2D SESSION

# S. 3952

To increase rates of college completion and reduce college costs by accelerating time to degree, aligning secondary and postsecondary education, and improving postsecondary credit transfer.

---

## IN THE SENATE OF THE UNITED STATES

MARCH 14, 2024

Ms. HASSAN (for herself and Mr. YOUNG) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

---

## A BILL

To increase rates of college completion and reduce college costs by accelerating time to degree, aligning secondary and postsecondary education, and improving postsecondary credit transfer.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Fast Track To and  
5 Through College Act”.

1 **SEC. 2. ACCELERATING TIME TO DEGREE.**

2 (a) IN GENERAL.—Part A of title IV of the Higher  
3 Education Act of 1965 (20 U.S.C. 1070 et seq.) is amend-  
4 ed—

5 (1) by redesignating subparts 5, 6, and 7, as  
6 subparts 6, 7, and 8, respectively; and

7 (2) by inserting after subpart 4 the following:

8 **“Subpart 5—Accelerating Time to Degree**

9 **“SEC. 416A. PURPOSE.**

10 “The purpose of this subpart is to increase rates of  
11 college completion and reduce college costs by accelerating  
12 time to degree, aligning secondary and postsecondary edu-  
13 cation, and improving postsecondary credit transfer.

14 **“SEC. 416B. DEFINITIONS.**

15 “In this subpart:

16 “(1) **ADVANCED COURSEWORK.**—The term ‘ad-  
17 vanced coursework’ means coursework designed for  
18 students to earn postsecondary credit upon its suc-  
19 cessful completion while still in high school, such as  
20 coursework associated with Advanced Placement,  
21 International Baccalaureate, a dual or concurrent  
22 enrollment program, and early college high school  
23 programs.

24 “(2) **CAREER AND TECHNICAL EDUCATION.**—  
25 The term ‘career and technical education’ has the  
26 meaning given the term in section 3 of the Carl D.

1 Perkins Career and Technical Education Act of  
2 2006.

3 “(3) DUAL OR CONCURRENT ENROLLMENT  
4 PROGRAM.—The term ‘dual or concurrent enrollment  
5 program’ has the meaning given the term in section  
6 8101 of the Elementary and Secondary Education  
7 Act of 1965.

8 “(4) EARLY COLLEGE FAST TRACK PATHWAY.—  
9 The term ‘early college fast track pathway’ means a  
10 sequence of dual or concurrent enrollment program  
11 courses, Advanced Placement courses, International  
12 Baccalaureate courses, or other advanced  
13 coursework or assessments approved by the eligible  
14 entity taken at any point during high school that—

15 “(A) when taken together, constitute a  
16 typical first year of study toward an associate  
17 degree or baccalaureate degree, or, in the case  
18 of postsecondary credit in career and technical  
19 education earned through dual or concurrent  
20 enrollment program course sequences, the first  
21 year of study toward a recognized postsec-  
22 ondary credential for a high-skill, high-wage, or  
23 in-demand industry sector or occupation; and

24 “(B) if completed successfully, results in  
25 credit that—

1           “(i) is equivalent to the academic  
2           workload of not less than 2 semesters of  
3           full-time postsecondary enrollment;

4           “(ii) satisfies requirements for the  
5           State’s regular high school diploma; and

6           “(iii) is a part of the statewide articu-  
7           lation agreements described in clauses (iv)  
8           and (v) of section 416C(f)(2)(D), except  
9           that a pathway designed for earning post-  
10          secondary credit in career and technical  
11          education through a dual or concurrent en-  
12          rollment program leading to a recognized  
13          postsecondary credential may be part of an  
14          articulation agreement that includes some,  
15          but not all, public institutions of higher  
16          education in the State.

17          “(5) EARLY COLLEGE HIGH SCHOOL.—The  
18          term ‘early college high school’ has the meaning  
19          given the term in section 8101 of the Elementary  
20          and Secondary Education Act of 1965.

21          “(6) EARLY HIGH SCHOOL GRADUATION FAST  
22          TRACK PATHWAY.—The term ‘early high school  
23          graduation fast track pathway’ means a scholarship  
24          provided to a student who—

1           “(A) graduates high school early consistent  
2 with a State’s early high school graduation pol-  
3 icy;

4           “(B) does not require remedial coursework  
5 in postsecondary education consistent with a  
6 State’s postsecondary course placement stand-  
7 ards described in section 416C(f)(2)(D)(iii);  
8 and

9           “(C) attends any public 2-year or 4-year  
10 institution of higher education that is a part of  
11 the eligible entity.

