6 (INCLUDING TRANSFER OF FUNDS)

7 SEC. 523. (a) DEFINITIONS.—In this section,

8 (1) “Performance Partnership Pilot” (or  
9 “Pilot”) is a project that seeks to identify, through  
10 a demonstration, cost-effective strategies for pro-  
11 viding services at the State, regional, or local level  
12 that—

13 (A) involve two or more Federal programs  
14 (administered by one or more Federal agen-

16 (i) which have related policy goals,  
17 and

18 (ii) at least one of which is adminis-

20 local, or tribal government; and

21 (B) achieve better results for regions, com-  
22 munities, or specific at-risk populations through  
23 making better use of the budgetary resources  
24 that are available for supporting such pro-  
25 grams.

1           (2) “To improve outcomes for disconnected  
2 youth” means to increase the rate at which individ-  
3 uals between the ages of 14 and 24 (who are home-  
4 less, in foster care, involved in the juvenile justice  
5 system, or are neither employed nor enrolled in an  
6 educational institution) achieve success in meeting  
7 educational, employment, or other key goals.

8           (3) The “lead Federal administering agency” is  
9 the Federal agency, to be designated by the Director  
10 of the Office of Management and Budget (from  
11 among the participating Federal agencies that have  
12 statutory responsibility for the Federal discretionary  
13 funds that will be used in a Performance Partner-  
14 ship Pilot), that will enter into and administer the  
15 particular Performance Partnership Agreement on  
16 behalf of that agency and the other participating  
17 Federal agencies.

18           (b) USE OF DISCRETIONARY FUNDS IN FISCAL YEAR  
19 2013.—Federal agencies may use Federal discretionary  
20 funds that are made available in this Act to carry out up  
21 to 13 Performance Partnership Pilots involving up to a  
22 total of \$130,000,000 in aggregate Federal discretionary  
23 budget authority. Such Pilots shall:

25 nected youth, and

1           (2) involve Federal programs targeted on dis-  
2           connected youth, or designed to prevent youth from  
3           disconnecting from school or work, that provide edu-  
4           cation, training, employment, and other related so-  
5           cial services.

6           (c) PERFORMANCE PARTNERSHIP AGREEMENTS.—  
7           Federal agencies may use Federal discretionary funds, as  
8           authorized in subsection (b), to participate in a Perform-  
9           ance Partnership Pilot only in accordance with the terms  
10          of a Performance Partnership Agreement that—

11           (1) is entered into between—

12           (A) the head of the lead Federal admin-  
13           istering agency, on behalf of all of the partici-  
14           pating Federal agencies (subject to the head of  
15           the lead Federal administering agency having  
16           received from the heads of each of the other  
17           participating agencies their written concurrence  
18           for entering into the Agreement), and

19           (B) the respective representatives of all of  
20           the State, local, or tribal governments that are  
21           participating in the Agreement; and

22           (2) specifies, at a minimum, the following infor-  
23          mation:

24           (A) the length of the Agreement (which  
25           shall not extend beyond September 30, 2017);

1 (B) the Federal programs and federally  
2 funded services that are involved in the Pilot;

3 (C) the Federal discretionary funds that  
4 are being used in the Pilot (by the respective  
5 Federal account identifier, and the total  
6 amount from such account that is being used in  
7 the Pilot), and the period (or periods) of avail-  
8 ability for obligation (by the Federal Govern-  
9 ment) of such funds;

10 (D) the non-Federal funds that are in-  
11 volved in the Pilot, by source (which may in-  
12 clude private funds as well as governmental  
13 funds) and by amount;

14 (E) the State, local, or tribal programs  
15 that are involved in the Pilot;

16 (F) the populations to be served by the  
17 Pilot;

18 (G) the cost-effective Federal oversight  
19 procedures that will be used for the purpose of  
20 maintaining the necessary level of account-  
21 ability for the use of the Federal discretionary  
22 funds;

23 (H) the cost-effective State, local, or tribal  
24 oversight procedures that will be used for the  
25 purpose of maintaining the necessary level of

1           accountability for the use of the Federal discre-  
2           tionary funds;

3           (I) the outcome (or outcomes) that the  
4           Pilot is designed to achieve;

5           (J) the appropriate, reliable, and objective  
6           outcome-measurement methodology that the  
7           Federal Government and the participating  
8           State, local, or tribal governments will use, in  
9           carrying out the Pilot, to determine whether the  
10          Pilot is achieving, and has achieved, the speci-  
11          fied outcomes that the Pilot is designed to  
12          achieve;

13          (K) the statutory, regulatory, or adminis-  
14          trative requirements related to Federal manda-  
15          tory programs that are barriers to achieving im-  
16          proved outcomes of the Pilot; and

17          (L) in cases where, during the course of  
18          the Pilot, it is determined that the Pilot is not  
19          achieving the specified outcomes that it is de-  
20          signed to achieve,

21                  (i) the consequences that will result  
22                  from such deficiencies with respect to the  
23                  Federal discretionary funds that are being  
24                  used in the Pilot, and

1                   (ii) the corrective actions that will be  
2                   taken in order to increase the likelihood  
3                   that the Pilot, upon completion, will have  
4                   achieved such specified outcomes.

5           (d) AGENCY HEAD DETERMINATIONS.—A Federal  
6 agency may participate in a Performance Partnership  
7 Pilot (including by providing Federal discretionary funds  
8 that have been appropriated to such agency) only upon  
9 the written determination by the head of such agency that  
10 the agency’s participation in such Pilot—

11                   (1) will not result in denying or restricting the  
12                   eligibility of any individual for any of the services  
13                   that (in whole or in part) are funded by the agency’s  
14                   programs and Federal discretionary funds that are  
15                   involved in the Pilot, and

16                   (2) based on the best available information, will  
17                   not otherwise adversely affect vulnerable populations  
18                   that are the recipients of such services.

