**SUBSTITUTE HOUSE BILL 2428**

---

**State of Washington**

**66th Legislature**

**2020 Regular Session**

**By** House Education (originally sponsored by Representatives Duerr, Walen, Springer, Santos, Ramel, Shewmake, Doglio, Kilduff, Paul, and Pollet)

1 AN ACT Relating to students' life-threatening allergic reactions;  
2 creating a new section; and providing an expiration date.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1)(a) By December 1, 2020, and in  
5 compliance with RCW 43.01.036, the office of the superintendent of  
6 public instruction and the department of health must collaborate to  
7 submit to the appropriate committees of the legislature a report of  
8 findings related to statewide implementation of RCW 28A.210.383,  
9 authorizing prescriptions for, and use of, school supplies of  
10 epinephrine autoinjectors.

11 (b) In preparing the report, the office of the superintendent of  
12 public instruction and the department of health must:

13 (i) Analyze information about the schools that maintain a supply  
14 of epinephrine autoinjectors under RCW 28A.210.383;

15 (ii) Examine the barriers and challenges licensed health  
16 professionals with the authority to prescribe epinephrine  
17 autoinjectors experience in prescribing this medication under a  
18 standing order;

19 (iii) Review whether and to what extent the requirement under RCW  
20 28A.210.320 that a student with a life-threatening allergic reaction  
21 present a medication or treatment order addressing the medical

1 services that may be required to be performed at the school reduces  
2 the need for and use of a school supply of epinephrine autoinjectors;  
3 (iv) Determine the number of unused epinephrine autoinjectors  
4 discarded by schools, and returned to students' families, at the end  
5 of the 2020-21 school year;  
6 (v) Complete an inventory of the number and categories of school  
7 district staff provided with training on identifying and responding  
8 to life-threatening allergies between September 1, 2017, and  
9 September 1, 2020; and  
10 (vi) Investigate any other implementation issues raised by school  
11 nurses, students who have life-threatening allergic reactions, and  
12 students' families during meetings held by the office of the  
13 superintendent of public instruction for the purpose of soliciting  
14 feedback on these issues.  
15 (2) When collecting and analyzing information as required under  
16 subsection (1) of this section, the office of the superintendent of  
17 public instruction and the department of health must collect  
18 information from multiple sources, and disaggregate information  
19 during analysis, such that information can be separated by school  
20 geography, student enrollment, school socioeconomic status, and other  
21 student demographics.  
22 (3) This section expires August 31, 2021.