12           “(7) EARLY HIGH SCHOOL GRADUATION POL-  
13 ICY.—The term ‘early high school graduation policy’  
14 means a statewide policy adopted by all local edu-  
15 cational agencies in a State that—

16           “(A) allows students the opportunity to  
17 earn a regular high school diploma in not more  
18 than 3 years;

19           “(B) is based in whole or in part on stu-  
20 dent performance on valid and reliable assess-  
21 ments aligned with the challenging State aca-  
22 demic standards required under section  
23 1111(b)(1) of the Elementary and Secondary  
24 Education Act of 1965, which may include a

1 nationally recognized high school academic as-  
2 sessment;

3 “(C) may permit students to earn required  
4 credit hours for a regular high school diploma  
5 through a demonstration of competency; and

6 “(D) includes support for students to en-  
7 sure a successful matriculation to postsecondary  
8 education.

9 “(8) ELIGIBLE ENTITY.—The term ‘eligible en-  
10 tity’ means a partnership that, with respect to a  
11 State—

12 “(A) shall include—

13 “(i) the State educational agency;

14 “(ii) either—

15 “(I) the State public higher edu-  
16 cation system inclusive of all 2-year  
17 and 4-year public institutions of high-  
18 er education in the State; or

19 “(II) a consortium of the State’s  
20 public higher education institutions or  
21 systems that, together, is inclusive of  
22 all 2-year and 4-year public institu-  
23 tions of higher education in the State;  
24 and

1           “(iii) 1 or more local educational  
2 agencies, including at least 1 high-need  
3 local educational agency located in the  
4 State; and

5           “(B) may include—

6           “(i) a consortium of entities described  
7 in subparagraph (A) from different States;

8           “(ii) 1 or more public or nonprofit  
9 private institutions of higher education;  
10 and

11           “(iii) 1 or more businesses, nonprofit  
12 organizations, State workforce agencies, or  
13 State workforce development boards estab-  
14 lished under section 101 of the Workforce  
15 Innovation and Opportunity Act (29  
16 U.S.C. 3111).

17           “(9) EVIDENCE-BASED.—The term ‘evidence-  
18 based’ has the meaning given the term in section  
19 8101 of the Elementary and Secondary Education  
20 Act of 1965.

22 DENT.—The term ‘first-generation college student’  
23 means—

24           “(A) an individual both of whose parents  
25 did not complete a baccalaureate degree; or

1           “(B) in the case of any individual who reg-  
2           ularly resided with and received support from  
3           only 1 parent, an individual whose only such  
4           parent did not complete a baccalaureate degree.

5           “(11) GOVERNOR.—The term ‘Governor’ means  
6           the chief executive officer of a State.

7           “(12) HIGH-NEED LOCAL EDUCATIONAL AGEN-  
8           CY.—The term ‘high-need local educational agency’  
9           means a local educational agency—

10           “(A) that serves not fewer than 10,000  
11           children from families with incomes below the  
12           poverty line;

13           “(B) for which not less than 20 percent of  
14           the children served by the agency are from fam-  
15           ilies with incomes below the poverty line;

16           “(C) that is in the highest quartile of local  
17           educational agencies in the State, based on stu-  
18           dent poverty; or

19           “(D) for which not less than 75 percent of  
20           the children served by the agency are histori-  
21           cally underrepresented students.

22           “(13) HIGH SCHOOL.—The term ‘high school’  
23           has the meaning given the term in section 8101 of  
24           the Elementary and Secondary Education Act of  
25           1965.

4           Technical Education Act of 2006.

5   **“SEC. 416C. COMPETITIVE GRANTS TO STATES.**

6           “(a) RESERVATIONS.—From the total amount appro-  
7           priated under section 416I for a fiscal year, the Secretary  
8           shall reserve—

9                   “(1) 2 percent to conduct the evaluation de-  
10                  scribed under section 416F; and

11                   “(2) 2 percent for technical assistance and dis-  
12                  semination, which may include—

13                           “(A) providing, directly or through grants,  
14                           contracts, or cooperative agreements, technical  
15                           assistance on using evidence-based practices to  
16                           improve the outcomes of activities funded under  
17                           this subpart; and

18                           “(B) disseminating information on evi-  
19                           dence-based practices that are successful in im-  
20                           proving the quality of activities funded under  
21                           this subpart.

