17 NEW SECTION. **Sec. 3.** The definitions in this section apply
18 throughout this chapter unless the context clearly requires
19 otherwise.

20 (1) "Internet web site, online service, online application, or
21 mobile application directed to minors" mean an internet web site,
22 online service, online application, or mobile application, or a
23 portion thereof, that is created for the purpose of reaching an
24 audience that is predominately comprised of minors, and is not
25 intended for a more general audience comprised of adults. An internet
26 web site, online service, online application, or mobile application,
27 or a portion thereof, is not deemed to be directed at minors solely
28 because it refers or links to an internet web site, online service,
29 online application, or mobile application directed to minors by using
30 information location tools, including a directory, index, reference,
31 pointer, or hypertext link.

32 (2) "Marketing or advertising" means, in exchange for monetary
33 compensation, to make a communication to one or more individuals or
34 to arrange for the dissemination to the public of a communication the
35 primary purpose of which is to encourage recipients to purchase or
36 use a product or service described in the communication.

37 (3) "Minor" means a natural person under eighteen years of age
38 who resides in Washington state.

1 (4) "Operator" means any person or entity that owns an internet
2 web site, online service, online application, or mobile application.
3 "Operator" does not include any third party that operates, hosts, or
4 manages, but does not own, an internet web site, online service,
5 online application, or mobile application on the owner's behalf or
6 processes information on the owner's behalf.

7 (5) "Posted" means content or information that can be accessed by
8 a user in addition to the minor who posted the content or
9 information, whether the user is a registered user or not, of the
10 internet web site, online service, online application, or mobile
11 application where the content or information is posted.

12 NEW SECTION. **Sec. 4.** Nothing in this chapter requires an
13 operator of an internet web site, online service, online application,
14 or mobile application to collect or retain age information about
15 users.

16 NEW SECTION. **Sec. 5.** (1) The legislature finds that the
17 practices covered by this chapter are matters vitally affecting the
18 public interest for the purpose of applying the consumer protection
19 act, chapter 19.86 RCW. A violation of this chapter is not reasonable
20 in relation to the development and preservation of business and is an
21 unfair or deceptive act in trade or commerce and an unfair method of
22 competition for the purpose of applying the consumer protection act,
23 chapter 19.86 RCW.

24 (2) In any action brought by the attorney general to enforce this
25 chapter, a violation of this chapter is subject to a civil penalty of
26 two thousand five hundred dollars for each violation of this chapter.

27 (3) An individual prevailing in an action under this chapter may
28 recover actual damages, but not less than liquidated damages of two
29 thousand five hundred dollars per violation.

30 (4) A court shall award costs and reasonable attorneys' fees to a
31 plaintiff who prevails in an action under this chapter.

32 NEW SECTION. **Sec. 6.** Sections 1 through 5 of this act
33 constitute a new chapter in Title 19 RCW.
