14 within the state, the department must declare the amount of the tax
15 exemption claimed under this section for the previous two calendar
16 years to be immediately due.

17 (4) This section expires June 30, ((2024)) 2045.

4 This performance statement is only intended to be used for subsequent
5 evaluation of the tax preference. It is not intended to create a
6 private right of action by any party or be used to determine
7 eligibility for preferential tax treatment.

8 (2) The legislature categorizes these tax preferences as ones
9 intended to induce certain designated behavior by taxpayers, as
10 indicated in RCW 82.32.808(2)(a).

11 (3) It is the legislature's specific public policy objective to
12 extend the expiration date of these tax preferences in order to
