### *Analysis by the Legislative Reference Bureau*

Currently, if a claimant under the unemployment insurance (UI) law receives no wages or certain other amounts that are treated as wages for a given week, the claimant may receive the full benefit for that week to which the claimant is entitled if the claimant meets eligibility requirements. However, with certain exceptions, if a claimant earns wages or certain other amounts treated as wages in a given week, the first \$30 of the wages or other amounts are disregarded and the claimant's weekly benefit payment is reduced by 67 percent of any remaining amount earned, but no claimant is eligible to receive UI benefits for any week if the benefits would be less than \$5, and any wages that the claimant would have earned in any week for work performed for his or her employer had the claimant accepted available work from that employer are treated as wages earned for that week.

This bill permits an employer to create a work-sharing program within a work unit of the employer. Before implementation of any program, an employer must submit a work-share plan to the Department of Workforce Development (DWD) and obtain DWD's approval of the plan. As a part of its submittal, the employer must

**ASSEMBLY BILL 50**

certify that its plan is in compliance with all requirements under the law. Under the bill, a work-share program may be in effect for no longer than six months within a five-year period and must include at least 10 percent of and at least 20 employees in the work unit. Under the program, the working hours of all of the full-time employees in the program are reduced in an equitable manner in lieu of a total layoff of some of the employees and a continuation of full-time employment by the other employees. The bill provides that a claimant who is included in a work-share program may receive UI benefits during his or her continued employment with the work-sharing employer in an amount equal to the claimant's benefit for total unemployment multiplied by the same percentage reduction in normal working hours that the claimant incurs under the program, or the benefit that would be payable to the claimant under the current formula for payment of UI benefits for partial unemployment, whichever is higher. A claimant who begins receiving UI benefits before the effective period of a work-share program and who remains eligible for benefits is eligible to receive work-share benefits up to the total amount of the claimant's benefit entitlement and a claimant who has remaining benefit entitlement after the effective period of a work-share program and who remains eligible for UI benefits may continue to receive benefits until the entitlement is exhausted. The bill does not affect eligibility for supplemental UI benefits such as federal/state extended benefits, Wisconsin supplemental benefits, and special additional federal benefits in the full amounts that would otherwise be payable.

The bill provides that if there is a single representative of the employees who are proposed to be included under a work-share program, the plan is subject to the approval of that representative. Under the bill, a work-share program must exclude participation by employees who are employed on a regular part-time, seasonal, temporary, or intermittent basis and may only apply to employees who have been engaged in employment with the employer for at least three months before the effective period of the program and who have been regularly employed in that employment for an average of at least 32 hours per week during that period. The bill provides that an employer that creates a work-share program must maintain retirement plan and health insurance coverage for employees who are included in the program during the effective period of the program under the same terms and conditions as if the employees were not included under the program. The bill permits DWD to revoke its approval of a work-share plan for specified reasons and also permits an employer to terminate a work-share program before the end of its scheduled effective period.

Currently, with certain exceptions, a claimant is eligible for UI benefits for any week in which the claimant earns no wages only if the claimant is available for work within that week, is registered for work during that week, and conducts a reasonable search for suitable work during that week. This bill provides that a claimant who is receiving UI benefits for any week in which he or she is included in a work-share program need not be available for work in that week other than for the normal hours of work that the employer worked for the work-share employer immediately before the effective period of the work-share program. The bill also provides that the requirements to register for work and conduct a reasonable search for suitable work

**ASSEMBLY BILL 50**

are waived during each week that an employee included in a work-share agreement is receiving benefits, during the effective period of the agreement.

