48 *Be it enacted by the Legislature of the state of Utah:*

49 Section 1. Section **78B-3-1101** is enacted to read:

50 **Part 11. Harm to Minors by Algorithmically Curated Social Media Service**

51 **78B-3-1101. Definitions.**

52 As used in this part:

53 (1) "Account holder" means a person who has, creates, or opens an account or profile  
54 to use an algorithmically curated social media service.

55 (2) (a) "Adverse mental health outcome" means a condition affecting a minor's mental  
56 health that is:

57 (i) diagnosable by a licensed mental health care provider; and

58 (ii) acknowledged by professional mental health experts as having a negative impact on

59 a minor's well-being.

60 (b) "Adverse mental health outcome" includes depression, anxiety, suicidal thoughts or  
61 behaviors, and self-harm thoughts or behaviors.

62 (3) "Algorithmically curated social media service" means a social media service that  
63 drives user engagement primarily through the use of:

64 (a) a curation algorithm; and

65 (b) engagement driven design elements.

66 (4) "Content" means any information, visual depiction, or other material that appears  
67 on or is available or enabled through a social media service.

68 (5) (a) "Curation algorithm" means a computational process or set of rules used by a  
69 social media platform that determines, influences, or personalizes, designed to encourage  
70 prolonged or frequent engagement:

71 (i) the content a user views;

72 (ii) the order in which content is displayed;

73 (iii) how prominently content is displayed; or

74 (iv) the manner in which content is displayed.

75 (b) "Curation algorithm" does not include the curation of:

76 (i) responses to specific user queries or user prompts requesting content related to  
77 defined topics or interests selected by the user; or

78 (ii) content to ensure only age appropriate material is provided to a user based on the  
79 user's age;

80 (iii) content that prevents a minor from viewing violent, bullying, threatening, or  
81 harassing content; or

82 (iv) content to comply with any state or federal law restricting the display of material  
83 harmful to minors.

84 (6) "Engagement driven design elements" means:

85 (a) autoplay features that continuously play content without requiring user interaction;

86 (b) scroll or pagination that loads additional content as long as the user continues  
87 scrolling; or

88 (c) push notifications.

89 (7) "Excessive use" means the use of a social media service by a minor to an extent that

90 the use substantially interferes with the minor's normal functioning in:

91 (a) academic performance;

92 (b) sleep;

93 (c) in-person relationships;

94 (d) mental health; or

95 (e) physical health.

96 (8) "Minor" means an individual who is under 18 years old that:

97 (a) has not been emancipated as that term is defined in Section [80-7-102](#); or

98 (b) has not been married.

99 (9) "Parent" includes a legal guardian.

100 (10) "Push notification" means an automatic electronic message displayed on an  
 101 account holder's device, when the user interface for the social media service is not actively  
 102 open or visible on the device, that prompts the account holder to repeatedly check and engage  
 103 with the social media service.

104 (11) "Resident" means the same as that term is defined in Section [53-3-102](#).

105 (12) "Social media company" means an entity that owns or operates a social media  
 106 service.

107 (13) (a) "Social media service" means a website or application that:

108 (i) is open to the public and consists primarily of content that is user-generated and not  
 109 produced by the social media company;

110 (ii) permits an individual to register as an account holder, establish an account, or  
 111 create a profile that is made visible to the general public or a set of other users defined by the  
 112 account holder for the  $\hat{H} \rightarrow$  **primary**  $\leftarrow \hat{H}$  purpose of allowing account holders to create, share, and  
 112a view

113 user-generated content through such an account or profile;

114 (iii)  $\hat{H} \rightarrow$  **primarily**  $\leftarrow \hat{H}$  allows account holders to post content and interact with content  
 114a generated by other

115 account holders; and

116 (iv) enables account holders to create online communities or groups and communicate  
 117 with account holders.

118 (b) "Social media service" does not include:

119 (i) email;

120 (ii) cloud storage; or

121 (iii) document viewing, sharing, or collaboration services.

122 (14) "User" means an individual who accesses or uses an algorithmically curated social  
123 media service.

124 (15) (a) "Utah account holder" means a person who is a Utah resident and an account  
125 holder.

126 (b) "Utah account holder" includes a Utah minor account holder.

127 (16) "Utah minor account holder" means a Utah account holder who is a minor.

128 Section 2. Section **78B-3-1102** is enacted to read:

129 **78B-3-1102. Legislative Findings.**

130 The Legislature finds that:

131 (1) social media services utilize curation algorithms and engagement driven design  
132 elements to maximize user engagement;

133 (2) minors are particularly vulnerable to manipulation by the use of curation algorithms  
134 and engagement driven design elements;

135 (3) a minor's excessive use of an algorithmically curated social media service is likely  
136 to cause adverse mental health outcomes in minors, regardless of the content being viewed;

137 (4) the risk of an adverse mental health outcome resulting from the excessive use of an  
138 algorithmically curated social media service increases when a minor uses the service for more  
139 than three hours per day, or during regular sleeping hours;

140 (5) algorithmically curated social media services are designed without sufficient tools  
141 to allow adequate parental oversight, exposing minors to risks that could be mitigated with  
142 additional parental control;

143 (6) protecting minors from the risks associated with the use of algorithmically curated  
144 social media services requires intervention at a societal level, informed by expertise in  
145 technology, psychology, and youth mental health;

146 (7) the state has a long-established role and responsibility in implementing protections  
147 and regulations to safeguard the health and welfare of minors;

148 (8) the state has enacted safeguards around products and activities that pose risks to  
149 minors, including regulations on motor vehicles, medications, and products and services  
150 targeted to children;

151 (9) any adverse mental health outcomes for minors that are linked to the excessive use

152 of algorithmically curated social media services are a serious public health concern for the  
153 state; and

154 (10) the state has a compelling interest to protect minors in the state against adverse  
155 mental health outcomes.

