

116TH CONGRESS
2D SESSION

H. RES. 885

Expressing support for the designation of March 4, 2020, as “National Assistive Technology Awareness Day”.

IN THE HOUSE OF REPRESENTATIVES

MARCH 4, 2020

Ms. DEAN (for herself and Mr. THOMPSON of Pennsylvania) submitted the following resolution; which was referred to the Committee on Education and Labor

RESOLUTION

Expressing support for the designation of March 4, 2020, as “National Assistive Technology Awareness Day”.

Whereas assistive technology is any item, piece of equipment, or product system that is used to increase, maintain, or improve the functional capabilities of individuals with disabilities and older adults;

Whereas the term “assistive technology service” means any service that directly assists an individual with a disability or an older adult in the selection, acquisition, or use of an assistive technology device;

Whereas, in 2018, the Centers for Disease Control and Prevention reported that 1 in 4 individuals in the United States, or almost 61,000,000 individuals, has a disability;

Whereas, in 2017, the Department of Education reported that there were more than 7,000,000 children with disabilities;

Whereas the Centers for Disease Control and Prevention reported that, among adults 65 years of age and older, 2 in 5 have a disability;

Whereas assistive technology allows individuals with disabilities and older adults to be included in their communities and in inclusive classrooms and workplaces;

Whereas assistive technology devices and services are necessities, not luxury items, for millions of individuals with disabilities and older adults, without which they would be unable to live in their communities, access education, or obtain, retain, and advance gainful, competitive, integrated employment;

Whereas the availability of assistive technology in the workplace promotes economic self-sufficiency, enhances work participation, and is critical to the employment of individuals with disabilities and older adults; and

Whereas State assistive technology programs support a continuum of services that include—

(1) the exchange, repair, recycling, and other reutilization of assistive technology devices;

(2) device loan programs that provide short-term loans of assistive technology devices to individuals, employers, public agencies, and others;

(3) the demonstration of devices to inform decision-making; and

(4) State financing to help individuals purchase or obtain assistive technology through a variety of initiatives, such as financial loan programs, leasing programs,

and other financing alternatives, that give individuals affordable, flexible options to purchase or obtain assistive technology: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) expresses support for the designation of
3 “National Assistive Technology Awareness Day”;

4 and

5 (2) commends—

6 (A) assistive technology specialists and
7 program coordinators for their hard work and
8 dedication to serving individuals with disabili-
9 ties who are in need of finding the proper as-
10 sistive technology to meet their individual
11 needs; and

12 (B) professional organizations and re-
13 searchers dedicated to facilitating the access
14 and acquisition of assistive technology for indi-
15 viduals with disabilities and older adults in need
16 of assistive technology devices.
