1        NEW SECTION.    **Sec. 19.**    A new section is added to chapter 77.12  
2    RCW to read as follows:

3        (1) The commission may establish by rule a surcharge on all fees  
4    authorized under chapters 77.32, 77.65, and 77.70 RCW by November 1st  
5    of each odd-numbered year only when it is required to cover increased  
6    costs approved by the legislature in the biennial budget.

7        (2) The surcharge may not be increased more than three percent  
8    per fiscal year or the rate of inflation according to the consumer  
9    price index, whichever amount is lower.

10       (3) The surcharge may not exceed the percentage increase needed  
11    to generate revenue to offset the costs described in subsection (1)  
12    of this section, and must apply equally to all fees, except the  
13    surcharge does not apply to transaction fees, commercial application  
14    fees, and dealer fees authorized under this title.

15       NEW SECTION.    **Sec. 20.**    A new section is added to chapter 77.12  
16    RCW to read as follows:

17       The fish and wildlife commission shall work with the Oregon fish  
18    and wildlife commission to advance the conservation and recovery of  
19    wild salmon and steelhead in the Columbia river. The department shall  
20    assess and prosecute fisheries using gears that limit impacts on  
21    constraining stocks and reduce mortality to the maximum extent  
22    possible. The department shall work to maximize hatchery production  
23    throughout the Columbia river, reduce less selective gear types in  
24    the mainstem of the Columbia river and improve the effectiveness of  
25    off-channel commercial fishing areas. The department shall provide a  
26    report to the legislature on December 31, 2021 that outlines the  
27    latest science on selective gear, appropriate locations for use, and  
28    impacts on listed salmon and steelhead populations in the Columbia  
29    river.

30       NEW SECTION.    **Sec. 21.**    A new section is added to chapter 77.32

32       (1) The commission may adopt rules to create and sell combination  
33    licenses for all hunting and fishing activities at or below a fee  
34    equal to the total cost of the individual license contained within  
35    any combination. Combination licenses may span one or more license  
36    years.

1 (2) The director may offer temporary discounted promotional  
2 pricing to increase angler, hunting, or wildlife viewing

10 opportunities on the Columbia river and its tributaries by  
11 supplementing the resources available to the department to carry out

13 permitting, reporting, enforcement, and other activities necessary to  
14 provide such opportunities.

15 (2) Program funds may not be used to acquire land.