22           “(b) GRANTS.—

23                   “(1) AWARDS.—From the total amount of  
24                   funds available under section 416I for a fiscal year  
25                   and not reserved under subsection (a), the Secretary

1 shall award grants on a competitive basis to eligible  
2 entities to implement activities described under sec-  
3 tion 416D.

4 “(2) LIMITATION.—A State may not receive  
5 (whether individually or as part of a consortium) a  
6 grant under this subpart more than once.

7 “(c) GRANT DURATION.—Grants awarded under this  
8 subpart shall be for a period of 5 years.

9 “(d) DIVERSITY OF PROJECTS.—In awarding grants  
10 under this subpart, the Secretary shall ensure that, to the  
11 extent practicable, grants are distributed among eligible  
12 entities that will serve geographically diverse areas, includ-  
13 ing urban, suburban, and rural areas.

14 “(e) PRIORITIES.—In awarding grants under this  
15 subpart, the Secretary shall give priority to applications  
16 that—

17 “(1) demonstrate experience in the successful  
18 adoption or implementation of policies and programs  
19 described within the application requirements under  
20 subparagraphs (C) and (D) of subsection (f)(2) and  
21 uses of funds for evidence-based practices under sec-  
22 tion 416D;

23 “(2) prioritize implementation of at least 1  
24 early college fast track pathway in multiple high-

1 need local educational agencies at the beginning of  
2 the grant period;

3 “(3) propose to develop multiple early college  
4 fast track pathways, including an early college fast  
5 track pathway that includes career and technical  
6 education and work-based learning aligned with  
7 high-skill, high-wage, or in-demand industry sectors  
8 or occupations;

9 “(4) propose to provide a larger award size in  
10 its early high school graduation fast track pathway  
11 relative to the size of the maximum Federal Pell  
12 Grant award under subpart 1;

13 “(5) propose to expand access to advanced  
14 coursework for students who are not eligible for the  
15 early college fast track pathway or early high school  
16 graduation fast track pathway; and

17 “(6) use school quality or student success indi-  
18 cators to hold high schools accountable, consistent  
19 with section 1111(c)(4)(B)(v) of the Elementary and  
20 Secondary Education Act of 1965, that measure ac-  
21 cess to and completion of advanced coursework, dual  
22 or concurrent enrollment programs, and early college  
23 high school programs or postsecondary enrollment,  
24 remediation, or first-year credit attainment.

25 “(f) APPLICATION.—

1           “(1) IN GENERAL.—In order to receive a grant  
2 under subsection (b) for any fiscal year, the Gov-  
3 ernor of a State shall submit an application to the  
4 Secretary, at such time, in such manner, and con-  
5 taining such information as the Secretary may rea-  
6 sonably require.

7           “(2) CONTENTS.—Each application submitted  
8 by a Governor under this subsection shall include  
9 the following:

10                   “(A) The vision of the eligible entity for  
11 aligning high school and higher education.

12                   “(B) Signatures from the Governor, chief  
13 State school officer, and State higher education  
14 executive officer.

15                   “(C) Evidence for each State within the el-  
16 igible entity demonstrating adoption of—

17                           “(i) an early high school graduation  
18 policy; and

19                           “(ii) uniform statewide criteria for the  
20 receipt of postsecondary, nonelective credit  
21 at all public institutions of higher edu-  
22 cation in the eligible entity based on per-  
23 formance on Advanced Placement and  
24 International Baccalaureate course exami-

1           nations, and, at the discretion of the eligi-  
2           ble entity, other assessments.

