2D SESSION

S. 4581

To improve the public service loan forgiveness program under section 455(m) of the Higher Education Act of 1965, to improve loan forgiveness eligibility provisions under such Act for teachers, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JULY 21, 2022

Mr. MENENDEZ introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To improve the public service loan forgiveness program under section 455(m) of the Higher Education Act of 1965, to improve loan forgiveness eligibility provisions under such Act for teachers, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Second Chance at Pub-
5 lic Service Loan Forgiveness Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) The public service loan forgiveness program
2 under section 455(m) of the Higher Education Act
3 of 1965 (20 U.S.C. 1087e(m)) was created in 2007
4 to attract individuals to public service by forgiving
5 an individual's Federal loans under part D of title
6 IV of the Higher Education Act of 1965 (20 U.S.C.
7 1071 et seq.; 20 U.S.C. 1087a et seq.) after 10
8 years of employment in areas of national need.

9 (2) These public service careers, which include
10 employment in military, emergency management,
11 government, public safety, law enforcement, public
12 health, education, child care, social work, services for
13 individuals with disabilities, services for the elderly,
14 public interest legal services, and library sciences,
15 pay substantially less than similar careers in the pri-
16 vate sector.

17 (3) The public sector also repeatedly experi-
18 ences workforce shortages, especially following the
19 COVID-19 pandemic.

20 (4) An undergraduate degree, certification, or
21 advanced degree is a prerequisite to enter or ad-
22 vance in these public service careers. Yet, research
23 suggests that the prospect of several decades of stu-
24 dent loan payments often deters individuals from
25 pursuing careers in public service.

1 (5) The public service loan forgiveness program
2 has substantially failed. In 2018, 99 percent of the
3 borrowers who applied for relief under the program
4 were denied due to improper type of loans, employ-
5 ment, or repayment plan, or the number of pay-
6 ments that they had made.

7 (6) Advocates and enforcement agencies, includ-
8 ing 38 State Attorneys General and the Bureau of
9 Consumer Financial Protection, have repeatedly
10 found that all of the major Federal student loan
11 servicers provided inaccurate information to bor-
12 rowers who were interested in or relying upon the
13 public service loan forgiveness program. They also
14 found that servicers repeatedly steered borrowers
15 away from public service loan forgiveness into higher
16 monthly payments and into deferment and
17 forbearances.

18 (7) This has caused millions of public servants
19 irreparable economic harm, including preventing
20 them from buying a home, opening a small business,
21 starting a family, or retiring, because of their stu-
22 dent debt.

23 (8) Despite the recent actions of President
24 Biden's administration to improve the public service
25 loan forgiveness program, these actions are limited

1 and will not fully atone for the repeated, pervasive,
 2 and systemic actions by Federal student loan
 3 servicers to prevent public servants from fully bene-
 4 fitting from this program.

5 **SEC. 3. MAKING FORGIVENESS ATTAINABLE FOR PUBLIC**
 6 **SECTOR WORKERS.**

7 Section 455(m) of the Higher Education Act of 1965
