SHORT FORM

Introduced by Representative Taylor of Colchester

Referred to Committee on

Date:

Subject: Housing; mobile homes

Statement of purpose of bill as introduced: This bill proposes to sustain and enhance mobile homes as an affordable, energy-efficient alternative to site-built single-family housing; assess and address mobile home park infrastructure needs; increase mobile home and mobile home park data availability; create employment opportunities through mobile home manufacturing and training; support the community and governance needs of mobile home parks; and implement Vermont’s environmental justice policy.

An act relating to advancing mobile homes as an energy-efficient, affordable housing alternative

It is hereby enacted by the General Assembly of the State of Vermont:
