9 in this section.

10 (2)(a) For an eligible school district with an actual enrichment
11 levy rate that is less than one dollar and fifty cents per thousand
12 dollars of assessed value in the school district, the annual local
13 effort assistance funding is equal to the school district's maximum
14 local effort assistance multiplied by a fraction equal to the school
15 district's actual enrichment levy rate divided by one dollar and
16 fifty cents per thousand dollars of assessed value in the school
17 district.

18 (b) For an eligible school district with an actual enrichment
19 levy rate that is equal to or greater than one dollar and fifty cents
20 per thousand dollars of assessed value in the school district, the

2 district's maximum local effort assistance.

3 (c) Beginning in calendar year 2022, for state-tribal education
4 compact schools established under chapter 28A.715 RCW, the annual
5 local effort assistance funding is equal to the actual enrichment

7 instruction for the previous year for the school district in which
8 the state-tribal education compact school is located, up to a maximum
9 per student amount of one thousand five hundred fifty dollars as
10 increased ((by)) for inflation ((~~from the 2019~~)) beginning in
11 calendar year 2020, multiplied by the student enrollment of the
12 state-tribal education compact school in the prior school year.

13 (d) Beginning in calendar year 2022, for charter schools
14 established under chapter 28A.710 RCW, the annual local effort
15 assistance funding is equal to the actual enrichment levy per student
16 as calculated by the superintendent of public instruction for the
17 previous year for the school district in which the charter school is
18 located, up to a maximum per student amount of one thousand five
19 hundred fifty dollars as increased for inflation beginning in
20 calendar year 2020, multiplied by the student enrollment of the
21 charter school in the prior school year. The legislature must
22 appropriate annual local effort assistance funds for charter schools
23 from the Washington opportunity pathways account in accordance with
24 RCW 28A.710.270.

25 (e) For a school district that meets the criteria in this
26 subsection and is located west of the Cascades in a county that

29 this subsection and additional local effort assistance funding equal
30 to the following amounts:

31 (i) Two hundred forty-six dollars per pupil in the 2019-20 school
32 year for a school district with more than twenty-five thousand annual
33 full-time equivalent students; and

35 school year for a school district with more than twenty thousand
36 annual full-time equivalent enrolled students but fewer than twenty-

2 section 1 of the state Constitution.

3 (4) The definitions in this subsection apply throughout this
4 section unless the context clearly requires otherwise.

5 (a) "Eligible school district" means a school district where the
6 amount generated by a levy of one dollar and fifty cents per thousand
7 dollars of assessed value in the school district, divided by the
8 school district's total student enrollment in the prior school year,
9 is less than the state local effort assistance threshold.

33 (6) For school districts participating in an innovation academy
34 cooperative established under RCW 28A.340.080, enrollments of
