1ST SESSION

# S. RES. 443

Designating October 2023 as “National Farm to School Month”.

---

IN THE SENATE OF THE UNITED STATES

OCTOBER 31, 2023

Mr. BROWN (for himself, Ms. COLLINS, Mr. FETTERMAN, Mr. KING, Mr. BOOKER, Ms. SMITH, and Mr. HEINRICH) submitted the following resolution; which was considered and agreed to

---

## RESOLUTION

Designating October 2023 as “National Farm to School Month”.

Whereas farm to school programs of varying scale operate in nearly 67,369 schools across the United States;

Whereas farm to school programs connect schools and local farms in order to—

- (1) serve nutritious meals in school cafeterias; and
- (2) support local farmers, ranchers, and fishermen;

Whereas farm to school programs include experiential education components that can lead to permanent improvements in the diets of children, both in school and at home;

Whereas farm to school programs facilitate the purchase of local food for school meals;

Whereas farm to school programs can benefit small and mid-sized agricultural producers by providing access to consistent markets;

Whereas farm to school programs can be particularly important for beginning or socially disadvantaged farmers, as schools provide a consistent and secure customer base;

Whereas farm to school programs can benefit local economies;

Whereas, for every \$1 spent on local foods in schools, up to an additional \$2 circulates in the local economy;

Whereas data from the Centers for Disease Control and Prevention shows that only 7 percent of children consume the recommended amount of vegetables;

Whereas communities with high levels of poverty have less access to fresh fruits and vegetables than higher income communities;

Whereas the increased consumption of fresh fruits and vegetables is 1 of 6 major strategies to prevent and control obesity, according to the Centers for Disease Control and Prevention;

Whereas studies have demonstrated that children in schools with an active farm to school program increase their average consumption of fresh fruits and vegetables by 1 or more servings per day;

Whereas farm to school programs—

(1) are popular among children;

(2) can increase interest in school meal programs;

and

(3) can decrease food waste; and

Whereas October 2023 would be an appropriate month to designate as “National Farm to School Month”: Now, therefore, be it

1       *Resolved*, That the Senate—

2               (1) designates October 2023 as “National Farm  
3       to School Month”;

4               (2) recognizes support for policy improvements  
5       to farm to school programs in legislation reauthor-  
6       izing child nutrition programs;

7               (3) encourages schools, early care and edu-  
8       cation organizations, and local educational agencies  
9       to use local farm products in meals; and

10              (4) encourages schools, early care and edu-  
11      cation organizations, farmers and farm groups, local  
12      businesses, nonprofit institutions, churches, cities,  
13      State governments, and other local groups to raise  
14      awareness of farm to school efforts in their commu-  
15      nities.
