

116TH CONGRESS  
2D SESSION

# H. R. 7331

To establish the Office of the National Cyber Director, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

JUNE 25, 2020

Mr. LANGEVIN (for himself, Mr. GALLAGHER, Mrs. CAROLYN B. MALONEY of New York, Mr. KATKO, Mr. RUPPERSBERGER, and Mr. HURD of Texas) introduced the following bill; which was referred to the Committee on Oversight and Reform, and in addition to the Committees on Armed Services, Foreign Affairs, and Intelligence (Permanent Select), for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To establish the Office of the National Cyber Director, and  
for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Cyber Direc-  
5 tor Act”.

6 **SEC. 2. NATIONAL CYBER DIRECTOR.**

7 (a) ESTABLISHMENT.—There is established, within  
8 the Executive Office of the President, the Office of the

1 National Cyber Director (in this section referred to as the  
2 “Office”).

3 (b) NATIONAL CYBER DIRECTOR.—

4 (1) IN GENERAL.—The Office shall be headed  
5 by the National Cyber Director (in this section re-  
6 ferred to as the “Director”) who shall be appointed  
7 by the President, by and with the advice and consent  
8 of the Senate. As an exercise of the rulemaking  
9 power of the Senate, any nomination of the Director  
10 submitted to the Senate for confirmation, and re-  
11 ferred to a committee, shall be jointly referred to the  
12 Homeland Security and Governmental Affairs and  
13 the Armed Services Committees of the Senate. The  
14 Director shall hold office at the pleasure of the  
15 President, and shall be entitled to receive the same  
16 pay and allowances as are provided for level I of the  
17 Executive Schedule under section 5312 of title 5,  
18 United States Code.

19 (2) DEPUTY DIRECTORS.—There shall be two  
20 Deputy National Cyber Directors, to be appointed  
21 by the President, who shall hold office at the pleas-  
22 ure of the President, and who shall report to the Di-  
23 rector, as follows:

24 (A) The Deputy National Cyber Director  
25 for Strategy, Capabilities, and Budget.

1 (B) The Deputy National Cyber Director  
2 for Plans and Operations.

3 (c) DUTIES OF THE NATIONAL CYBER DIRECTOR.—

4 (1) IN GENERAL.—Subject to the authority, di-  
5 rection, and control of the President, the Director  
6 shall—

7 (A) serve as the principal advisor to the  
8 President on cybersecurity strategy and policy;

9 (B) in consultation with appropriate Fed-  
10 eral departments and agencies, develop the  
11 United States National Cyber Strategy, which  
12 shall include elements related to Federal de-  
13 partments and agencies—

14 (i) information security; and

15 (ii) programs and policies intended to  
16 improve the United States cybersecurity  
17 posture;

18 (C) in consultation with appropriate Fed-  
19 eral departments and agencies and upon ap-  
20 proval of the National Cyber Strategy by the  
21 President, supervise implementation of the  
22 strategy by—

23 (i) in consultation with the Director of  
24 the Office of Management and Budget,  
25 monitoring and assessing the effectiveness,

1 including cost-effectiveness, of Federal de-  
2 partments and agencies' implementation of  
3 the strategy;

4 (ii) making recommendations relevant  
5 to changes in the organization, personnel  
6 and resource allocation, and policies of  
7 Federal departments and agencies to the  
8 Director of the Office of Management and  
9 Budget and heads of such departments  
10 and agencies in order to implement the  
11 strategy;

12 (iii) reviewing the annual budget pro-  
13 posal for each Federal department or agen-  
14 cy and certifying to the head of each Fed-  
15 eral department or agency and the Direc-  
16 tor of the Office of Management and  
17 Budget whether the department or agency  
18 proposal is consistent with the strategy;

19 (iv) continuously assessing and mak-  
20 ing relevant recommendations to the Presi-  
21 dent on the appropriate level of integration  
22 and interoperability across the Federal  
23 cybersecurity operations centers;