3           “(D) A description of how the eligible enti-  
4           ty will, not later than 2 years after the date of  
5           the initial receipt of funds under this section,  
6           implement policies and activities to align high  
7           school education with postsecondary education  
8           in each State within the eligible entity, which  
9           shall include—

10                   “(i) updating State requirements for a  
11                   student to receive a regular high school di-  
12                   ploma, including students who graduate  
13                   high school early consistent with subpara-  
14                   graph (C), to align with the challenging  
15                   State academic standards and entrance re-  
16                   quirements for credit-bearing coursework  
17                   as described in section 1111(b)(1)(D) of  
18                   the Elementary and Secondary Education  
19                   Act of 1965, which may include alignment  
20                   with entrance requirements for credit-bear-  
21                   ing coursework at the State’s system of 4-  
22                   year institutions of higher education;

23                   “(ii) verification of the alignment de-  
24                   scribed in clause (i) that is signified by the  
25                   signature of the Governor of the State,

1 chief State school officer, and State higher  
2 education executive officer;

3 “(iii) developing statewide standards  
4 for placement in postsecondary remedial  
5 coursework based on multiple indicators,  
6 which may include grade point average,  
7 college preparatory high school courses  
8 completed, and performance assessments;

9 “(iv) developing a formal, universal  
10 statewide articulation agreement among all  
11 public institutions of higher education or  
12 systems in each State within the eligible  
13 entity in which all local educational agen-  
14 cies within each State within the eligible  
15 entity may participate that guarantees—

16 “(I) students who earn postsec-  
17 ondary credit as part of an early col-  
18 lege fast track pathway are able to  
19 transfer such credit to—

20 “(aa) any public institution  
21 of higher education in the State,  
22 and that such credits will count  
23 toward meeting specific degree or  
24 certificate requirements; and

1                   “(bb) any private nonprofit  
2                   institution of higher education or  
3                   public institution of higher edu-  
4                   cation located in another State  
5                   that chooses to participate in the  
6                   articulation agreement;

7                   “(II) all relevant credits are rec-  
8                   ognized throughout the public system  
9                   of higher education in the State and  
10                  count as credits earned for both a reg-  
11                  ular high school diploma and for a de-  
12                  gree or certificate program at a public  
13                  institution of higher education in the  
14                  State and at any private nonprofit in-  
15                  stitution of higher education or public  
16                  institution of higher education located  
17                  in another State that chooses to par-  
18                  ticipate; and

19                  “(III) if a student earns an asso-  
20                  ciate’s degree as part of an early col-  
21                  lege fast track pathway, such associ-  
22                  ate’s degree, awarded by the partici-  
23                  pating institution of higher education  
24                  in the State, shall be fully acceptable  
25                  in transfer and credited as the first 2

1 years of a related baccalaureate pro-  
2 gram at a public institution of higher  
3 education in such State; and

4 “(v) developing a formal, universal  
5 statewide articulation agreement among all  
6 public institutions of higher education in  
7 each State within the eligible entity to fa-  
8 cilitate the seamless transfer of credit  
9 earned in the early college fast track path-  
10 way among such institutions of higher edu-  
11 cation, including between 2-year and 4-  
12 year public institutions of higher education  
13 and private nonprofit institutions of higher  
14 education if such private nonprofit institu-  
15 tions of higher education choose to partici-  
16 pate, which may include—

17 “(I) common course numbering;

18 “(II) a general education core  
19 curriculum; and

20 “(III) management systems re-  
21 garding course equivalency, transfer  
22 of credit, and articulation.

23 “(E) A description of how the eligible enti-  
24 ty will provide students with the opportunity to  
25 choose an early college fast track pathway or an

1 early high school graduation fast track path-  
2 way, including—

3 “(i) the criteria that will be used to  
4 designate students as eligible to participate  
5 in the early college fast track pathway  
6 prior to the conclusion of grade 11,  
7 which—

8 “(I) may be based in part on stu-  
9 dent performance on valid and reliable  
10 assessments aligned with the chal-  
11 lenging State academic standards re-  
12 quired under section 1111(b)(1) of  
13 the Elementary and Secondary Edu-  
14 cation Act of 1965, which may include  
15 a nationally recognized high school  
16 academic assessment, and in part on  
17 other indicators consistent with the  
18 statewide standards for placement in  
19 postsecondary remedial coursework  
20 under subparagraph (D)(iii);

21 “(II) if met, shall signify that the  
22 student will not require remedial  
23 coursework consistent with the place-  
24 ment standards developed under sub-  
25 paragraph (D)(iii); and

1                   “(III) shall include students who  
2                   meet the requirements of the State’s  
3                   early high school graduation policy;

