findings:

1                   (1) Adult day care can offer services, including  
2                   medical care, rehabilitation therapies, dignified as-  
3                   sistance with activities of daily living, nutrition ther-  
4                   apy, health monitoring, social interaction, stimu-  
5                   lating activities, and transportation, to seniors and  
6                   people with disabilities at no extra cost to the Medi-  
7                   care program.

8                   (2) The care given at adult day services centers  
9                   under an interdisciplinary team provides seniors,  
10                  people with disabilities, and their familial caregivers  
11                  with more care hours and additional services that  
12                  are critical to keeping patients healthier and in the  
13                  homes of the patients instead of in a nursing home,  
14                  and reduces the risk of hospital admission or read-  
15                  mission.

16 **SEC. 3. MEDICARE COVERAGE OF CERTIFIED ADULT DAY**  
17                   **SERVICES.**

18                  (a) MEDICARE CERTIFIED ADULT DAY SERVICES  
19 BENEFIT.—
