

112TH CONGRESS
2^D SESSION

S. RES. 608

Supporting the establishment of a President's Youth Council.

IN THE SENATE OF THE UNITED STATES

DECEMBER 4, 2012

Mr. UDALL of New Mexico (for himself, Mr. BROWN of Massachusetts, Mr. BEGICH, Mrs. MURRAY, Mr. BINGAMAN, and Ms. MURKOWSKI) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions

RESOLUTION

Supporting the establishment of a President's Youth Council.

Whereas the unique perspectives and insights of young people, especially young people who have participated in a public policy-related program, outreach initiative, internship, fellowship, or congressionally sponsored youth advisory council, are essential to ensure that investments made by the Federal Government in youth services are effective and efficient;

Whereas existing outreach and engagement mechanisms of the Federal Government are often designed in ways that inhibit participation by, and lead to the under-representation of, young people in the policy-making process; and

Whereas numerous Members of Congress, Governors, State legislatures, mayors, and city councils have created youth

councils that have proven to be an effective means of receiving input from young people, which leads to more effective and efficient investments in youth services: Now, therefore, be it