4                   “(ii) how the eligible entity will dis-  
5                   seminate information to all students and  
6                   particularly subgroups of students, stu-  
7                   dents who would be first-generation college  
8                   students, and, as applicable, other histori-  
9                   cally underrepresented students in the mid-  
10                  dle grades and in grades 9, 10, and 11,  
11                  served by the eligible entity, including their  
12                  parents, about the opportunity to partici-  
13                  pate in an early college fast track pathway  
14                  or an early high school graduation fast  
15                  track pathway, including—

16                  “(I) the requirements students  
17                  must meet to participate in each fast  
18                  track pathway consistent with the  
19                  State’s early high school graduation  
20                  policy and eligibility criteria described  
21                  in clause (i);

22                  “(II) information regarding the  
23                  transferability of credits from ad-  
24                  vanced coursework offered in the early  
25                  college fast track pathway, including

1 the State’s criteria for the receipt of  
2 postsecondary credit based on per-  
3 formance on Advanced Placement and  
4 International Baccalaureate course ex-  
5 aminations described in subparagraph  
6 (C)(ii), which institutions of higher  
7 education participate in the articula-  
8 tion agreements described under  
9 clauses (iv) and (v) of subparagraph  
10 (D), and the performance standards  
11 students must meet in order for credit  
12 from advanced coursework to transfer  
13 successfully;

14 “(III) information on the scholar-  
15 ships included within the early high  
16 school graduation fast track pathway,  
17 including the size of the scholarship  
18 and the institutions of higher edu-  
19 cation at which the scholarships may  
20 be used; and

21 “(IV) information regarding re-  
22 sources and supports available to stu-  
23 dents to prepare them to participate  
24 and succeed in a fast track pathway;

1           “(iii) how the eligible entity will pro-  
2           vide each student served by the eligible en-  
3           tity with the opportunity to be assessed  
4           prior to the conclusion of grade 11 to de-  
5           termine whether the student meets—

6                       “(I) the eligibility criteria de-  
7                       scribed in clause (i) to participate in  
8                       an early college fast track pathway;  
9                       and

10                      “(II) the requirements of the  
11                      State’s early high school graduation  
12                      policy so that a student may partici-  
13                      pate in an early high school gradua-  
14                      tion fast track pathway; and

15           “(iv) how the eligible entity will notify  
16           each student, including the student’s par-  
17           ents, who—

18                      “(I) meets the eligibility criteria  
19                      described under clause (i) no later  
20                      than the beginning of grade 12 about  
21                      the opportunity for the student to  
22                      participate in an early college fast  
23                      track pathway for the remainder of  
24                      the student’s enrollment in high  
25                      school; and

1                   “(II) meets the requirements of  
2                   the early high school graduation policy  
3                   about the opportunity to graduate  
4                   high school early and receive a schol-  
5                   arship as part of an early high school  
6                   graduation fast track pathway.

7                   “(F) A description of how the eligible enti-  
8                   ty will implement the early college fast track  
9                   pathway and early high school graduation fast  
10                  track pathway in all local educational agencies  
11                  within each State within the eligible entity, in-  
12                  cluding—

13                  “(i) the timeline and plan to provide,  
14                  by the end of the grant period, all students  
15                  in the State who meet the eligibility cri-  
16                  teria described under subparagraph (E)(i)  
17                  the opportunity to participate in an early  
18                  college fast track pathway, which may in-  
19                  clude online coursework coordinated by the  
20                  State;

21                  “(ii) the timeline and plan to provide  
22                  all students in the State who meet the re-  
23                  quirements for its early high school grad-  
24                  uation policy the opportunity to receive a

1 scholarship through an early high school  
2 graduation fast track pathway; and

3 “(iii) annual goals for participation in  
4 fast track pathways among subgroups of  
5 students such that, if the goals are met—

6 “(I) significant progress will be  
7 made toward improving equity in stu-  
8 dent eligibility and participation in  
9 the early high school graduation path-  
10 way across the local educational agen-  
11 cies within each State within the eligi-  
12 ble entity;

13 “(II) significant progress will be  
14 made toward improving equity in ac-  
15 cess to advanced coursework and early  
16 college fast track pathways across the  
17 local educational agencies within each  
18 State in the eligible entity; and

19 “(III) the composition of stu-  
20 dents participating in fast track path-  
21 ways will be demographically similar  
22 to each State, as a whole, within the  
23 eligible entity by the end of the grant  
24 period.

