Whereas the State Partnership Program helps ensure that the Department of Defense has capable, trusted, and interoperable partners;

Whereas the State Partnership Program has created 88 enduring, cost-effective partnerships with 100 nations encompassing over  $\frac{1}{2}$  of the countries in the world;

Whereas members of the National Guard typically engage in more than 1,000 State Partnership Program events per year;

Whereas the National Guard Bureau is working with the commanders of the combatant commands and the Department of State to increase State Partnership Program partnerships by 2 nations per year for the next 15 years; and
