1 AN ACT Relating to establishing the family connections program;
2 amending RCW 2.70.060, 2.70.070, 2.70.080, 2.70.090, and 74.13.802;
3 adding a new section to chapter 74.13 RCW; creating a new section;
4 and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) The legislature recognizes that the
7 department of children, youth, and families is working to change the
8 culture of foster care and transition to a prevention-based child
9 welfare system. The family first prevention services act will help
10 facilitate this transition by allowing states to use federal funds
11 for preventative services.

12 (2) To successfully prevent future child abuse and neglect from
13 occurring, and minimize the impact of removal, the department should
14 help facilitate relationships between foster families and birth
15 parents through creation of the family connections program to
16 strengthen families and prevent future child trauma. The legislature
17 intends that the family connections program will put the child first,
18 work to reduce family trauma, and support the child by helping adults
19 learn, share, and work on understanding how best to support the child
20 together.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 74.13

2 RCW to read as follows:

9 the individual with whom the child is placed.

10 (2) The external organization or organizations contracted to
11 implement and operate the family connections program shall implement

21 child found to be dependent pursuant to chapter 13.34 RCW and in out-
22 of-home care and the individual with whom the child is placed is
23 appropriate. If the family connections program determines that such a

6 the in-person meeting.

7 (6) If the family connections program determines that an in-
8 person meeting should not occur following the analysis required under
9 subsection (4) of this section, the family connections program team
10 shall facilitate the exchange of information between the parent and
11 caregiver in an appropriate manner that does not include an in-person
12 meeting. The format of this exchange of information may include
13 written messages, phone calls, or videoconferencing. The family
14 connections program shall routinely reevaluate whether an in-person
15 meeting should occur using the analysis required under subsection (4)