1           “(G) A description of how the eligible enti-  
2           ty consulted with stakeholders in development  
3           of its application and how the eligible entity will  
4           continue to engage, collaborate, and solicit feed-  
5           back with stakeholders to improve implementa-  
6           tion of the application requirements described  
7           in this subsection and uses of funds described  
8           in section 416D, including—

9                   “(i) members of the State legislature  
10                  and State board of education (if the State  
11                  has a State board of education);

12                  “(ii) the State higher education gov-  
13                  erning or coordinating entity (if the State  
14                  has such an entity);

15                  “(iii) the State entity that coordinates  
16                  early childhood, elementary, secondary,  
17                  and postsecondary education (if the State  
18                  has such an entity);

19                  “(iv) local educational agencies, in-  
20                  cluding those located in rural areas and  
21                  high-need local education agencies;

22                  “(v) representatives of Indian Tribes  
23                  located in the State;

24                  “(vi) charter school leaders (if the  
25                  State has charter schools);

1                   “(vii) civil rights organizations in the  
2                   State;

3                   “(viii) business leaders or their rep-  
4                   resentatives in the State;

5                   “(ix) teachers, principals, and other  
6                   school leaders; and

7                   “(x) parents and students.

8                   “(H) Assurances that the eligible entity  
9                   will—

10                   “(i) allow students who choose to par-  
11                   ticipate in an early college fast track path-  
12                   way the opportunity to do so at no cost to  
13                   students and parents, including that such  
14                   students and their parents shall not be re-  
15                   quired to pay the cost of related tuition,  
16                   fees (including examination fees), books,  
17                   and supplies necessary to successfully com-  
18                   plete the early college fast track pathway;

19                   “(ii) comply with the supplement, not  
20                   supplant and maintenance of effort re-  
21                   quirements described in sections 416G and  
22                   416H; and

23                   “(iii) use not less than half of the  
24                   grant funds for purposes described under  
25                   subsections (a)(2) and (b) of section 416D

1 to support subgroups of students, students  
2 who would be first-generation college stu-  
3 dents, and, as applicable, other historically  
4 underrepresented students.

5 “(g) REPORTING.—Each eligible entity receiving a  
6 grant under this section shall submit to the Secretary a  
7 report on an annual basis that includes, for each State  
8 within the eligible entity—

9 “(1) information on the progress of the eligible  
10 entity in establishing the policies and completing the  
11 required activities as specified in subparagraphs (C)  
12 and (D) of subsection (f)(2) to align high school  
13 education with postsecondary education;

14 “(2) the number and percentage of local edu-  
15 cational agencies and schools in the State offering  
16 an early high school graduation fast track pathway  
17 and each early college fast track pathway consistent  
18 with its timelines and plans as specified in clauses  
19 (i) and (ii) of subsection (f)(2)(F), progress against  
20 the goals established by the eligible entity for demo-  
21 graphically diverse student participation in fast  
22 track pathways specified in subsection (f)(2)(F)(iii),  
23 and evidence demonstrating how the eligible entity  
24 certified each such pathway meets all requirements  
25 of this subpart;

1           “(3) the number and percentage of students in  
2 the State, including for each subgroup of students,  
3 who—

4           “(A) are eligible to participate in an early  
5 college fast track pathway;

6           “(B) participate in an early college fast  
7 track pathway; and

8           “(C) successfully complete an early college  
9 fast track pathway;

10          “(4) the number and percentage of students in  
11 the State, including for each subgroup of students,  
12 who—

13          “(A) are eligible to participate in an early  
14 high school graduation fast track pathway; and

15          “(B) participate in an early high school  
16 graduation fast track pathway;

17          “(5) the average scholarship award amount for  
18 students, including for each subgroup of students, in  
19 the State who participate in an early high school  
20 graduation fast track pathway; and

21          “(6) any additional information as the Sec-  
22 retary may reasonably require to ensure compliance  
23 with the requirements of this subpart and to effec-  
24 tively evaluate, monitor, and improve grant imple-  
25 mentation.