19 In making this determination, the head of the agency may  
20 take into consideration the other Federal discretionary  
21 funds that will be used in the Pilot as well as any non-  
22 Federal funds (including from private sources as well as  
23 governmental sources) that will be used in the Pilot.

24           (e) TRANSFER AUTHORITY.—For the purpose of car-  
25 rying out the Pilot in accordance with the Performance

1 Partnership Agreement, and subject to the written ap-  
2 proval of the Director of the Office of Management and  
3 Budget, the head of each participating Federal agency  
4 may transfer Federal discretionary funds that are being  
5 used in the Pilot to an account of the lead Federal admin-  
6 istering agency that includes Federal discretionary funds  
7 that are being used in the Pilot. Subject to the waiver  
8 authority under subsection (f), such transferred funds  
9 shall remain available for the same purposes for which  
10 such funds were originally appropriated: *Provided*, That  
11 such transferred funds shall remain available for obliga-  
12 tion by the Federal Government until the expiration of the  
13 period of availability for those Federal discretionary funds  
14 (which are being used in the Pilot) that have the longest  
15 period of availability, except that any such transferred  
16 funds shall not remain available beyond September 30,  
17 2017.

18 (f) WAIVER AUTHORITY.—In connection with a Fed-  
19 eral agency’s participation in a Performance Partnership  
20 Pilot, and subject to the other provisions of this section  
21 (including subsection (e)), the head of the Federal agency  
22 to which the Federal discretionary funds were appro-  
23 priated may waive (in whole or in part) the application,  
24 solely to such discretionary funds that are being used in

1 the Pilot, of any statutory, regulatory, or administrative  
2 requirement that such agency head—

3 (1) is otherwise authorized to waive (in accord-  
4 ance with the terms and conditions of such other au-  
5 thority), and

6 (2) is not otherwise authorized to waive, pro-  
7 vided that in such case the agency head shall—

8 (A) not waive any requirement related to  
9 nondiscrimination, wage and labor standards,  
10 or allocation of funds to State and substate lev-  
11 els;

12 (B) issue a written determination, prior to  
13 granting the waiver, with respect to such discre-  
14 tionary funds that the granting of such waiver  
15 for purposes of the Pilot—

16 (i) is consistent with both—

17 (I) the statutory purposes of the  
18 Federal program for which such dis-  
19 cretionary funds were appropriated,  
20 and

21 (II) the other provisions of this  
22 section, including the written deter-  
23 mination by the agency head issued  
24 under subsection (d);

1 (ii) is necessary to achieve the out-  
2 comes of the Pilot as specified in the Per-  
3 formance Partnership Agreement, and is  
4 no broader in scope than is necessary to  
5 achieve such outcomes; and

6 (iii) will result in either—

7 (I) realizing efficiencies by sim-  
8 plifying reporting burdens or reducing  
9 administrative barriers with respect to  
10 such discretionary funds, or

11 (II) increasing the ability of indi-  
12 viduals to obtain access to services  
13 that are provided by such discre-  
14 tionary funds; and

15 (C) provide at least 60 days advance writ-  
16 ten notice to the Committees on Appropriations  
17 and other committees of jurisdiction in the  
18 House of Representatives and the Senate.

19 SEC. 524. (a) The head of any department, agency,  
20 board, or commission funded by this Act shall submit  
21 quarterly reports to the Inspector General, or the senior  
22 ethics official for any entity without an Inspector General,  
23 of the appropriate department, agency, board, or commis-  
24 sion regarding the costs and contracting procedures re-  
25 lated to each conference held by the department, agency,

3 \$20,000.

4 (b) Each report submitted shall include, for each con-

7 vanced the mission of the department, agency,  
8 board, or commission;

9 (2) the number of individuals whose travel ex-  
10 penses or other conference expenses were paid by the  
11 department, agency, board, or commission;

12 (3) the date and location of the conference;

13 (4) a detailed statement of the costs to the de-  
14 partment, agency, board, or commission relating to  
15 that conference; and

16 (5) a description of the contracting procedures  
17 relating to that conference, including whether con-  
18 tracts were awarded on a competitive basis for that  
19 conference.

20 (c) A grant or contract funded by amounts appro-  
21 priated by this Act may not be used for the purpose of  
22 defraying the costs of a conference that is not directly and  
23 programmatically related to the purpose for which the  
24 grant or contract was awarded.

1 (d) None of the funds made available in this Act may  
2 be used for travel and conference activities that are not  
3 in compliance with Office of Management and Budget  
4 Memorandum M-12-12 dated May 11, 2012.

5 SEC. 525. None of the funds made available in this  
6 Act may be used to send or otherwise pay for the attend-  
7 ance of more than 50 employees from a Federal depart-  
8 ment or agency at any single international conference un-  
9 less the head of such department or agency reports to the  
10 Committees on Appropriations of the Senate and the  
11 House of Representatives at least 30 days in advance of  
12 the beginning of the conference that such attendance is  
13 important to the national interest: *Provided*, That for pur-  
14 poses of this section the term “international conference”  
15 shall mean a conference occurring outside of the United  
16 States attended by representatives of the United States  
17 Government and of foreign governments, international or-  
18 ganizations, or nongovernmental organizations.