24 (v) coordinating with the Federal  
25 Chief Information Officer, the Federal

1 Chief Information Security Officer, the Di-  
2 rector of the Cybersecurity and Infrastruc-  
3 ture Security Agency, and the Director of  
4 National Institute of Standards and Tech-  
5 nology on the development and implemen-  
6 tation of policies and guidelines related to  
7 issues of Federal department and agency  
8 information security; and

9 (vi) reporting annually to the Presi-  
10 dent and the Congress on the state of the  
11 United States cybersecurity posture, the  
12 effectiveness of the strategy, and the sta-  
13 tus of Federal departments and agencies’  
14 implementation of the strategy;

15 (D) lead joint interagency planning for the  
16 Federal Government’s integrated response to  
17 cyberattacks and cyber campaigns of significant  
18 consequence, to include—

19 (i) coordinating with relevant Federal  
20 departments and agencies in the develop-  
21 ment of, for the approval of the President,  
22 joint, integrated operational plans, proc-  
23 esses, and playbooks for incident response  
24 that feature—

1 (I) clear lines of authority and  
2 lines of effort across the Federal Gov-  
3 ernment;

4 (II) authorities that have been  
5 delegated to an appropriate level to  
6 facilitate effective operational re-  
7 sponses across the Federal Govern-  
8 ment; and

9 (III) support for the integration  
10 of defensive cyber plans and capabili-  
11 ties with offensive cyber plans and ca-  
12 pabilities in a manner consistent with  
13 improving the United States cyberse-  
14 curity posture;

15 (ii) exercising these operational plans,  
16 processes, and playbooks;

17 (iii) updating these operational plans,  
18 processes, and playbooks for incident re-  
19 sponse as needed in coordination with on-  
20 going offensive cyber plans and operations;  
21 and

22 (iv) ensuring these plans, processes,  
23 and playbooks are properly coordinated  
24 with relevant private sector entities, as ap-  
25 propriate;

1 (E) direct the Federal Government’s re-  
2 sponse to cyberattacks and cyber campaigns of  
3 significant consequence, to include—

4 (i) developing for the approval of the  
5 President, with the heads of relevant Fed-  
6 eral departments and agencies independ-  
7 ently or through the National Security  
8 Council as directed by the President, oper-  
9 ational priorities, requirements, and tasks;

10 (ii) coordinating, deconflicting, and  
11 ensuring the execution of operational ac-  
12 tivities in incident response; and

13 (iii) coordinating operational activities  
14 with relevant private sector entities;

15 (F) engage with private sector leaders on  
16 cybersecurity and emerging technology issues  
17 with the support of, and in coordination with,  
18 the Cybersecurity and Infrastructure Security  
19 Agency and other Federal departments and  
20 agencies, as appropriate;

21 (G) annually report to Congress on cyber-  
22 security threats and issues facing the nation,  
23 including any new or emerging technologies  
24 that may impact national security, economic  
25 prosperity, or enforcing the rule of law; and

1 (H) be responsible for such other functions  
2 as the President may direct.

3 (2) DELEGATION OF AUTHORITY.—The Direc-  
4 tor may—

5 (A) serve as the senior representative on  
6 any body that the President may establish for  
7 the purpose of providing the President advice  
8 on cybersecurity;

9 (B) be empowered to convene National Se-  
10 curity Council, National Economic Council and  
11 Homeland Security Council meetings, with the  
12 concurrence of the National Security Advisor,  
13 Homeland Security Advisor, or Director of the  
14 National Economic Council, as appropriate;

15 (C) be included as a participant in prep-  
16 arations for and, if appropriate, execution of cy-  
17 bersecurity summits and other international  
18 meetings at which cybersecurity is a major  
19 topic;

20 (D) delegate any of the Director's func-  
21 tions, powers, and duties to such officers and  
22 employees of the Office as he may designate;  
23 and

24 (E) authorize such successive re-delega-  
25 tions of such functions, powers, and duties to

1           such officers and employees of the Office as he  
2           may deem appropriate.

