## A BILL

To authorize the Secretary of the Interior to conduct a special resource study of the site formerly known as “Rosewood”, located in Levy County, Florida, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Rosewood Study Act”.

5       **SEC. 2. FINDINGS.**

6       Congress finds as follows:

1           (1) The town of Rosewood was originally sur-  
2           veyed in 1847 in Levy County, Florida, and quickly  
3           became a majority minority community.

4           (2) On January 1, 1923, a young married  
5           White woman from a neighboring town falsely ac-  
6           cused an African-American man of assault.

7           (3) This accusation started a riot and the ma-  
8           jority of Rosewood was burned to the ground.

9           (4) This riot led to an unjust massacre and  
10          death toll that is still unknown.

11          (5) Survivors were forced to flee to the woods  
12          and ultimately resettle around the State of Florida.

13          (6) The town of Rosewood never recovered from  
14          this event.

15          (7) The Governor of Florida was notified of the  
16          events, but did not intervene.

17          (8) A small attempt was eventually made to in-  
18          dict locals by a grand jury, but this was unsucces-  
19          ful.

20          (9) This tragedy went unnoticed by those who  
21          were not immediately affected for almost 60 years,  
22          until 1982 when a reporter for the Saint Petersburg  
23          Times began to investigate the massacre.

24          (10) In 1993, the State of Florida formally in-  
25          vestigated the event and eventually passed a law

1 issuing compensation for the losses to the victims  
2 and creating a scholarship fund.

3 (11) Violence and prejudice have no place in  
4 our society.

5 (12) Our society cannot be complacent in sense-  
6 less acts of violence.

7 (13) In order to learn from history, our society  
8 must make sure to remember it.