1 **“SEC. 416D. USE OF FUNDS.**

2       “(a) **REQUIRED ACTIVITIES.**—Each eligible entity  
3 that receives a grant under section 416C(b) for a fiscal  
4 year shall—

5           “(1) use funds for activities to implement the  
6 alignment requirements pursuant to section  
7 416C(f)(2)(D) for a period of time not to exceed the  
8 first 2 fiscal years for which the grant is provided;  
9 and

10          “(2) use funds to support statewide implemen-  
11 tation of early college fast track pathways and early  
12 high school graduation fast track pathways con-  
13 sistent with the timeline, plan, and goals specified in  
14 section 416C(f)(2)(F), including—

15           “(A) expanding advanced coursework to in-  
16 crease the availability of early college fast track  
17 pathways, which may include—

18            “(i) tuition, fees (including examina-  
19 tion fees associated with Advanced Place-  
20 ment, International Baccalaureate, and  
21 similar examinations), books, and supplies  
22 for eligible students;

23            “(ii) creating or expanding statewide  
24 systems to provide each of the advanced  
25 courses in the early college fast track path-  
26 ways online; and

1                   “(iii) establishing or expanding early  
2 college high schools;

3                   “(B) programs and activities to improve  
4 student preparation for, and participation in,  
5 an early college fast track pathway or early  
6 high school graduation fast track pathway, es-  
7 pecially among subgroups of students, students  
8 who would be first-generation college students,  
9 and, as applicable, other historically underrep-  
10 resented students, which may include—

11                   “(i) use of data from evidence-based  
12 early assessment programs or evidence-  
13 based early warning indicator systems;

14                   “(ii) enhanced advising or counseling  
15 activities, such as providing course-taking  
16 and financial aid guidance as early as the  
17 middle grades; and

18                   “(iii) other evidence-based services as  
19 described by the eligible entity; and

20                   “(C) outreach and communications with  
21 students and parents, particularly historically  
22 underrepresented students, to build awareness  
23 of early college fast track pathways and early  
24 high school graduation fast track pathways.

1       “(b) ADDITIONAL ACTIVITIES.—To support effective  
2 statewide implementation of fast track pathways con-  
3 sistent with the timeline, plan, and goals specified in sec-  
4 tion 416C(f)(2)(F), each eligible entity that receives a  
5 grant under section 416C(b) for a fiscal year may use  
6 funds to—

7           “(1) offer students who graduate high school  
8 early scholarships and support for matriculating to  
9 postsecondary education as part of an early high  
10 school graduation fast track pathway;

11           “(2) provide training, professional development,  
12 or recruitment for faculty who teach courses that  
13 are included in an early college fast track pathway;

14           “(3) provide students with transportation to  
15 and from advanced courses in an early college fast  
16 track pathway;

17           “(4) convene secondary and postsecondary edu-  
18 cation and workforce leaders in the State and other  
19 stakeholders to coordinate and monitor grant imple-  
20 mentation; and

21           “(5) provide incentives for local educational  
22 agencies and institutions of higher education to en-  
23 courage student participation in early college fast  
24 track pathways and early high school graduation  
25 fast track pathways.

1 **“SEC. 416E. FEDERAL PELL GRANT AWARDS.**

2       “(a) IN GENERAL.—Notwithstanding the require-  
3 ment under subsections (a)(1) and (d) of section 484 that  
4 a student not be enrolled in an elementary school or sec-  
5 ondary school to be eligible to receive a Federal Pell Grant  
6 under subpart 1, for the award years beginning on July  
7 1, 2024, the Secretary shall, in each State within an eligi-  
8 ble entity awarded a grant under this subpart, award high  
9 school students who meet the eligibility requirements de-  
10 scribed in section 416C(f)(2)(E) and participate in an  
11 early college fast track pathway, a Federal Pell Grant  
12 based on the determination of the student aid index for  
13 such student.

14       “(b) TWO SEMESTER CAP WAIVER.—For a period  
15 not to exceed 2 semesters (or the equivalent of 2 semesters  
16 for students who are not enrolled full time, consistent with  
17 regulations promulgated by the Secretary described under  
18 section 401(d)(5)), Federal Pell Grants awarded to eligible  
19 students under subsection (a) shall not count toward the  
20 12-semester eligibility period for Federal Pell Grants de-  
21 scribed under section 401(d)(5).

