

116TH CONGRESS  
2D SESSION

# H. RES. 1101

Expressing support for the designation of September 2020 as “National Kinship Care Month”.

---

## IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 11, 2020

Ms. BASS (for herself, Mr. BACON, Mrs. LAWRENCE, Mr. MITCHELL, Mr. LANGEVIN, and Mrs. LESKO) submitted the following resolution; which was referred to the Committee on Ways and Means

---

## RESOLUTION

Expressing support for the designation of September 2020 as “National Kinship Care Month”.

Whereas, in September 2020, “National Kinship Care Month” is observed;

Whereas, nationally, 2,800,000 children are living in kinship care with grandparents, other relatives, and family friends (also referred to as “fictive kin”);

Whereas, nationally, more than 133,405 kinship children in foster care are placed in kinship foster care, with more than 2,667,000 kinship children supported outside of the foster care system;

Whereas grandparents and other relatives are increasingly providing caring homes for children because of the opioid crisis;

Whereas grandparents and other relatives residing in urban, rural, and suburban households in every county of the United States have stepped forward out of love and loyalty to care for children during times in which biological parents are unable to do so;

Whereas kinship caregivers provide safety, promote well-being, and establish stable households for vulnerable children;

Whereas kinship care enables a child—

(1) to maintain family relationships and cultural heritage; and

(2) to remain in the community of the child;

Whereas kinship care is a national resource that provides loving homes for children at risk;

Whereas kinship caregivers face daunting challenges to keep countless children from entering foster care;

Whereas the House of Representatives is proud to recognize the many kinship care families in which a child is raised by grandparents or other relatives;

Whereas the House of Representatives wishes to honor the many kinship caregivers who throughout the history of the United States have provided loving homes for parentless children;

Whereas National Kinship Care Month provides an opportunity to urge people in every State to join in recognizing and celebrating kinship caregiving families and the tradition of families in the United States to help raise children;

Whereas much remains to be done to ensure that all children have a safe, loving, nurturing, and permanent family, regardless of age or special needs;

Whereas, during the COVID–19 pandemic, kinship caregivers who are often older grandparents with health vulnerabilities are parenting children in their homes, often without supports;

Whereas, since more than 40 States and the District of Columbia have over 300 laws related to kinship caregiving and there are many Federal child welfare laws, it is clear that kinship care is acknowledged as the nationally accepted term for grandparents, relatives, and fictive kin who are caring for children;

Whereas over 40 States are implementing kinship navigator services that support kinship caregivers who are not foster parents; and

Whereas States increasingly rely on kin as foster parents, and are working to increase the percentages of kinship foster care: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) supports the designation of “National Kin-  
3               ship Care Month”;

4               (2) encourages the Congress to implement poli-  
5               cies to improve the lives of vulnerable children and  
6               families;

7               (3) honors the commitment and dedication of  
8               kinship caregivers and the advocates and allies who  
9               work tirelessly to provide assistance and services to  
10              kinship caregiving families; and

11              (4) reaffirms the need to continue working to  
12              improve the outcomes of all vulnerable children

1 through parts B and E of title IV of the Social Se-  
2 curity Act (42 U.S.C. 601 et seq.), and other pro-  
3 grams designed—

4 (A) to support vulnerable families;

5 (B) to invest in prevention and reunifica-  
6 tion services; and

7 (C) to ensure that extended family mem-  
8 bers who take on the role of kinship caregivers  
9 receive the necessary support.
