## AN ACT

To support supply chain innovation and multilateral security,  
and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Utilizing Strategic Al-  
3 lied Telecommunications Act of 2020” or the “USA Tele-  
4 communications Act”.

5 **SEC. 2. WIRELESS SUPPLY CHAIN INNOVATION GRANT PRO-**  
6 **GRAM.**

7 (a) IN GENERAL.—From amounts made available  
8 under subsection (d), the Assistant Secretary shall, begin-  
9 ning not later than 18 months after the date of the enact-  
10 ment of this Act, make grants on a competitive basis to  
11 support the deployment and use of Open RAN 5G Net-  
12 works throughout the United States by—

13 (1) promoting the use of technology, including  
14 software, hardware, and microprocessing technology,  
15 that will enhance competitiveness in the supply  
16 chains of Open RAN 5G Networks;

17 (2) accelerating the deployment of Open Net-  
18 work Equipment;

19 (3) promoting the use of Open Network Equip-  
20 ment;

21 (4) establishing objective criteria that can be  
22 used to determine if equipment meets the definition  
23 of Open Network Equipment;

24 (5) promoting the inclusion of security features  
25 that enhance the integrity and availability of Open  
26 Network Equipment; or

1           (6) promoting the application of network func-  
2           tion virtualization to facilitate the deployment of  
3           Open RAN 5G Networks and a more diverse vendor  
4           market.

5           (b) GRANT CRITERIA.—The Assistant Secretary, in  
6           consultation with the Commission, the Director of the Na-  
7           tional Institute of Standards and Technology, the Sec-  
8           retary of Homeland Security, the Director of the Defense  
9           Advanced Research Projects Agency (commonly known as  
10          “DARPA”), and the Director of the Intelligence Advanced  
11          Research Projects Activity of the Office of the Director  
12          of National Intelligence (commonly known as “IARPA”),  
13          shall establish the criteria under which the Assistant Sec-  
14          retary shall award a grant under subsection (a).

15          (c) REPORTS TO CONGRESS.—

16               (1) ANNUAL REPORT ON GRANTS MADE.—For  
17               each fiscal year for which amounts are available to  
18               make grants under subsection (a), the Assistant Sec-  
19               retary shall submit to the relevant committees of  
20               Congress a report that includes, with respect to that  
21               fiscal year—

22                       (A) a description of—

23                               (i) to whom grants under subsection  
24                               (a) were made, the amount thereof, and  
25                               criteria used to award such grants; and

1 (ii) the progress the Assistant Sec-  
2 retary has made in meeting the objectives  
3 described in subsection (a) of the grant  
4 program under this section; and

5 (B) any additional information that the  
6 Assistant Secretary determines appropriate.

7 (2) REPORT ON 5G NETWORK SUPPLY CHAIN.—  
8 Not later than 180 days after the date of the enact-  
9 ment of this Act, the Assistant Secretary shall sub-  
10 mit to the relevant committees of Congress a written  
11 report—

12 (A) that includes recommendations on pro-  
13 moting the competitiveness and sustainability of  
14 trusted Open RAN 5G Networks; and

15 (B) identifying whether any additional au-  
16 thorities are needed by the Assistant Secretary  
17 to facilitate the timely adoption of Open Net-  
18 work Equipment, including the authority to  
19 provide loans, loan guarantees, and other forms  
20 of credit extension that would maximize the use  
21 of grant amounts awarded under this section.

22 (d) AUTHORIZATION OF APPROPRIATIONS.—

23 (1) AMOUNT AUTHORIZED.—There is author-  
24 ized to be appropriated to make grants under sub-

1 section (a) \$750,000,000 for fiscal years 2021  
2 through 2031.

3 (2) AVAILABILITY.—Amounts made available  
4 under paragraph (1) shall remain available through  
5 fiscal year 2031.

6 **SEC. 3. ADVISORY COMMITTEE.**

7 (a) ESTABLISHMENT.—The Assistant Secretary shall  
8 establish an Advisory Committee to advise the Assistant  
9 Secretary in the manner described in subsection (c).

10 (b) COMPOSITION.—The Advisory Committee estab-  
11 lished under subsection (a) shall be composed of—

12 (1) representatives from—

13 (A) the Commission;

14 (B) the Defense Advanced Research  
15 Projects Agency (commonly known as  
16 “DARPA”);

17 (C) the Intelligence Advanced Research  
18 Projects Activity of the Office of the Director of  
19 National Intelligence (commonly known as  
20 “IARPA”);

21 (D) the National Institute of Standards  
22 and Technology;

23 (E) the Department of State;

24 (F) the National Science Foundation; and

1 (G) the Department of Homeland Security;

2 and

3 (2) other representatives from the private and  
4 public sectors, at the discretion of the Assistant Sec-  
5 retary.

6 (c) DUTIES.—The Advisory Committee established  
7 under subsection (a) shall be used to advise the Assistant  
8 Secretary on technology developments to help inform—

9 (1) the strategic direction of the grant program  
10 established under section 2; and

11 (2) efforts of the Federal Government to pro-  
12 mote a more secure, diverse, sustainable, and com-  
13 petitive supply chain for Open RAN 5G Networks.

14 **SEC. 4. DEFINITIONS.**

15 In this Act:

16 (1) 3GPP.—The term “3GPP” means the Third  
17 Generation Partnership Project.

18 (2) 5G NETWORK.—The term “5G network”  
19 means a radio network as described by 3GPP Re-  
20 lease 15 or higher, or any successor network.

21 (3) ASSISTANT SECRETARY.—The term “Assist-  
22 ant Secretary” means the Assistant Secretary of  
23 Commerce for Communications and Information.

24 (4) COMMISSION.—The term “Commission”  
25 means the Federal Communications Commission.

1           (5) OPEN NETWORK EQUIPMENT.—The term  
2           “Open Network Equipment” means equipment that  
3           follows a set of open standards (such as O-RAN  
4           standards or the Open Radio Access Network ap-  
5           proach to standardization, adopted by the O-RAN  
6           Alliance, 3GPP, or other organization) and open  
7           interfaces for multi-vendor network equipment inter-  
8           operability, such that the equipment may be inte-  
9           grated into the Radio Access Networks of an Open  
10          RAN 5G Network.

11          (6) OPEN RAN 5G NETWORK.—The term “Open  
12          RAN 5G Network” means a 5G network that follows  
13          a set of open standards (such as O-RAN standards  
14          or the Open Radio Access Network approach to  
15          standardization, adopted by the O-RAN Alliance,  
16          3GPP, or other organizations) and open interfaces  
17          for multi-vendor network equipment interoperability.

18          (7) RELEVANT COMMITTEES OF CONGRESS.—  
19          The term “relevant committees of Congress”  
20          means—

21                 (A) the Committee on Energy and Com-  
22                 merce of the House of Representatives;

23                 (B) the Permanent Select Committee on  
24                 Intelligence of the House of Representatives;

1           (C) the Committee on Foreign Affairs of  
2 the House of Representatives;

3           (D) the Committee on Homeland Security  
4 of the House of Representatives;

5           (E) the Committee on Armed Services of  
6 the House of Representatives;

7           (F) the Committee on Commerce, Science,  
8 and Transportation of the Senate;

9           (G) the Select Committee on Intelligence of  
10 the Senate;

11           (H) the Committee on Foreign Relations  
12 of the Senate;

13           (I) the Committee on Homeland Security  
14 and Governmental Affairs of the Senate; and

15           (J) the Committee on Armed Services of  
16 the Senate.

Passed the House of Representatives November 17,  
2020.