Under recent federal legislation, the federal government participates in the cost of administration of qualifying work-share programs and payment of benefits to participating employees. The bill directs DWD to seek full federal financial participation in the payment of these costs by this state.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

23 of the employee's base period wages that were paid during that quarter of the  
24 employee's base period in which the employee was paid the highest total wages,  
25 rounded down to the nearest whole dollar, except that, if that amount is less than the

**ASSEMBLY BILL 50**

1 minimum amount shown in the following schedule, no benefits are payable to the

3 following schedule, the employee's weekly benefit rate shall be the maximum  
4 amount shown in the following schedule and except that, if the employee's benefits

12 by 67% of the remaining amount, except that no such employee is eligible for benefits  
13 if the employee's benefit payment would be less than \$5 for any week. For purposes  
14 of this paragraph, "wages" includes any salary reduction amounts earned that are  
15 not wages and that are deducted from the salary of a claimant by an employer  
16 pursuant to a salary reduction agreement under a cafeteria plan, within the meaning  
17 of 26 USC 125, and any amount that a claimant would have earned in available work  
18 under s. 108.04 (1) (a) which is treated as wages under s. 108.04 (1) (bm), but excludes

9 this section:

10 (a) "Regular benefits" means benefits payable to an individual under this  
11 chapter or any other state law, including benefits payable to federal civilian  
12 employees and to former military personnel pursuant to 5 USC ch. 85, other than

2 positions, and the names of the employees filling those positions on the date of  
3 submittal.

4 (b) Provide for inclusion of at least 10 percent of the employees in the affected  
5 work unit on the date of submittal.

6 (c) Provide for initial coverage under the plan of at least 20 positions that are

11 employees in the work-share program.

12 (f) Exclude participation by employees who are employed on a regular  
13 part-time, seasonal, temporary, or intermittent basis.

14 (g) Apply only to employees who have been engaged in employment with the  
15 employer for a period of at least 3 months on the effective date of the work-share  
16 program and who are regularly employed by the employer in that employment for  
17 an average of at least 32 hours per week during that period.

18 (h) Specify the normal average hours per week worked by the employees in the  
19 work unit and the intended reduction or range of reduction in the average hours of

21 percent but not more than 50 percent of the normal hours per work of the employees  
22 included under the plan.

23 (i) Describe the manner in which requirements for maximum federal financial  
24 participation in the plan will be implemented, including a plan for giving notice,

2 implementation of the plan.

3 (k) Specify the effect on any fringe benefits provided by the employer to the  
4 employees who are included in the work-share program other than fringe benefits  
5 required by law.

6 (L) Include a statement signed by the authorized agent of any representative  
7 of the employees included in the work-share program to the effect that the  
8 representative has approved the plan whenever approval is required under sub. (13).

9 (m) Include a statement affirming that the plan is in compliance with all  
10 employer obligations under applicable federal and state laws.

11 **(3) APPROVAL OF PLANS.** The department shall approve a plan if the plan  
12 includes all of the elements specified in sub. (2). The approval is effective for the  
13 effective period of the plan.

14 **(4) EFFECTIVE PERIOD.** A work-share program becomes effective on the later of  
15 the Sunday of the 2nd week beginning after approval of a work-share plan under  
16 sub. (3) or any Sunday after that day specified in the plan. A work-share program  
17 ends on the earlier of the last Sunday that precedes the end of the 6-month period  
18 beginning on the effective date of the program or any Sunday before that day  
19 specified in the plan unless the program terminates on an earlier date under sub. (5),  
20 (14), or (15).

21 **(5) REVOCATION OF APPROVAL.** The department may revoke its approval of a  
22 work-share plan for good cause, including conduct that tends to defeat the purpose  
23 and effective operation of the plan, failure to comply with the requirements of this  
24 section or the work-share plan, or an unreasonable change to the productivity  
25 standards of the employees included under the work-share program. Any revocation

**ASSEMBLY BILL 50**

1 is effective on the Sunday of the 2nd week beginning after revocation of approval of  
2 the plan under this subsection.

3 **(6) BENEFIT AMOUNT.** Except as provided in sub. (7), an employee who is  
4 included under a work-share program and who qualifies to receive regular benefits  
5 for any week during the effective period of the program shall receive a benefit  
6 payment for each week that the employee is included under the program in an  
7 amount equal to the employee's regular benefit amount under s. 108.05 (1)  
8 multiplied by the employee's proportionate reduction in hours worked for that week  
9 as a result of the work-share program.

