Whereas high-quality afterschool programs and high-quality expanded learning programs provide students with hands-on, engaging lessons that are aligned with the school day;

Whereas high-quality afterschool programs complement regular and expanded school days, and support working families by ensuring that the children of those families are safe and productive during the hours parents are working;

Whereas high-quality afterschool programs engage families, schools, and diverse community partners in advancing the well-being of children and youth in the United States;

Whereas high-quality afterschool programs that partner with high-quality community-based organizations build stronger communities by integrating the school with the larger community;

Whereas Lights On Afterschool, a national celebration of afterschool, before-school, summer, and expanded learning programs held on October 17, 2013, highlights the critical importance of these high-quality programs in the lives of children, their families, and their communities; and
