6 (1) A court shall not award penalties under RCW 42.56.550(4) to a
7 person who was serving a criminal sentence in a state, local, or

7 (ii) Fulfilling the request would likely threaten the security of
8 correctional facilities;

16 subsection (2) of this section, the court may consider all relevant
17 factors including, but not limited to:

18 (a) Other public record requests by the requestor;

19 (b) The type of public record or records sought;

20 (c) Statements offered by the requestor concerning the purpose for

38 requestor.

5 the requestor submits a revised public record request, the agency may
6 still seek judicial review without allowing the requestor to further
7 revise the request.

8 (6) The agency shall continue to fulfill the request in a manner
9 consistent with the public records act until the court issues a
10 decision on the injunction request, unless the court orders otherwise.

11 (7) An agency shall not be liable for penalties under RCW
12 42.56.550(4) for any period during which an order under this section is
13 in effect, including during an appeal of an order under this section,
14 regardless of the outcome of the appeal.

15 NEW SECTION. Sec. 2. A new section is added to chapter 42.56 RCW
16 to read as follows:

17 (1)(a) An agency may adopt a policy limiting the number of hours
18 that agency must devote to responding to public records requests to
19 prevent excessive interference with its other essential functions if it
20 makes the following documents publicly available:

21 (i) Agency budgets for the current and past three fiscal years;

22 (ii) Agendas and minutes for all public meetings for the past three
23 fiscal years;

24 (iii) Salary schedule for all current positions and the names of
25 all employees;

26 (iv) Resolutions and ordinances; and

27 (v) Contracts that exceed thirty-five thousand dollars that are
28 currently in place or that terminated in the past three fiscal years.

29 (b) For a local agency this policy must be in the form of adopted
30 legislation and for state agencies it must be in the form of an adopted
31 rule.

32 (2) Tasks subject to the limit in this subsection include the time
33 it takes to search for responsive records and review and redact
34 responsive records. It does not include time spent in litigation or
35 time spent by an attorney providing legal advice regarding records.
36 The policy may include rules on setting priorities on what requests

1 will be fulfilled in what order based on the size of the request and
2 the number of other requests from that requester made in the preceding
3 twelve months.

4 (3) When an agency adopts rules pursuant to subsection (1)(b) of
5 this section, any time that agency anticipates that it will take more
6 than sixty calendar days to fulfill a request, the agency must inform
7 the requester of the factors that go into this time estimate, including
8 a list of all other pending requests. The agency's time estimate is
9 subject to court challenge pursuant to RCW 42.56.550(2).

10 (4) For any legislation or rule adopted pursuant to subsection
11 (1)(b) of this section, the value of the time allotted may not equal
12 less than one percent of the agency's annual operations and maintenance
13 budget and must be based on the average salary of the person primarily
14 assigned to process requests. In no case may an agency adopt a rule
15 that allows it to spend fewer than five hours per month responding to
16 requests.

17 (5) For agencies with a general fund budget that exceeds one
18 million dollars, documents are publicly available if they are
19 accessible through a central web site. For agencies with budgets under
20 one million dollars, documents are publicly available if they are
21 produced for inspection within five business days of being requested.
