29	Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:
30	WHEREAS, Navajo Code Talkers, from Arizona, Utah, and New Mexico, saved
31	thousands of lives and helped win World War II in the Pacific Theater by using a top secret
32	code that used the Navajo language to transmit messages;
33	WHEREAS, the enemy was breaking military codes in use until the Navajo Code was
34	introduced;
35	WHEREAS, during World War II, these modest young Navajo men fashioned from the
36	Navajo language the only military code in modern history that was never broken by an enemy;
37	WHEREAS, armed with special top secret training, these men developed over 600
38	Navajo Code words to transmit the top secret messages;
39	WHEREAS, the Navajo Code Talkers' messages were transmitted to the front lines,
40	beach command posts, command ships, aircraft carriers, battleships, and to all landing units
41	involved in every major invasion in the Pacific during World War II;
42	WHEREAS, Navajo radio operators transmitted the code throughout the dense jungles
43	and exposed beachheads of the Pacific Theater from 1942 to 1945, passing over 800 error-free
44	messages in 48 hours at Iwo Jima alone;
45	WHEREAS, Major Howard Conner, 5th Marine Division signal officer on Iwo Jima
46	landing, said, "were it not for the Navajos, the Marines would never have taken Iwo Jima";
47	WHEREAS, the bravery and ingenuity of these young Navajo men gave the United
48	States and Allied Forces the upper hand they so desperately needed in the Pacific Theater,
49	hastened the war's end, and assured victory for the United States and its allies;
50	WHEREAS, over a dozen Navajo Code Talkers were killed in action and more than a
51	dozen were wounded;
52	WHEREAS, after 23 years of secrecy, the Navajo Code was declassified in 1968;
53	WHEREAS, the United States Congress and the President, on behalf of United States,
54	honored Navajo Code Talkers with the nation's highest honor, the Congressional Gold and

55

Silver medals, in 2001;