22       “(c) AMOUNT OF PELL GRANT.—Notwithstanding  
23 paragraphs (3) and (5) of section 401(b) and section 472,  
24 the amount of the Federal Pell Grant received under sub-  
25 section (a) shall not exceed the cost of tuition, fees (ex-  
26 cluding fees associated with Advanced Placement, Inter-

1 national Baccalaureate, and similar examinations), books,  
2 and supplies.

3 “(d) **APPLICABILITY.**—The Secretary shall continue  
4 awarding Federal Pell Grants to students pursuant to this  
5 section in a State whose grant under this subpart has ex-  
6 pired based upon the eligible entity’s continued compliance  
7 with the requirements of this subpart as determined by  
8 the Secretary.

9 **“SEC. 416F. EVALUATION.**

10 “The Secretary, in partnership with the Director of  
11 the Institute of Education Sciences, shall contract with a  
12 third party to conduct an independent evaluation not later  
13 than September 30, 2028, and preceded by interim re-  
14 ports, of the policies and services provided under this sub-  
15 part, including at a minimum, the impact of such policies  
16 and services on outcomes for all students and subgroups  
17 of students with regard to each of the following:

18 “(1) Enrollment in and completion of advanced  
19 coursework during high school, including the number  
20 of courses students take and the number of credits  
21 students earn.

22 “(2) Postsecondary enrollment, remediation,  
23 first-year credit attainment, and persistence.

24 “(3) The rate at which credits transfer from  
25 advanced coursework in high school, including dual

1 or concurrent enrollment programs, and public insti-  
2 tutions of higher education and between such insti-  
3 tutions.

4 “(4) Postsecondary degree attainment, includ-  
5 ing completion of an associate’s degree, baccalaureate degree, or recognized postsecondary creden-  
6 tial, and the time it takes students to earn a degree.

8 “(5) The cost of a postsecondary degree, by de-  
9 gree type, for participating students in an early col-  
10 lege fast track pathway or an early high school grad-  
11 uation fast track pathway.

12 **“SEC. 416G. SUPPLEMENT, NOT SUPPLANT.**

13 “Funds made available under this subpart shall be  
14 used to supplement, and not supplant, non-Federal funds  
15 that would otherwise be used for activities authorized  
16 under this subpart.

17 **“SEC. 416H. MAINTENANCE OF EFFORT.**

18 “(a) MAINTENANCE OF EFFORT REQUIRED.—A  
19 State that receives assistance under this subpart shall pro-  
20 vide for institutions of higher education and local edu-  
21 cational agencies in such State for any academic year be-  
22 ginning on or after July 1, 2024, an amount that is equal  
23 to or greater than the average amount provided for ad-  
24 vanced coursework by such State to such institutions of  
25 higher education and local educational agencies for ad-

1 vanced coursework during the 2 most recent preceding  
2 academic years for which satisfactory data are available.

3 “(b) ADJUSTMENTS FOR BIENNIAL APPROPRIA-  
4 TIONS.—The Secretary shall take into consideration any  
5 adjustments to the calculations under subsection (a) that  
6 may be required to accurately reflect funding levels in  
7 States with biennial appropriation cycles.

8 “(c) WAIVER.—The Secretary may waive the require-  
9 ments of subsection (a) for not more than 2 consecutive  
10 years, if the Secretary determines that such a waiver  
11 would be equitable due to exceptional or uncontrollable cir-  
12 cumstances, such as a natural disaster or a precipitous  
13 and unforeseen decline in the financial resources of a  
14 State or State educational agency, as appropriate.

15 “(d) VIOLATION OF MAINTENANCE OF EFFORT.—  
16 Notwithstanding any other provision of law, the Secretary  
17 shall withhold from any State that violates subsection (a)  
18 and does not receive a waiver pursuant to subsection (c)  
19 any amount that would otherwise be available to the State  
20 under this subpart until such State has made significant  
21 efforts to correct such violation.

22 **“SEC. 416I. AUTHORIZATION OF APPROPRIATIONS.**

23 “There are authorized to be appropriated to carry out  
24 this subpart such sums as may be necessary for fiscal year  
25 2024 and each of the 4 succeeding fiscal years.”.

1           (b) **EFFECTIVE DATE.**—This section, and the amend-  
2   ments made by this section, shall take effect on the later  
3   of the date of enactment of this Act or July 1, 2024.
