## RESOLUTION

Recognizing the heritage, culture, and contributions of Latinas in the United States.

Whereas the United States celebrates National Women’s History Month every March to recognize and honor the achievements of women throughout the history of the United States;

Whereas there are nearly 28,000,000 Latinas living in the United States;

Whereas 1 in 6 women in the United States is a Latina;

Whereas Latinas have helped shape the history of the United States since its inception;

Whereas Latinas contribute to the society of the United States through working in many industries, including business, education, science and technology, medicine, engineering, mathematics, literature and the arts, the military, agriculture, hospitality, and public service at every level of government;

Whereas Latinas come from diverse cultures across North America, Central America, South America, and the Caribbean, and Afro-Latinas face disparities in recognition;

Whereas Latinas are dedicated public servants, holding posts at the highest levels of the Federal Government, including the Supreme Court, the Cabinet, the Senate, and the House of Representatives;

Whereas Latinas make up an estimated 16 percent of women in the Armed Forces, and in 2006, the first Latina became a general in the United States Marine Corps;

Whereas Latinas are breaking the glass ceiling in the science, technology, engineering, and mathematics fields, and in 1993 the first Latina went into space during a 9-day Space Shuttle Discovery mission;

Whereas Latinas own nearly 2,000,000 businesses and 1 in 6 women-owned companies in the United States is owned by a Latina;

Whereas Latina activists have led the fight for civil rights, including labor rights, LGBTQ rights, women’s rights, and racial equality;

Whereas Latinas create award-winning art and are recipients of Emmy, Grammy, Oscar, and Tony awards;

Whereas Latina singers and songwriters, like Selena, also known as the Queen of Tejano music, and Celia Cruz, also known as the Queen of Salsa, have made lasting and significant contributions to music throughout the world;

Whereas Latinas serve in the medical profession, and in 1990, the first female and first Hispanic Surgeon General of the United States was appointed;

Whereas Latinas are paid just 53 cents for every dollar paid to White, non-Hispanic men;

Whereas in the face of societal obstacles, including unequal pay, disparities in education, health care needs, and civil rights struggles, Latinas continue to break through and thrive;

Whereas the United States should continue to invest in the future of Latinas to address the barriers they face; and

Whereas, by 2060, Latinas will represent one-third of the female population of the United States: Now, therefore, be it
