2 issues a waiver to such organization with re-  
3 spect to such interest for such taxable year

9                         “(i) the need for such waiver, and the  
10                    reasons for the need for such waiver, out-  
11                    weigh the threat posed to the United  
12                    States by China and the lack of separation  
13                    between China and the disqualified Chinese  
14                    company involved, and

15                         “(ii) extenuating circumstances justify  
16                    the applicant’s need to invest in the dis-  
17                    qualified Chinese company.

18                   For purposes of this subparagraph, the Sec-

21                    qualified Chinese company, or any other jus-  
22                    tification based on the applicant’s own financial  
23                    needs, as an extenuating circumstance justi-  
24                    fying such an investment.

1                 “(D) PUBLICATION OF WAIVERS PRO-  
2                 VIDED.—With respect to each calendar quarter,

12                 scribed in paragraph (1) with respect to each taxable  
13                 year shall, not later than the due date for the return

15                 retary a written report including—

16                 “(A) a description of each interest in a dis-  
17                 qualified Chinese company held by such organi-  
18                 zation during such taxable year,

19                 “(B) the period for any such interest that  
20                 was so held, and

21                 “(C) whether such organization has a  
22                 waiver under paragraph (3) to hold such inter-  
23                 est during such period.”.

24                 (b) EFFECTIVE DATE.—

1                             (1) IN GENERAL.—The amendments made by  
2     this section shall apply to taxable years ending after  
3     the date of the enactment of this Act, except that  
4     only periods after the date that is 270 days after the  
5     date of the enactment of this Act shall be taken into  
6     account in determining whether the requirement of  
7     section 501(s) of the Internal Revenue Code of 1986  
8     (as added by this section) is met with respect to any  
9     taxable year.

11     CIRCUMSTANCES.—In the case of any organization  
12     that, after intensive due diligence, is unaware of the  
13     failure to satisfy the requirement of such section  
14     501(s), paragraph (1) shall be applied by sub-  
15     stituting “1 year” for “270 days”.

16                           (c) PUBLIC REPORT.—Not later than 360 days after  
17     the date of the enactment of this Act, and annually there-  
18     after, the Secretary of the Treasury (or the Secretary’s  
19     delegate) shall publicly release a report describing the pat-  
20     terns of United States outbound investment in China, in-  
21     cluding such investment by organizations described in sec-  
22     tion 501(s)(1) of the Internal Revenue Code of 1986 (as  
23     added by this section). Such report shall detail the sectoral