10 **(7) BENEFITS FOR PARTIAL UNEMPLOYMENT.** An employee who would otherwise be  
11 paid benefits under s. 108.05 (3) for any week shall receive a benefit payment for that  
12 week in the amount payable to the employee under sub. (6) or the amount payable  
13 to the employee under s. 108.05 (3), whichever is higher.

14 **(8) BENEFIT YEAR.** An employee may be paid a benefit under sub. (6) only for  
15 weeks beginning in the employee's benefit year in an amount not exceeding the  
16 employee's total benefit entitlement under s. 108.06 (1). Benefits paid under sub. (6)  
17 may begin after the first week of the employee's benefit year or may terminate earlier  
18 than the last week of the employee's benefit year.

19 **(9) OTHER BENEFITS.** An employee who receives benefits under sub. (6) remains  
20 eligible for any benefits other than regular benefits for which the employee may  
21 qualify and the amount of those benefits is not affected by the employee's receipt of  
22 benefits under sub. (6).

23 **(10) AVAILABILITY FOR WORK.** An employee who is receiving benefits under sub.  
24 (6) for any week need not be available for work in that week other than for the normal  
25 hours of work that the employee worked for the employer that creates the

**ASSEMBLY BILL 50**

1 work-share program immediately before the week in which the work-share program  
2 began.

3 **(10m) REGISTRATION FOR WORK AND WORK SEARCH.** The department shall waive  
4 the requirements to register for work under s. 108.04 (2) (a) 2. and to conduct a search  
5 for work under s. 108.04 (2) (a) 3. for an employee during each week that the  
6 employee is receiving benefits under a work-share agreement under sub. (6).

7 **(11) OTHER EMPLOYMENT.** An employee who is included in a work-share  
8 program during a benefit year may be paid wages during the same benefit year by  
9 an employer other than the employer who creates the work-share program.

10 **(12) RETIREMENT PLAN AND HEALTH INSURANCE COVERAGE.** An employer that  
11 creates a work-share program shall maintain coverage under any defined benefit or  
12 defined contribution retirement plan and any health insurance coverage that the  
13 employer provides to the employees who are included in a work-share program,  
14 including any particulars of coverage and percentages contributed by the employer  
15 for the costs of that coverage, during the effective period of the program under the  
16 same terms and conditions as if the employees were not included in the program.

17 **(13) APPROVAL BY EMPLOYEE REPRESENTATIVE.** If there is a single representative  
18 representing some or all of the employees who are included in a work-share plan, the  
19 plan is subject to approval of that representative.

20 **(14) TERMINATION BY EMPLOYER.** An employer that creates a work-share  
21 program may terminate the program before the end of the effective period as  
22 provided in the work-share plan by filing notice of termination with the department.  
23 The program is then terminated on the 2nd Sunday following the date that the notice  
24 of termination is filed unless the notice specifies that the program is terminated at

**ASSEMBLY BILL 50**

1 the beginning of a later week in which case the program terminates at the beginning  
2 of that week.

3 **(15) INVOLUNTARY TERMINATION.** If in any week there are fewer than 20  
4 employees who are included in a work-share program of any employer, the program  
5 terminates on the 2nd Sunday following the end of that week.

6 **(16) SUCCESSORSHIP.** If all or any part of the business of an employer that  
7 creates a work-share program is transferred as provided in s. 108.16 (8), the  
8 successor employer may continue the work-share program as provided in the  
9 work-share plan or may terminate the program by filing notice of termination under  
10 sub. (14). Termination by a successor employer does not affect any employees of the  
11 transferring employer who continue their employment with the transferring  
12 employer.

13 **(17) TERMINATION OF EMPLOYMENT.** An employee who is included in a  
14 work-share program may be terminated or may voluntarily terminate his or her  
15 employment during the effective period of the program and the employee's eligibility  
16 or ineligibility for benefits for any weeks beginning after the date of termination is  
17 not affected solely as a result of the employee's inclusion in the program.

18 **(18) FEDERAL FINANCIAL PARTICIPATION.** The department shall seek to qualify  
19 this state for full federal participation in the cost of administration of this section and  
20 financing of benefits to employees participating in work-share programs under this  
21 section.

22 **(END)**
