Analysis by the Legislative Reference Bureau

This bill requires the Wisconsin Economic Development Corporation to award grants of up to \$2,000,000 to political subdivisions of this state for costs associated with the redevelopment of buildings or other sites owned by the political subdivision on a UW System branch campus that are or will no longer be used for academic purposes. A branch campus is any of the former two-year college campuses that were partnered with a four-year UW System campus in the 2018 UW System restructuring. WEDC must award a \$2,000,000 grant to Richland County before awarding a grant to any other political subdivision.