156 Section 3. Section **78B-3-1103** is enacted to read:

157 **78B-3-1103. Private right of action.**

158 (1) A Utah minor account holder or a Utah minor account holder's parent may bring a  
159 cause of action against a social media company in court for an adverse mental health outcome  
160 arising, in whole or in part, from the minor's excessive use of the social media company's  
161 algorithmically curated social media service.

162 (2) To recover damages in a cause of action brought under this section, a person  
163 bringing the cause action must demonstrate:

164 (a) that the Utah minor account holder has been diagnosed by a licensed mental health  
165 care provider with an adverse mental health outcome; and

166 (b) that the adverse mental health outcome was caused by the Utah minor account  
167 holder's excessive use of an algorithmically curated social media service.

168 (3) Except as provided in Subsection (4), a person who brings an action described in  
169 Subsection (1), is entitled to a rebuttable presumption that:

170 (a) the Utah minor account holder's adverse mental health outcome was caused, in  
171 whole or in part, by the Utah minor account holder's excessive use of the algorithmically  
172 curated social media service; and

173 (b) the Utah minor account holder's excessive use of the algorithmically curated social  
174 media service was caused, in whole or in part, by the algorithmically curated social media  
175 service's curation algorithm and engagement driven design elements.

176 (4) A social media company that complies with the provisions of Section [78B-11-1104](#)  
177 is entitled to a rebuttable presumption that:

178 (a) the Utah minor account holder's adverse mental health outcome was not caused, in  
179 whole or in part, by the Utah minor account holder's excessive use of the algorithmically  
180 curated social media service; and

181 (b) the Utah minor account holder's excessive use of the algorithmically curated social  
182 media service was not caused, in whole or in part, by the algorithmically curated social media

183 service's curation algorithm and engagement driven design elements.

184 (5) If a court or fact finder finds that a Utah minor account holder suffered any adverse  
 185 mental health outcome as a result of the Utah minor account holder's use of a social media  
 186 company's algorithmically curated social media service, the person seeking relief is entitled to:

187 (a) an award of reasonable attorney fees and court costs; and

188 (b) an amount equal to the greater of:

189 (i) \$10,000 for each adverse mental health outcome incidence; or

190 (ii) the amount of actual damages.

191 (6) A social media company may not be held liable under this part:

192 (a) based on the content of material posted by users of the algorithmically curated  
 193 social media service; or

194 (b) for declining to restrict access to or modify user posts based solely on the content of  
 195 those posts.

196 (7) Nothing in this part shall displace any other available remedies or rights authorized  
 197 under the laws of this state or the United States.

198 Section 4. Section **78B-3-1104** is enacted to read:

199 **78B-3-1104. Affirmative defense.**

200 (1) A person is not entitled to the rebuttable presumption described in Subsection  
 201 78B-11-1103(3), and a social media company is entitled to the rebuttable presumption  
 202 described in Subsection 78B-11-1103(4), if the social media company demonstrates to the  
 203 court that the social media company:

204 (a) limits a Utah minor account holder's use of the algorithmically curated social media  
 205 service to no more than three hours in a 24 hour period across all devices;

206 (b) restricts a Utah minor account holder from accessing the algorithmically curated  
 207 social media service between the hours of 10:30 p.m. and 6:30 a.m.;

208 (c) requires the parent or legal guardian of the minor to consent to a Utah minor  
 209 account holder's use of the algorithmically curated social media service;

210 (d) disables engagement driven design elements for a Utah minor account holder's  
 211 account ~~to~~ . ~~;~~ ~~and~~

212 ~~\_\_\_\_\_ (e) displays content on a Utah minor account holder's account in the order it was~~  
 213 ~~posted, showing newer posts after older posts in a first posted, first shown manner, rather than~~

214 ~~using algorithms or user interactions to determine order.] ←H~~

215 (2) A social media company may utilize settings that are enabled at the device level to  
216 impose the requirements described in Subsection (1).

217 (3) Notwithstanding Subsection (2), a social media company remains liable to ensure  
218 that the Utah minor account holder's account is subject to the restrictions of Subsection (1).

219 Section 5. Section **78B-3-1105** is enacted to read:

220 **78B-3-1105. Waiver prohibited.**

221 A waiver or limitation, or a purported waiver or limitation, of any of the following is  
222 void as unlawful, is against public policy, and a court or arbitrator may not enforce or give  
223 effect to the waiver, notwithstanding any contract or choice-of-law provision in a contract:

224 (1) a protection or requirement provided under this chapter;

225 (2) the right to cooperate with or file a complaint with a government agency;

226 (3) the right to a private right of action as provided under this chapter; or

227 (4) the right to recover actual damages, statutory damages, civil penalties, costs, or fees  
228 as allowed by this chapter.

229 Section 6. Section **78B-3-1106** is enacted to read:

230 **78B-3-1106. Severability.**

231 (1) If any provision of this chapter or the application of any provision to any person or  
232 circumstance is held invalid by a final decision of a court of competent jurisdiction, the  
233 remainder of this chapter shall be given effect without the invalid provision or application.

234 (2) The provisions of this chapter are severable.

235 Section 7. **Repealer.**