3           (d) ATTENDANCE AND PARTICIPATION IN NATIONAL  
4 SECURITY COUNCIL MEETINGS.—Section 101(c)(2) of the  
5 National Security Act of 1947 (50 U.S.C. 3021(c)(2)) is  
6 amended by striking “and the Chairman of the Joint  
7 Chiefs of Staff” and inserting “the Chairman of the Joint  
8 Chiefs of Staff, and the National Cyber Director”.

9           (e) POWERS OF THE DIRECTOR.—The Director may,  
10 for the purposes of carrying out the Director’s functions  
11 under this section—

12           (1) subject to the civil service and classification  
13 laws, select, appoint, employ, and fix the compensa-  
14 tion of such officers and employees as are necessary  
15 and prescribe their authority and duties, except that  
16 not more than 75 individuals may be employed with-  
17 out regard to any provision of law regulating the  
18 employment or compensation at rates not to exceed  
19 the basic rate of basic pay payable for level IV of  
20 the Executive Schedule under section 5315 of title  
21 5, United States Code;

22           (2) employ experts and consultants in accord-  
23 ance with section 3109 of title 5, United States  
24 Code, and compensate individuals so employed for  
25 each day (including travel time) at rates not in ex-

1       cess of the maximum rate of basic pay for grade  
2       GS-15 as provided in section 5332 of such title, and  
3       while such experts and consultants are so serving  
4       away from their homes or regular place of business,  
5       to pay such employees travel expenses and per diem  
6       in lieu of subsistence at rates authorized by section  
7       5703 of such title 5 for persons in Federal Govern-  
8       ment service employed intermittently;

9           (3) promulgate such rules and regulations as  
10       may be necessary to carry out the functions, powers,  
11       and duties vested in the Director;

12           (4) utilize, with their consent, the services, per-  
13       sonnel, and facilities of other Federal agencies;

14           (5) enter into and perform such contracts,  
15       leases, cooperative agreements, or other transactions  
16       as may be necessary in the conduct of the work of  
17       the Office and on such terms as the Director may  
18       determine appropriate, with any Federal agency, or  
19       with any public or private person or entity;

20           (6) accept voluntary and uncompensated serv-  
21       ices, notwithstanding the provisions of section 1342  
22       of title 31, United States Code;

23           (7) adopt an official seal, which shall be judi-  
24       cially noticed; and

1           (8) provide, where authorized by law, copies of  
2 documents to persons at cost, except that any funds  
3 so received shall be credited to, and be available for  
4 use from, the account from which expenditures relat-  
5 ing thereto were made.

6 (f) DEFINITIONS.—In this section:

7           (1) CYBERSECURITY POSTURE.—The term “cy-  
8 bersecurity posture” means the ability to identify  
9 and protect, and detect, respond to and recover from  
10 intrusions in, information systems the compromise of  
11 which could constitute a cyber attack or cyber cam-  
12 paign of significant consequence.

13           (2) CYBER ATTACKS AND CYBER CAMPAIGNS OF  
14 SIGNIFICANT CONSEQUENCE.—The term “cyber at-  
15 tacks and cyber campaigns of significant con-  
16 sequence” means an incident or series of incidents  
17 that have the purpose or effect of—

18                   (A) causing a significant disruption to the  
19 availability of a Federal information system;

20                   (B) harming, or otherwise significantly  
21 compromising the provision of service by, a  
22 computer or network of computers that support  
23 one or more entities in a critical infrastructure  
24 sector;

1           (C) significantly compromising the provi-  
2 sion of services by one or more entities in a  
3 critical infrastructure sector;

4           (D) causing a significant misappropriation  
5 of funds or economic resources, trade secrets,  
6 personal identifiers, or financial information for  
7 commercial or competitive advantage or private  
8 financial gain; or

9           (E) otherwise constituting a significant  
10 threat to the national security, foreign policy, or  
11 economic health or financial stability of the  
12 United States.

13           (3) INCIDENT.—The term “incident” has the  
14 meaning given that term in section 3552 of title 44,  
15 United States Code.

16           (4) INFORMATION SECURITY.—The term “infor-  
17 mation security” has the meaning given that term in  
18 section 3552 of title 44, United States Code.
